17 by sworn and notarized statement. A business certified as a disadvantaged business
18 shall submit annually to the department a sworn, notarized statement attesting that

21 business under 49 CFR 26. The notice shall include a statement that the business
22 meets the size and gross receipts criteria for certification, and shall include
23 documentary evidence supporting that statement. The department shall remove the

18 year. The authorization shall require the municipality or county to provide written
19 notice to the department of any certification decision. The written notice shall
20 include all of the information contained in the directory maintained under sub. (5).
21 The authorization shall require the municipality or county to forward applications
22 to the department under sub. (2) (b) 3. Certification by a municipality or county is
23 valid for 3 years, unless the department removes certification under sub. (4) or the
24 certification is removed as provided in 49 CFR 26.87 or 26.89. No municipality or

1 county authorized under this subsection may hear any appeals or complaints
2 regarding certification decisions.

3 **(6) RECIPROCAL CERTIFICATION AGREEMENTS.** Notwithstanding sub. (2) (a), the
4 department may enter into a reciprocal agreement with any other state establishing
5 a joint unified certification program that strictly conforms to 49 CFR 26. The

12 CFR 26.89 to the department.

13 (b) Any person may file with the department a signed, written complaint that
14 a business that a certifying authority has certified under this section is not eligible
15 for such certification. The department shall investigate complaints that it finds are
16 supported by credible evidence. If, upon investigation, the department finds
17 reasonable cause to believe that a business is not eligible for certification, the
18 department shall notify the business of its findings in writing and shall proceed in
19 the manner provided under 49 CFR 26.87.

20 **(8) APPLICABILITY.** This section does not apply if federal law does not require,

14 bargaining agreement between the parties.

15 **SECTION 2609p.** 111.70 (4) (cm) 5s. of the statutes is amended to read:

16 111.70 (4) (cm) 5s. 'Issues subject to arbitration.' In a collective bargaining unit
17 consisting of school district professional employees, the municipal employer or the
18 labor organization may petition the commission to determine whether the municipal
19 employer has submitted a timely qualified economic offer. The commission shall
20 appoint an investigator for that purpose. If the investigator, using the methodology
21 prescribed under subd. 8t., finds that the municipal employer has submitted a timely
22 qualified economic offer, the investigator shall determine whether a deadlock exists
23 between the parties with respect to all economic issues. If the municipal employer
24 submits a timely qualified economic offer applicable to any period beginning on or
25 after July 1, 1993, no economic issues are subject to interest arbitration under subd.

1 6. for that period, except that only the impact of contracting out or subcontracting
2 work that would otherwise be performed by municipal employees in the collective
3 bargaining unit is subject to interest arbitration under subd. 6. In such a collective
4 bargaining unit, economic issues concerning the wages, hours or conditions of
5 employment of the school district professional employees in the unit for any period
6 prior to July 1, 1993, are subject to interest arbitration under subd. 6. for that period.
7 In such a collective bargaining unit, noneconomic issues applicable to any period on
8 or after July 1, 1993, are subject to interest arbitration after the parties have
9 reached agreement and stipulate to agreement on all economic issues concerning the
10 wages, hours or conditions of employment of the school district professional
11 employees in the unit for that period. In such a collective bargaining unit, if the
12 commission's investigator finds that the municipal employer has submitted a timely
13 qualified economic offer and that a deadlock exists between the parties with respect
14 to all economic issues, the municipal employer may implement the qualified
15 economic offer. On the 90th day prior to expiration of the period included within the
16 qualified economic offer, if no agreement exists on that day, the parties are deemed
17 to have stipulated to the inclusion in a new or revised collective bargaining
18 agreement of all provisions of any predecessor collective bargaining agreement
19 concerning economic issues, or of all provisions of any existing collective bargaining
20 agreement concerning economic issues if the parties have reopened negotiations
21 under an existing agreement, as modified by the terms of the qualified economic offer
22 and as otherwise modified by the parties. In such a collective bargaining unit, on and
23 after that 90th day, a municipal employer that refuses to bargain collectively with
24 respect to the terms of that stipulation, applicable to the 90-day period prior to
25 expiration of the period included within the qualified economic offer, does not violate

1 sub. (3) (a) 4. Any such unilateral implementation after August 11, 1993, during the
2 90–day period prior to expiration of the period included within a qualified economic
3 offer, operates as a full, final and complete settlement of all economic issues between
4 the parties for the period included within the qualified economic offer. The failure
5 of a labor organization to recognize the validity of such a lawful qualified economic
6 offer does not affect the obligation of the municipal employer to submit economic
7 issues to arbitration under subd. 6. If the investigator determines that the municipal
8 employer has not submitted a timely qualified economic offer, either the municipal
9 employer or the labor organization may petition for arbitration under subd. 6. to
10 resolve any dispute relating to economic issues.

11 **SECTION 2609t.** 111.70 (4) (cm) 8t. of the statutes is created to read:

15 organization constitutes a qualified economic offer and whether such an offer is
16 timely.

23 a financial statement that is prepared according to generally accepted accounting
24 principles.

1 (b) If a grain dealer is a sole proprietor and the grain dealer's financial
2 statement is not audited, the grain dealer shall file a financial statement that is
3 prepared on a historical cost basis.

4 **(6) FINANCIAL STATEMENT CONTENTS.** (a) Except as provided in par. (b), a grain
5 dealer filing a financial statement under this section shall file a financial statement
6 that consists of a balance sheet, income statement, equity statement, statement of
7 cash flows, notes to those statements, and any other information required by the
8 department. If the grain dealer is a sole proprietor, the grain dealer shall file his or
9 her business and personal financial statements. A grain dealer shall disclose on the
10 grain dealer's financial statement, separately and clearly, the grain dealer's unpaid
11 obligations to grain producers and producer agents.

12 (b) If a grain dealer has been in business for less than one year, the grain dealer
13 may file an annual financial statement under sub. (1) or (2) consisting of a balance

21 excluded under sub. (7).

22 **(7) ASSETS EXCLUDED.** A grain dealer may not include any of the following assets
23 in the calculations under sub. (6) (c) unless the department specifically approves
24 their inclusion:

1 (a) A nontrade note or account receivable from an officer, director, employee,

3 unless the note or account receivable is secured by a first priority security interest
4 in real or personal property.

5 (b) A note or account receivable from a parent organization, a subsidiary, or an
6 affiliate, other than an employee.

7 (c) A note or account that has been receivable for more than one year, unless

10 **(9) ENTITY COVERED.** A person filing a financial statement under this section
11 may not file, in lieu of that person's financial statement, the financial statement of
12 the person's parent organization, subsidiary, predecessor, or successor.

13 **(10) DEPARTMENT REVIEW.** The department may analyze a financial statement
14 submitted under this section and may reject a financial statement that fails to
15 comply with this section.

16 **126.14 Contributing grain dealers; disqualification. (1) CONTRIBUTION**
17 **REQUIRED.** A grain dealer who is required to be licensed under s. 126.11 (1) shall pay
18 fund assessments under s. 126.15 unless the grain dealer is disqualified under sub.
19 (2). A grain dealer who is voluntarily licensed under s. 126.11 may pay voluntary
20 assessments under s. 126.15, unless the grain dealer is disqualified under sub. (2).

21 **(2) DISQUALIFIED GRAIN DEALER.** (a) A grain dealer who is required to file
22 security under s. 126.16 (1) (a) is disqualified from the fund until the department
23 determines that one of the conditions in s. 126.16 (8) (a) 1. and 2. is satisfied.

24 (b) A grain dealer is disqualified from the fund, and required to pay cash on
25 delivery for producer grain, if any of the following occurs:

- 1 1. The department denies, suspends, or revokes the grain dealer’s license.
- 2 2. The department issues a written notice disqualifying the grain dealer for
3 cause, including failure to pay fund assessments under s. 126.15 when due or failure
4 to file a financial statement under s. 126.13 when due.
- 5 3. The grain dealer fails to reimburse the department, within 60 days after the
6 department issues a reimbursement demand under s. 126.73 (1), for the full amount
7 that the department pays to claimants under s. 126.72 (1) because of that grain
8 dealer’s default.
- 9 4. The grain dealer fails to reimburse a bond surety, within 60 days after the
10 bond surety issues a reimbursement demand under s. 126.73 (2), for the full amount
11 that the surety pays to the department under s. 126.72 (2) or (3) for the benefit of
12 claimants affected by that grain dealer’s default.
- 13 **(3) PAYMENTS BY DISQUALIFIED GRAIN DEALER.** (a) The department may not return
14 to a disqualified grain dealer any fund assessments that the grain dealer paid as a
15 contributing grain dealer.
- 16 (b) A disqualified grain dealer remains liable for any unpaid fund installment
17 under s. 126.15 that became due while the grain dealer was a contributing grain
18 dealer. A disqualified grain dealer is not liable for any fund installment that becomes
19 due after the grain dealer is disqualified under sub. (2).
- 20 **126.15 Contributing grain dealers; fund assessments.** (1) GENERAL. A
21 contributing grain dealer shall pay an annual fund assessment for each license year.
22 The assessment equals \$20 or the sum of the following, whichever is greater, unless
23 the department by rule specifies a different assessment:
- 24 (a) The grain dealer’s current ratio assessment. The current ratio assessment
25 for a license year equals the grain dealer’s current ratio assessment rate under sub.

1 (2) multiplied by the amount reported under s. 126.11 (9) (a) in the grain dealer's
2 license application for that license year.

3 (b) The grain dealer's debt to equity ratio assessment. The debt to equity ratio
4 assessment for a license year equals the grain dealer's debt to equity ratio
5 assessment rate under sub. (4) multiplied by the amount reported under s. 126.11
6 (9) (a) in the grain dealer's license application for that license year.

7 (c) The grain dealer's deferred payment assessment. The deferred payment
8 assessment for a license year equals the grain dealer's deferred payment assessment
9 rate under sub. (6) multiplied by the payment amount, if any, that the grain dealer
10 reports under s. 126.11 (9) (b) in the grain dealer's license application for that license
11 year.

12 **(2) CURRENT RATIO ASSESSMENT RATE.** A grain dealer's current ratio assessment
13 rate is calculated, at the beginning of the license year, as follows:

14 (a) If the grain dealer has filed an annual financial statement under s. 126.13
15 and that financial statement shows a current ratio of at least 1.25 to 1.0, the grain
16 dealer's current ratio assessment rate equals the greater of zero or the current ratio
17 assessment factor in sub. (3) (a) multiplied by the following amount:

- 18 1. Subtract one from the current ratio.
- 19 2. Divide the amount determined under subd. 1. by 3.
- 20 3. Multiply the amount determined under subd. 2. by negative one.
- 21 4. Raise the amount determined under subd. 3. to the 3rd power.
- 22 5. Subtract 0.75 from the current ratio.
- 23 6. Divide 0.65 by the amount determined under subd. 5.
- 24 7. Raise the amount determined under subd. 6. to the 5th power.

1 8. Add the amount determined under subd. 4. to the amount determined under
2 subd. 7.

3 9. Add 2 to the amount determined under subd. 8.

4 (b) If the grain dealer has filed an annual financial statement under s. 126.13
5 and that financial statement shows a current ratio of less than 1.25 to 1.0, but greater
6 than 1.0 to 1.0, the grain dealer's current ratio assessment rate equals the current
7 ratio assessment factor in sub. (3) (b) multiplied by the following amount:

8 1. Subtract one from the current ratio.

9 2. Divide the amount determined under subd. 1. by 3.

10 3. Multiply the amount determined under subd. 2. by negative one.

11 4. Raise the amount determined under subd. 3. to the 3rd power.

12 5. Subtract 0.75 from the current ratio.

13 6. Divide 0.65 by the amount determined under subd. 5.

14 7. Raise the amount determined under subd. 6. to the 5th power.

15 8. Add the amount determined under subd. 4. to the amount determined under
16 subd. 7.

17 9. Add 2 to the amount determined under subd. 8.

18 (c) If the grain dealer has filed an annual financial statement under s. 126.13
19 and that financial statement shows a current ratio of less than or equal to 1.0 to 1.0,
20 the grain dealer's current ratio assessment rate equals the current ratio assessment
21 factor in sub. (3) (b) multiplied by 120.81376.

22 (d) Except as provided in par. (e), if the grain dealer has not filed an annual
23 financial statement under s. 126.13, the grain dealer's current ratio assessment rate
24 equals the current ratio assessment factor in sub. (3) (b) multiplied by 5.71235.

1 (e) If the grain dealer has not filed an annual financial statement under s.
2 126.13 and the grain dealer procures grain in this state solely as a producer agent,
3 the grain dealer's current ratio assessment rate is 0.00025, except that, for the grain
4 dealer's 5th or higher consecutive full license year of participation in the fund, the
5 grain dealer's current ratio assessment rate is 0.000175.

6 **(3) CURRENT RATIO ASSESSMENT FACTOR.** (a) A grain dealer's current ratio
7 assessment factor under sub. (2) (a) is 0.00003 except that, for the grain dealer's 5th
8 or higher consecutive full license year as a contributing grain dealer, the grain
9 dealer's current ratio assessment factor is zero.

10 (b) A grain dealer's current ratio assessment factor under sub. (2) (b) to (d) is
11 0.000045 except that, for the grain dealer's 5th or higher consecutive full license year
12 as a contributing grain dealer, the grain dealer's current ratio assessment factor is
13 0.000036.

14 **(4) DEBT TO EQUITY ASSESSMENT RATE.** A grain dealer's debt to equity ratio
15 assessment rate is calculated, at the beginning of the license year, as follows:

16 (a) If the grain dealer has filed an annual financial statement under s. 126.13
17 and that financial statement shows positive equity and a debt to equity ratio of not
18 more than 4.0 to 1.0, the grain dealer's debt to equity ratio assessment rate equals
19 the greater of zero or the debt to equity ratio assessment factor in sub. (5) (a)
20 multiplied by the following amount:

- 21 1. Subtract 4 from the debt to equity ratio.
- 22 2. Divide the amount determined under subd. 1. by 3.
- 23 3. Raise the amount determined under subd. 2. to the 3rd power.
- 24 4. Subtract 1.7 from the debt to equity ratio.
- 25 5. Divide the amount determined under subd. 4. by 1.75.

- 1 6. Raise the amount determined under subd. 5. to the 7th power.
- 2 7. Add the amount determined under subd. 3. to the amount determined under
3 subd. 6.
- 4 8. Add 2 to the amount determined under subd. 7.
- 5 (b) If the grain dealer has filed an annual financial statement under s. 126.13
6 and that financial statement shows a debt to equity ratio of greater than 4.0 to 1.0,
7 but less than 5.0 to 1.0, the grain dealer's debt to equity ratio assessment rate equals
8 the debt to equity ratio assessment factor in sub. (5) (b) multiplied by the following
9 amount:
- 10 1. Subtract 4 from the debt to equity ratio.
- 11 2. Divide the amount determined under subd. 1. by 3.
- 12 3. Raise the amount determined under subd. 2. to the 3rd power.
- 13 4. Subtract 1.7 from the debt to equity ratio.
- 14 5. Divide the amount determined under subd. 4. by 1.75.
- 15 6. Raise the amount determined under subd. 5. to the 7th power.
- 16 7. Add the amount determined under subd. 3. to the amount determined under
17 subd. 6.
- 18 8. Add 2 to the amount determined under subd. 7.
- 19 (c) If the grain dealer has filed an annual financial statement under s. 126.13
20 and that financial statement shows negative equity or a debt to equity ratio of at least
21 5.0 to 1.0, the grain dealer's debt to equity ratio assessment rate equals the debt to
22 equity ratio assessment factor in sub. (5) (b) multiplied by 86.8244.
- 23 (d) Except as provided in par. (e), if the grain dealer has not filed an annual
24 financial statement under s. 126.13, the grain dealer's debt to equity ratio

1 assessment rate equals the debt to equity ratio assessment factor in sub. (5) (b)
2 multiplied by 8.77374.

3 (e) If the grain dealer has not filed an annual financial statement under s.
4 126.13 and the grain dealer procures grain in this state solely as a producer agent,
5 the grain dealer's debt to equity ratio assessment rate is 0.00025, except that it is
6 0.000175 for the grain dealer's 5th or higher consecutive full license year of
7 participation in the fund.

8 **(5) DEBT TO EQUITY RATIO ASSESSMENT FACTOR.** (a) A grain dealer's debt to equity
9 ratio assessment factor under sub. (4) (a) is 0.0000125, except that it is zero for the
10 grain dealer's 5th or higher consecutive full license year as a contributing grain
11 dealer.

12 (b) A grain dealer's debt to equity ratio assessment factor under sub. (4) (b) to
13 (d) is 0.00001875, except that it is 0.000015 for the grain dealer's 5th or higher
14 consecutive full license year as a contributing grain dealer.

15 **(6) DEFERRED PAYMENT ASSESSMENT RATE.** A grain dealer's deferred payment
16 assessment rate is 0.0035, except that it is 0.002 for the grain dealer's 5th or higher

1 (b) A contributing grain dealer may prepay any of the quarterly installments
2 under par. (a).

3 (c) A contributing grain dealer who applies for an annual license after the
4 beginning of a license year shall pay the full annual fund assessment required under
5 this section. The grain dealer shall pay, with the first quarterly installment that
6 becomes due after the day on which the department issues the license, all of that
7 year's quarterly installments that became due before that day.

8 (d) A contributing grain dealer who fails to pay the full amount of any quarterly
9 installment when due shall pay, in addition to that installment, a late payment
10 penalty of \$50 or 10% of the overdue installment amount, whichever is greater.

11 **(8) NOTICE OF ANNUAL ASSESSMENT AND QUARTERLY INSTALLMENTS.** When the
12 department issues an annual license to a contributing grain dealer, the department
13 shall notify the grain dealer of all of the following:

14 (a) The amount of the grain dealer's annual fund assessment under this
15 section.

16 (b) The amount of each required quarterly installment under sub. (7) and the
17 date by which the grain dealer must pay each installment.

18 (c) The penalty that applies under sub. (7) (d) if the grain dealer fails to pay any
19 quarterly installment when due.

20 **126.16 Grain dealers; security. (1) SECURITY REQUIRED.** (a) A grain dealer
21 shall file security with the department, and maintain that security until the
22 department releases it under sub. (8) (a), if all of the following apply when the
23 department first licenses the grain dealer under s. 126.11:

24 1. The grain dealer reports more than \$500,000 in grain payments under s.
25 126.11 (9) (a).

3 (b) A grain dealer who reports any deferred payment contract obligations under
4 s. 126.11 (9) (c) or 126.13 (1) (d) shall file security with the department, and maintain

18 to the sum of the following:

19 (a) An amount equal to 35% of the grain dealer's average monthly payment for
20 the 3 months, during the preceding 12 months, in which the grain dealer made the

23 (b) The grain dealer's highest total, at any time during the preceding 12
24 months, of unpaid obligations for producer grain procured in this state under

13 4. The surety bond is issued in a form, and subject to any terms and conditions,
14 that the department considers appropriate.

15 (c) A certificate of deposit or money market certificate if all of the following
16 apply:

17 1. The certificate is issued or endorsed to the department for the benefit of grain
18 producers and producer agents who deliver grain to the grain dealer.

19 2. The certificate may not be canceled or redeemed without the department's

22 without the department's written permission.

24 5. The certificate is issued in a form, and subject to any terms and conditions,
25 that the department considers appropriate.

1 (d) An irrevocable bank letter of credit if all of the following apply:

2 1. The letter of credit is payable to the department for the benefit of grain
3 producers and producer agents.

4 2. The letter of credit is issued on bank letterhead.

5 3. The letter of credit is issued for an initial period of at least one year.

6 4. The letter of credit renews automatically unless at least 90 days before the
7 scheduled renewal date the issuing bank gives the department written notice, in
8 person or by certified mail, that the letter of credit will not be renewed.

9 5. The letter of credit is issued in a form, and subject to any terms and
10 conditions, that the department considers appropriate.

11 (e) Security filed under ch. 127, 1999 stats., before September 1, 2002, except

13 that is not approvable under pars. (a) to (d).

14 **(5) DEPARTMENT CUSTODY OF SECURITY.** The department shall hold, in its custody,
15 all security filed and maintained under this section. The department shall hold the
16 security for the benefit of grain producers and producer agents who deliver grain to
17 a grain dealer.

18 **(6) MONTHLY REPORTS.** A grain dealer who is required to file or maintain
19 security under this section shall file monthly reports with the department. The grain
20 dealer shall file a report on or before the 10th day of each month, in a form specified
21 by the department. In a monthly report, a grain dealer shall provide information
22 reasonably required by the department, including all of the following:

23 (a) The grain dealer's average monthly payment for the 3 months, during the
24 preceding 12 months, in which the grain dealer made the largest monthly payments
25 for producer grain procured in this state.

1 (b) The grain dealer’s highest total unpaid obligations, at any time during the
2 preceding 12 months, for producer grain procured in this state under deferred
3 payment contracts. If the amount owed on deferred price contracts has not yet been
4 determined, the grain dealer shall estimate the amount based on contract terms and
5 prevailing market prices on the last day of the previous month.

6 **(7) ADDITIONAL SECURITY.** (a) The department may, at any time, demand
7 additional security from a grain dealer if any of the following applies:

8 1. The grain dealer’s existing security falls below the amount required under
9 sub. (3) for any reason, including depreciation in the value of the security filed with
10 the department, an increase in grain payments or grain prices, or the cancellation
11 of any security filed with the department.

12 2. The grain dealer fails to provide required information that is relevant to a
13 determination of security requirements.

14 (b) The department shall issue a demand under par. (a) in writing. The
15 department shall indicate why the security is required, the amount of security
16 required, and the deadline date for filing security. The department may not specify
17 a deadline for filing security that is more than 30 days after the date on which the
18 department issues its demand for security.

19 (c) A grain dealer may request a hearing, under ch. 227, on a demand for
20 security under par. (b). A request for hearing does not automatically stay a security
21 demand.

22 (d) If a grain dealer fails to comply with the department’s demand for security
23 under this subsection, the grain dealer shall give written notice of that fact to all
24 grain producers and producer agents from whom the grain dealer procures producer
25 grain in this state. If the grain dealer fails to give accurate notice under this

1 paragraph within 5 days after the deadline for filing security under par. (b) has
2 passed, the department shall promptly notify those grain producers and producer
3 agents by publishing a class 3 notice under ch. 985. The department may also give
4 individual notice to those grain producers or producer agents of whom the
5 department is aware.

6 (e) If a grain dealer fails to comply with the department's demand for security
7 under this subsection, the department may do any of the following:

9 from procuring producer grain or requires the grain dealer to pay cash on delivery
10 for all producer grain.

11 2. Suspend or revoke the grain dealer's license.

12 **(8) RELEASING SECURITY.** (a) The department may release security filed under
13 sub. (1) (a), except for any amount of security that the grain dealer is required to file
14 because sub. (1) (b) applies to the grain dealer, if any of the following applies:

15 1. The grain dealer reports, for at least 2 consecutive years, no more than
16 \$500,000 in annual grain payments under s. 126.11 (9) (a) and the grain dealer pays
17 the quarterly fund assessment that would have been required of the grain dealer if
18 the grain dealer had been a contributing grain dealer on the most recent quarterly
19 installment date under s. 126.15 (7).

20 2. The grain dealer's annual financial statement under s. 126.13 shows positive
21 equity for at least 2 consecutive years and the grain dealer pays the quarterly fund
22 assessment that would have been required of the grain dealer if the grain dealer had
23 been a contributing grain dealer on the most recent quarterly installment date under
24 s. 126.15 (7).

1 (b) The department may release security filed under sub. (1) (b), except for any
2 amount of security that the grain dealer is required to file because sub. (1) (a) applies
3 to the grain dealer, if any of the following applies:

4 1. The grain dealer has not had any deferred payment contract obligations
5 since the beginning of the grain dealer's last completed fiscal year.

6 2. The grain dealer files 2 consecutive annual financial statements under s.
7 126.13 showing that the grain dealer meets the applicable equity requirement and
8 debt to equity ratio under sub. (1) (b).

9 (c) On December 1, 2002, the department may release security maintained
10 under sub. (2), unless the grain dealer is required to file security under sub. (1).

11 (d) The department may release security to the extent that the security exceeds
12 the amount required under sub. (3).

13 (e) The department may release security if the grain dealer files alternative
14 security, of equivalent value, that the department approves.

15 (f) The department shall release security if the grain dealer is no longer in
16 business and has paid all grain obligations in full.

17 **126.17 Grain dealers; records. (1) RECORDS AND ACCOUNTS; GENERAL.** A grain
18 dealer shall keep records and accounts of all grain procured and all grain sold or
19 marketed by the grain dealer. A grain dealer shall keep records that are complete,
20 accurate, current, well-organized, and accessible, so that the grain dealer and the
21 department can readily determine all of the following:

22 (a) The kinds and amounts of grain procured, the procurement dates, the
23 procurement terms, and the persons from whom the grain dealer procured the grain.

1 (b) The kinds and amounts of grain sold or marketed, the sale or marketing
2 dates, the sale or marketing terms, and the persons to whom the grain dealer sold
3 or marketed the grain.

4 (c) The kinds and amounts of grain, received from others, that the grain dealer
5 has used for feed, seed, milling, manufacturing, processing, or other purposes.

8 and the kinds and amounts of grain held for others.

9 (e) The nature and amount of the grain dealer's obligations to grain producers
10 and producer agents, including obligations under deferred payment contracts. The
11 grain dealer shall keep a daily record of obligations under priced contracts and a
12 separate daily record of obligations under deferred price contracts that have not yet
13 been priced.

14 (f) The nature and amount of the grain dealer's obligations to depositors, as
15 defined in s. 126.25 (5), under agreements for the storage of grain, if any.

16 (g) The grain dealer's accounts receivable from the sale or marketing of grain,
17 including the names of the account debtors, the amount receivable from each account
18 debtor, and the dates on which payment is due.

19 **(2) RECORDS OF GRAIN PROCURED.** A grain dealer shall keep records all of the
20 following related to each shipment of grain procured by the grain dealer:

22 (b) The grade and quality of the grain if determined.

23 (c) The date on which the grain dealer procured the grain.

24 (d) The name and address of the person from whom the grain dealer procured
25 the grain.

1 (e) Whether the grain dealer purchased the grain, holds it under an agreement
2 for storage, or is marketing the grain as a producer agent.

3 (f) The terms of purchase, storage, or marketing.

4 (g) If the grain dealer procured the grain under a deferred payment contract,
5 the terms of that contract.

6 **(3) RECORDS RETENTION; INSPECTION.** (a) A grain dealer shall keep copies of all
7 of the following records for at least 6 years after the records are created:

8 1. Records required under this section and s. 126.18 (2).

9 2. Records that the grain dealer was required to keep, under ch. 127, 1999
10 stats., and department rules, before September 1, 2002.

11 (b) A grain dealer shall make records required under this section available to
12 the department for inspection and copying upon request.

13 **126.18 Grain dealers; receipts for grain.** (1) REQUIREMENT. Whenever a
14 grain dealer receives grain from any person, the grain dealer shall immediately give
15 that person a written receipt for the grain that includes all of the following:

16 (a) The name of the grain dealer and a statement indicating whether the grain
17 dealer is a corporation.

18 (b) A permanent business address at which the holder of the receipt can readily
19 contact the grain dealer.

20 (c) A statement identifying the document as a receipt for grain.

21 (d) The date on which the grain dealer received the grain.

22 (e) The kind of grain received.

23 (f) The net weight of grain received or, if the grain dealer receives the grain at
24 the grain producer's farm, the approximate net weight of the grain.

25 (g) The grade and quality of the grain, if determined.

1 (h) A statement identifying the receipt as a purchase receipt, storage receipt,
2 or receipt for grain marketed by the grain dealer as a producer agent.

3 (i) The grain dealer's promise to pay the total amount due for grain, less any
4 discounts that may apply, within 7 calendar days after the date of receipt of the grain.
5 This requirement does not apply if any of the following applies:

6 1. The grain dealer pays cash on delivery.

7 2. The grain dealer receives the grain under a deferred payment contract that
8 complies with s. 126.19.

9 3. The receipt is clearly identified as a storage receipt.

10 **(1m)** EFFECT OF FAILURE TO IDENTIFY RECEIPT. A receipt not clearly identified
11 under sub. (1) (h) is considered a purchase receipt except that, if the grain dealer also
12 operates as a grain warehouse keeper, as defined in s. 126.25 (9), under the same
13 name, a receipt not clearly identified is considered a storage receipt.

14 **(2)** GRAIN DEALER'S COPIES. A grain dealer shall keep copies of all receipts issued
15 under sub. (1).

16 **126.19 Grain dealers; deferred payment contracts. (1)** CONTRACT IN
17 WRITING. A grain dealer may not procure grain from any grain producer or producer
18 agent under a deferred payment contract before the contract is reduced to writing
19 and signed by the parties. The grain dealer shall provide a copy of the signed contract
20 to the other party.

21 **(2)** CONTENTS OF CONTRACT. A grain dealer may not enter into a deferred
22 payment contract unless the deferred payment contract includes all of the following:

23 (a) A unique contract identification number.

1 (b) The type, weight, grade, and quality of grain procured and a statement that
2 price adjustments may apply if delivered grain varies in grade or quality from that
3 identified in the contract.

4 (c) The price for the grain or, in a deferred price contract, the method and
5 deadline by which the price will be determined.

6 (d) The date by which the grain dealer agrees to make full payment for the
7 grain, which may not be more than 180 days after the date on which the contract price
8 is established or more than 180 days after the date on which the grain dealer takes
9 custody or control of the grain, whichever is later.

10 (dm) If the contract is a deferred price contract, a pricing deadline that is not
11 more than one year after the date on which the grain dealer takes custody or control
12 of the grain.

13 (e) The grain dealer's permanent business location.

14 (f) Other information required under this section.

15 **(3) PAYMENT AND PRICING DEADLINES.** (a) A grain dealer shall make full payment
16 under a deferred payment contract by the deadline date specified in the contract.

17 (b) The parties may not extend a payment or pricing deadline under sub. (2)
18 (d) or (dm), except that they may sign a new contract that extends either deadline
19 or both deadlines for up to 180 days if the new contract refers to the contract number
20 of the original contract.

21 **(4) REQUIRED NOTICE.** A grain dealer may not enter into a deferred payment
22 contract unless the deferred payment contract clearly discloses that it is not a storage
23 contract. Whenever a grain dealer buys grain from a grain producer under a deferred
24 payment contract, the grain dealer shall include the following statement in
25 capitalized, boldface print immediately above the contract signature line: "This is

1 not a storage contract. The grain dealer (buyer) becomes the owner of any grain that
2 the producer (seller) delivers to the grain dealer under this contract. The producer
3 relinquishes ownership and control of the grain, and becomes an unsecured creditor
4 pending payment.”

5 (5) DEFERRED PAYMENT CONTRACT ASSESSMENT. From the amount that a grain
6 dealer pays to a grain producer or producer agent under a deferred payment contract,
7 the grain dealer shall deduct a deferred payment contract assessment. The
8 assessment shall equal the total amount owed under the contract before the
9 assessment is deducted, multiplied by the deferred payment assessment rate that
10 applies under s. 126.15 (6) when the contract is made. The grain dealer shall disclose
11 the assessment amount or, if the contract is a deferred price contract, the method by
12 which the assessment amount will be determined, in the written contract under sub.
13 (1).

14 **126.20 Grain dealers; business practices. (1) GRAIN WEIGHT, GRADE, AND**
15 **QUALITY.** A grain dealer shall do all of the following when determining the weight,
16 grade, or quality of grain:

17 (a) Accurately determine the weight, grade, or quality using accurate weighing,
18 testing, or grading equipment.

19 (b) Accurately record the determined weight, grade, or quality.

20 (2) TIMELY PAYMENT TO PRODUCERS. A grain dealer shall pay for grain when
21 payment is due. A grain dealer may not make payment by nonnegotiable check or
22 note or by check drawn on an account containing insufficient funds.

23 (3) PERMANENT BUSINESS LOCATION. A grain dealer licensed under s. 126.11 shall
24 do all of the following:

1 (a) Maintain a permanent business address at which grain producers may
2 readily contact the grain dealer during business hours.

3 (b) On each day that the Chicago Board of Trade is open for trading, keep
4 business hours that start no later than 9 a.m. and end no earlier than 2:30 p.m.

5 (c) Prominently post the grain dealer's business hours at each of the grain
6 dealer's business locations in this state.

7 **(4) PROHIBITED PRACTICES.** No grain dealer may do any of the following:

8 (a) Misrepresent the weight, grade, or quality of grain received from or
9 delivered to any person.

10 (b) Falsify any record or account, or conspire with any other person to falsify
11 a record or account.

12 (c) Make any false or misleading representation to the department.

13 (d) If the grain dealer is licensed under s. 126.11, engage in any activity that
14 is inconsistent with a representation made in the grain dealer's annual license
15 application.

16 (e) Make any false or misleading representation to a grain producer or producer
17 agent related to any matters regulated under this chapter.

18 (f) Fail to file the full amount of security required under s. 126.16 (7) by the date
19 that the department specifies.

20 **126.21 Grain producer obligations. (1) DELIVERY PER CONTRACT.** No grain
21 producer or producer agent who contracts to sell and deliver grain to a grain dealer
22 at an agreed price may wrongfully refuse to deliver that grain according to the
23 contract.

24 **(2) DISCLOSURE OF LIENS AND SECURITY INTERESTS.** A grain dealer procuring grain
25 from a grain producer or producer agent may require the grain producer or producer

1 agent to disclose any liens or security interests that apply to the grain. The grain
2 dealer may require the disclosure in writing. The grain dealer may require the grain
3 producer or producer agent to specify the nature and amount of each lien or security
4 interest and the identity of the person holding that lien or security interest. No grain
5 producer may falsify or fraudulently withhold information required under this
6 subsection in order to sell grain.

7 SUBCHAPTER IV

8 GRAIN WAREHOUSE KEEPERS

9 **126.25 Definitions.** In this subchapter:

10 (1) “Capacity” means the maximum amount of grain, measured in bushels,
11 that can be stored in a grain warehouse. The capacity of a grain warehouse is
12 determined by dividing the cubic volume of all bins, expressed in cubic feet, by 1.244
13 cubic feet per bushel, and applying a pack factor that the department specifies by
14 rule.

15 (2) “Contributing grain warehouse keeper” means a grain warehouse keeper
16 who is licensed under s. 126.26, who either has paid one or more quarterly
17 installments under s. 126.30 (6) or is required to contribute to the fund, but the first
18 quarterly installment under s. 126.30 (6) is not yet due, and who is not disqualified
19 under s. 126.29 (2).

20 (3) “Current ratio” means the ratio of the value of current assets to the value
21 of current liabilities, calculated according to s. 126.28 (6) (c) 1.

22 (4) “Debt to equity ratio” means the ratio of the value of liabilities to equity,
23 calculated according to s. 126.28 (6) (c) 2.

24 (5) “Depositor” means any of the following:

1 (a) A person who delivers grain to a grain warehouse keeper for storage,
2 conditioning, shipping, or handling, without transferring ownership to the
3 warehouse keeper.

4 (b) A person who owns or legally holds a warehouse receipt or other document
5 that is issued by a grain warehouse keeper and that entitles the person to receive
6 stored grain.

7 **(6)** “Disqualified grain warehouse keeper” means a grain warehouse keeper
8 who is disqualified from the fund under s. 126.29 (2).

9 **(8)** “Grain warehouse” means a facility in this state that is used to receive,
10 store, or condition grain for others or that is used in the shipment of grain for others,
11 except that “grain warehouse” does not include a transport vehicle.

12 **(9)** “Grain warehouse keeper” means a person who operates one or more grain
13 warehouses in this state to receive, store, condition, or ship grain for others, except
14 that “grain warehouse keeper” does not include a person licensed under the United
15 States Warehouse Act, 7 USC 241 to 271.

16 **(9m)** “License year” means the period beginning on September 1 and ending
17 on the following August 31.

18 **(11)** “Warehouse receipt” means a receipt for grain, issued by a grain
19 warehouse keeper, that is also a document of title under s. 401.201 (15).

20 **126.26 Grain warehouse keepers; licensing. (1) LICENSE REQUIRED.** (a)
21 No grain warehouse keeper may hold at any time more than 50,000 bushels of grain
22 for others without a current annual license from the department. A grain warehouse
23 keeper who has grain warehouses with a combined capacity of more than 50,000
24 bushels shall obtain a license unless the grain warehouse keeper proves to the

1 department that the grain warehouse keeper holds no more than 50,000 bushels of
2 grain for others at any time.

3 (b) A license under par. (a) expires on the August 31 following its issuance. No
4 person may transfer or assign a license issued under par. (a).

5 (2) LICENSE APPLICATION. A person shall apply for a grain warehouse keeper
6 license in writing, on a form provided by the department. The applicant shall provide
7 all of the following:

8 (a) The applicant's legal name and any trade name under which the applicant
9 proposes to operate as a grain warehouse keeper.

10 (b) A statement of whether the applicant is an individual, corporation,
11 partnership, cooperative, limited liability company, trust, or other legal entity. If the
12 applicant is a corporation or cooperative, the applicant shall identify each officer of
13 the corporation or cooperative. If the applicant is a partnership, the applicant shall
14 identify each partner.

15 (c) The mailing address of the applicant's primary business location and the
16 name of a responsible individual who may be contacted at that location.

19 who may be contacted at each warehouse.

20 (e) The combined capacity of all grain warehouses identified under par. (d).

21 (f) All license fees and surcharges required under sub. (3).

22 (g) Proof that the applicant is insured as required under s. 126.27, unless the
23 applicant has previously filed proof that remains current. The proof may consist of
24 a certification provided by an insurance company licensed to do business in this
25 state.

1 (h) A financial statement if required under s. 126.28 (1) and not yet filed.

2 (i) Other relevant information required by the department.

3 **(3) LICENSE FEES AND SURCHARGES.** A person applying for a grain warehouse
4 keeper license shall pay the following fees and surcharges, unless the department
5 specifies a different fee or surcharge amount by rule:

6 (a) A nonrefundable license processing fee of \$25 plus \$25 for each grain
7 warehouse identified under sub. (2) (d). If a grain warehouse keeper operates 2 or
8 more grain warehouses located within 0.5 mile of each other, the grain warehouse
9 keeper may treat those grain warehouses as a single grain warehouse for purposes
10 of this paragraph and par. (c).

11 (b) The following inspection fee, less any credit provided under sub. (5):

12 1. A fee of \$500 if the combined capacity of the applicant's grain warehouses
13 is less than 150,000 bushels.

14 2. A fee of \$550 if the combined capacity of the applicant's grain warehouses
15 is at least 150,000 bushels but less than 250,000 bushels.

16 3. A fee of \$600 if the combined capacity of the applicant's grain warehouses
17 is at least 250,000 bushels but less than 500,000 bushels.

18 4. A fee of \$650 if the combined capacity of the applicant's grain warehouses
19 is at least 500,000 bushels but less than 750,000 bushels.

20 5. A fee of \$700 if the combined capacity of the applicant's grain warehouses
21 is at least 750,000 bushels but less than 1,000,000 bushels.

22 6. A fee of \$800 if the combined capacity of the applicant's grain warehouses
23 is at least 1,000,000 bushels but less than 2,000,000 bushels.

24 7. A fee of \$900 if the combined capacity of the applicant's grain warehouses
25 is at least 2,000,000 bushels but less than 3,000,000 bushels.

1 8. A fee of \$1,000 if the combined capacity of the applicant's grain warehouses
2 is at least 3,000,000 bushels but less than 4,000,000 bushels.

3 9. A fee of \$1,100 if the combined capacity of the applicant's grain warehouses
4 is 4,000,000 bushels or more.

5 (c) A supplementary inspection fee of \$275 for each grain warehouse that the
6 applicant operates in excess of one grain warehouse.

7 (d) A license surcharge of \$500 if the department determines that, within 365
8 days before submitting the license application, the applicant operated as a grain
9 warehouse keeper without a license in violation of sub. (1). The applicant shall also
10 pay any license fees, license surcharges, and fund assessments that are still due for
11 the license year in which the applicant violated sub. (1).

12 (e) A license surcharge of \$100 if during the preceding 12 months the applicant
13 failed to file an annual financial statement required under s. 126.28 (1) (b) by the
14 applicable deadline.

15 (f) A license surcharge of \$100 if a renewal applicant fails to renew a license
16 by the license expiration date of August 31.

17 **(3m)** EFFECT OF PAYMENT OF SURCHARGE. Payment under sub. (3) (d) does not
18 relieve the applicant of any other civil or criminal liability that results from the
19 violation of sub. (1), but does not constitute evidence of any law violation.

20 **(4)** LICENSE FOR PART OF YEAR; FEES. A person who applies for an annual grain
21 warehouse keeper license after the beginning of a license year shall pay the full
22 annual fee amounts required under sub. (3).

23 **(5)** FEE CREDIT. If the fund balance contributed by grain warehouse keepers
24 exceeds \$300,000 on June 30 of any license year, the department shall credit 12.5%
25 of the excess amount against fees charged under sub. (3) (b) to contributing grain

1 warehouse keepers who file timely license renewal applications for the next license
2 year. The department shall credit each contributing grain warehouse keeper on a
3 prorated basis, in proportion to the total fees that the warehouse keeper has paid
4 under sub. (3) (b) for the 4 preceding license years.

5 **(6) FEE STATEMENT.** The department shall provide, with each license application
6 form, a written statement of all license fees and surcharges required under sub. (3)
7 or the formula for determining them. The department shall specify any fee credit for
8 which the applicant may qualify under sub. (5).

9 **(7) NO LICENSE WITHOUT FULL PAYMENT.** The department may not grant a license
10 under sub. (1) until the applicant pays all license fees and surcharges identified in
11 the department's statement under sub. (6). The department shall refund a fee or
12 surcharge paid under protest if upon review the department determines that the fee
13 or surcharge is not applicable.

14 **(8) ACTION GRANTING OR DENYING APPLICATION.** The department shall grant or
15 deny a license application under sub. (2) within 30 days after the department
16 receives a complete application. If the department denies a license application, the
17 department shall give the applicant a written notice stating the reasons for the
18 denial.

19 **(9) LICENSE DISPLAYED.** A grain warehouse keeper who is required to hold a
20 license under sub. (1) shall prominently display a copy of that license at each grain
21 warehouse.

22 **(10) NOTIFICATION.** A licensed warehouse keeper shall notify the department,
23 in writing, before the warehouse keeper adds a grain warehouse or changes the
24 location or capacity of any grain warehouse. In the notice, the grain warehouse
25 keeper shall specify any change in the combined capacity of grain warehouses

1 operated by the grain warehouse keeper resulting from the proposed addition or
2 change.

3 **126.27 Grain warehouse keepers; insurance. (1) FIRE AND EXTENDED**
4 **COVERAGE INSURANCE.** A grain warehouse keeper licensed under s. 126.26 (1) shall
5 maintain fire and extended coverage insurance, issued by an insurance company
6 authorized to do business in this state, that covers all grain in the custody of the grain
7 warehouse keeper, whether owned by the grain warehouse keeper or held for others,
8 at the full local market value of the grain.

9 **(2) INSURANCE CANCELLATION; REPLACEMENT.** (a) No person may cancel an
10 insurance policy required under sub. (1) unless that person serves a written notice
11 of the intended cancellation on the department at least 30 days before the
12 cancellation takes effect.

13 (b) Whenever an insurance policy under sub. (1) is canceled, the grain
14 warehouse keeper shall replace the policy so that there is no lapse in coverage.
15 Within 20 days after a cancellation notice under par. (a) is served on the department,
16 and at least 10 days before the cancellation takes effect, the grain warehouse keeper
17 shall provide the department with proof of the replacement policy. The department
18 may accept, as proof, a certification provided by an insurance company licensed to
19 do business in this state.

20 **(3) INSURANCE DEDUCTIBLES.** An insurance policy does not comply with sub. (1)
21 if it contains any deductible clause that limits the insurer's obligation to pay to each
22 depositor the full value of the depositor's covered losses under the policy. The grain
23 warehouse keeper may agree to indemnify the insurer for a portion of each depositor
24 claim that the insurer pays under the policy if the agreement does not limit the

1 insurer's obligation to pay each depositor the full amount of the depositor's covered
2 losses.

3 **(4) INSURANCE DISCLOSURES.** A grain warehouse keeper licensed under s. 126.26
4 (1) shall disclose all of the following to a depositor if the depositor requests that
5 information:

6 (a) The material terms of the grain warehouse keeper's fire and extended
7 coverage insurance policy under sub. (1).

8 (b) Whether the grain warehouse keeper has liability insurance covering the
9 grain warehouse keeper's grain operations, and the material terms of that liability
10 insurance policy.

11 **(5) INSURANCE COVERAGE; MISREPRESENTATION.** No grain warehouse keeper may
12 misrepresent any of the following to the department or a depositor:

13 (a) That the grain warehouse keeper is insured.

14 (b) The nature, coverage, or material terms of the grain warehouse keeper's
15 insurance policy.

16 **126.28 Grain warehouse keepers; financial statements. (1) REQUIRED**
17 **ANNUAL FINANCIAL STATEMENT.** (a) A grain warehouse keeper shall file an annual
18 financial statement with the department before the department first licenses the
19 warehouse keeper under s. 126.26 (1), if the warehouse keeper operates grain
20 warehouses with a combined capacity of more than 300,000 bushels.

21 (b) A grain warehouse keeper licensed under s. 126.26 (1) shall file an annual
22 financial statement with the department during each license year if the grain
23 warehouse keeper operates warehouses with a combined capacity of more than
24 300,000 bushels. The grain warehouse keeper shall file the annual financial
25 statement by the 15th day of the 4th month following the close of the grain warehouse

1 keeper's fiscal year, except that the department may extend the annual filing
2 deadline for up to 30 days if the grain warehouse keeper, or the accountant reviewing
3 or auditing the financial statement, files a written extension request at least 10 days
4 before the filing deadline.

5 **(2) VOLUNTARY ANNUAL FINANCIAL STATEMENT.** A contributing grain warehouse
6 keeper who is not required to file an annual financial statement under sub. (1) may
7 file an annual financial statement with the department in order to qualify for a lower
8 fund assessment under s. 126.30.

9 **(3) REVIEWED OR AUDITED FINANCIAL STATEMENT.** (a) A grain warehouse keeper
10 filing an annual financial statement under sub. (1) or (2) shall file an audited
11 financial statement if the warehouse keeper operates grain warehouses with a
12 combined capacity of more than 500,000 bushels.

13 (b) If par. (a) does not apply, a grain warehouse keeper filing an annual financial
14 statement under sub. (1) or (2) shall file either a reviewed financial statement or an
15 audited financial statement.

16 **(4) ACCOUNTING PERIOD.** A grain warehouse keeper filing an annual financial
17 statement under sub. (1) or (2) shall file a financial statement that covers the grain
18 warehouse keeper's last completed fiscal year unless the grain warehouse keeper has
19 been in business for less than one year.

20 **(4m) INTERIM FINANCIAL STATEMENT.** The department may, at any time, require
21 a grain warehouse keeper licensed under s. 126.26 (1) to file an interim financial
22 statement with the department. The grain warehouse keeper shall provide, with the
23 interim financial statement, the warehouse keeper's sworn and notarized statement
24 that the financial statement is correct. An interim financial statement need not be
25 a reviewed financial statement or an audited financial statement.

1 **(5) GENERALLY ACCEPTED ACCOUNTING PRINCIPLES.** (a) Except as provided in par.
2 (b), a grain warehouse keeper filing an annual financial statement under this section
3 shall file a financial statement that is prepared according to generally accepted
4 accounting principles.

5 (b) If a grain warehouse keeper is a sole proprietor and the grain warehouse
6 keeper's financial statement is not audited, the grain warehouse keeper shall file a
7 financial statement that is prepared on a historical cost basis.

8 **(6) FINANCIAL STATEMENT CONTENTS.** (a) Except as provided in par. (b), a grain
9 warehouse keeper filing a financial statement under this section shall file a financial
10 statement that consists of a balance sheet, income statement, equity statement,
11 statement of cash flows, notes to those statements, and any other information
12 required by the department. A grain warehouse keeper who is a sole proprietor shall
13 file his or her business and personal financial statements.

14 (b) If a grain warehouse keeper has been in business for less than one year, the
15 grain warehouse keeper may file an annual financial statement under sub. (1) or (2)
16 that consists of a balance sheet and notes.

17 (c) A grain warehouse keeper filing a financial statement under this section
18 shall include in the financial statement, or in an attachment to the financial
19 statement, calculations of all of the following:

20 1. The grain warehouse keeper's current ratio, excluding any assets required
21 to be excluded under sub. (7).

22 2. The grain warehouse keeper's debt to equity ratio, excluding any assets
23 required to be excluded under sub. (7).

1 **(7) ASSETS EXCLUDED.** A grain warehouse keeper may not include any of the
2 following assets in calculating the ratios under sub. (6) (c), unless the department
3 specifically approves their inclusion:

4 (a) A nontrade note or account receivable from an officer, director, employee,
5 partner, or stockholder, or from a member of the family of any of those individuals,
6 unless the note or account receivable is secured by a first priority security interest
7 in real or personal property.

8 (b) A note or account receivable from a parent organization, a subsidiary, or an
9 affiliate other than an employee.

10 (c) A note or account that has been receivable for more than one year, unless
11 the grain warehouse keeper has established an equal offsetting reserve for
12 uncollectible notes and accounts receivable.

13 **(9) ENTITY COVERED.** A person filing a financial statement under this section
14 may not file, in lieu of that person's financial statement, the financial statement of
15 the person's parent organization, subsidiary, predecessor, or successor.

16 **(10) DEPARTMENT REVIEW.** The department may analyze a financial statement
17 submitted under this section and may reject a financial statement that fails to
18 comply with this section.

19 **126.29 Contributing grain warehouse keepers; disqualification. (1)**
20 CONTRIBUTION REQUIRED. A grain warehouse keeper licensed under s. 126.26 (1) shall
21 pay fund assessments under s. 126.30 unless the grain warehouse keeper is
22 disqualified under sub. (2).

23 **(2) DISQUALIFIED WAREHOUSE KEEPER.** (a) A grain warehouse keeper who is
24 required to file security under s. 126.31 (1) is disqualified from the fund until the
25 department releases that security under s. 126.31 (8) (a).

1 (b) A grain warehouse keeper is disqualified from the fund if the department
2 denies, suspends, or revokes the grain warehouse keeper's license.

3 **(3) PAYMENTS BY DISQUALIFIED GRAIN WAREHOUSE KEEPER.** (a) The department
4 may not return, to a disqualified grain warehouse keeper, any fund assessments that
5 the warehouse keeper paid as a contributing grain warehouse keeper.

6 (b) A disqualified grain warehouse keeper remains liable for any unpaid fund
7 installment under s. 126.30 that became due while the grain warehouse keeper was
8 a contributing grain warehouse keeper. A disqualified grain warehouse keeper is not
9 liable for any fund installment that becomes due after the grain warehouse keeper
10 is disqualified under sub. (2).

11 **126.30 Grain warehouse keepers; fund assessments. (1) GENERAL.** A
12 contributing grain warehouse keeper shall pay an annual fund assessment for each
13 license year. The assessment equals \$20 or the sum of the following, whichever is
14 greater, unless the department by rule specifies a different assessment:

15 (a) The grain warehouse keeper's current ratio assessment. The current ratio
16 assessment for a license year is the amount, expressed as dollars, equal to the grain
17 warehouse keeper's current ratio assessment rate under sub. (2) multiplied by the
18 number of bushels that the grain warehouse keeper reports under s. 126.26 (2) (e)
19 or (10).

20 (b) The warehouse keeper's debt to equity ratio assessment. The debt to equity
21 ratio assessment for each license year is the amount, expressed as dollars, equal to
22 the grain warehouse keeper's debt to equity ratio assessment rate under sub. (4)
23 multiplied by the number of bushels that the warehouse keeper reports under s.
24 126.26 (2) (e) or (10).

1 **(2) CURRENT RATIO ASSESSMENT RATE.** A grain warehouse keeper’s current ratio
2 assessment rate is calculated, at the beginning of the license year, as follows:

3 (a) If the grain warehouse keeper has filed an annual financial statement
4 under s. 126.28 and that financial statement shows a current ratio of at least 1.25
5 to 1.0, the grain warehouse keeper’s current ratio assessment rate equals the greater
6 of zero or the current ratio assessment factor in sub. (3) (a) multiplied by an amount
7 determined as follows:

8 1. Subtract one from the current ratio.

9 2. Divide the amount determined under subd. 1. by 3.

10 3. Multiply the amount determined under subd. 2. by negative one.

11 4. Raise the amount determined under subd. 3. to the 3rd power.

12 5. Subtract 0.75 from the current ratio.

13 6. Divide 0.65 by the amount determined under subd. 5.

14 7. Raise the amount determined under subd. 6. to the 5th power.

15 8. Add the amount determined under subd. 4. to the amount determined under
16 subd. 7.

17 9. Add 2 to the amount determined under subd. 8.

18 (b) If the grain warehouse keeper has filed an annual financial statement
19 under s. 126.28 and that financial statement shows a current ratio of less than 1.25
20 to 1.0, but greater than 1.0 to 1.0, the grain warehouse keeper’s current ratio
21 assessment rate equals the current ratio assessment factor in sub. (3) (b) multiplied
22 by the following amount:

23 1. Subtract one from the current ratio.

24 2. Divide the amount determined under subd. 1. by 3.

25 3. Multiply the amount determined under subd. 2. by negative one.

- 1 4. Raise the amount determined under subd. 3. to the 3rd power.
 - 2 5. Subtract 0.75 from the current ratio.
 - 3 6. Divide 0.65 by the amount determined under subd. 5.
 - 4 7. Raise the amount determined under subd. 6. to the 5th power.
 - 5 8. Add the amount determined under subd. 4. to the amount determined under
 - 6 subd. 7.
 - 7 9. Add 2 to the amount determined under subd. 8.
- 8 (c) If the grain warehouse keeper has filed an annual financial statement under
- 9 s. 126.28 and that financial statement shows a current ratio of less than or equal to
- 10 1.0 to 1.0, the warehouse keeper's current ratio assessment rate equals the current
- 11 ratio assessment factor in sub. (3) (b) multiplied by 120.81376.
- 12 (d) If the grain warehouse keeper has not filed an annual financial statement
- 13 under s. 126.28, the warehouse keeper's current ratio assessment rate equals the
- 14 current ratio assessment factor in sub. (3) (b) multiplied by 5.71235.
- 15 **(3) CURRENT RATIO ASSESSMENT FACTOR.** (a) A grain warehouse keeper's current
- 16 ratio assessment factor under sub. (2) (a) is 0.00003 except that, for the grain
- 17 warehouse keeper's 5th or higher consecutive full license year as a contributing grain
- 18 warehouse keeper, the grain warehouse keeper's current ratio assessment factor is
- 19 zero.
- 20 (b) A grain warehouse keeper's current ratio assessment factor under sub. (2)
- 21 (b) to (d) is 0.000045 except that, for the grain warehouse keeper's 5th or higher
- 22 consecutive full license year as a contributing grain warehouse keeper, the grain
- 23 warehouse keeper's current ratio assessment factor is 0.000036.

1 **(4) DEBT TO EQUITY RATIO ASSESSMENT RATE.** A grain warehouse keeper's debt to
2 equity ratio assessment rate is calculated, at the beginning of the license year, as
3 follows:

4 (a) If the grain warehouse keeper has filed an annual financial statement
5 under s. 126.28 and that financial statement shows positive equity and a debt to
6 equity ratio of not more than 4.0 to 1.0, the grain warehouse keeper's debt to equity
7 ratio assessment rate equals the greater of zero or the debt to equity ratio assessment
8 factor in sub. (5) (a) multiplied by the following amount:

- 9 1. Subtract 4 from the debt to equity ratio.
- 10 2. Divide the amount determined under subd. 1. by 3.
- 11 3. Raise the amount determined under subd. 2. to the 3rd power.
- 12 4. Subtract 1.7 from the debt to equity ratio.
- 13 5. Divide the amount determined under subd. 4. by 1.75.
- 14 6. Raise the amount determined under subd. 5. to the 7th power.
- 15 7. Add the amount determined under subd. 3. to the amount determined under
16 subd. 6.
- 17 8. Add 2 to the amount determined under subd. 7.

18 (b) If the grain warehouse keeper has filed an annual financial statement
19 under s. 126.28 and that financial statement shows a debt to equity ratio of greater
20 than 4.0 to 1.0 but less than 5.0 to 1.0, the grain warehouse keeper's debt to equity
21 ratio assessment rate equals the debt to equity ratio assessment factor in sub. (5) (b)
22 multiplied by the following amount:

- 23 1. Subtract 4 from the debt to equity ratio.
- 24 2. Divide the amount determined under subd. 1. by 3.
- 25 3. Raise the amount determined under subd. 2. to the 3rd power.

- 1 4. Subtract 1.7 from the debt to equity ratio.
- 2 5. Divide the amount determined under subd. 4. by 1.75.
- 3 6. Raise the amount determined under subd. 5. to the 7th power.
- 4 7. Add the amount determined under subd. 3. to the amount determined under
- 5 subd. 6.
- 6 8. Add 2 to the amount determined under subd. 7.
- 7 (c) If the grain warehouse keeper has filed an annual financial statement under
- 8 s. 126.28 and that financial statement shows negative equity or a debt to equity ratio
- 9 of at least 5.0 to 1.0, the grain warehouse keeper's debt to equity ratio assessment
- 10 rate equals the debt to equity ratio assessment factor in sub. (5) (b) multiplied by
- 11 86.8244.
- 12 (d) If the grain warehouse keeper has not filed an annual financial statement
- 13 under s. 126.28, the grain warehouse keeper's debt to equity ratio assessment rate
- 14 equals the debt to equity ratio assessment factor in sub. (5) (b) multiplied by 8.77374.
- 15 **(5) DEBT TO EQUITY RATIO ASSESSMENT FACTOR.** (a) A grain warehouse keeper's
- 16 debt to equity ratio assessment factor under sub. (4) (a) is 0.0000125, except that it
- 17 is zero for the grain warehouse keeper's 5th or higher consecutive full license year
- 18 as a contributing grain warehouse keeper.
- 19 (b) A grain warehouse keeper's debt to equity ratio assessment factor under
- 20 sub. (4) (b) to (d) is 0.00001875, except that it is 0.000015 for the grain warehouse
- 21 keeper's 5th or higher consecutive full license year as a contributing grain warehouse
- 22 keeper.
- 23 **(6) QUARTERLY INSTALLMENTS.** (a) A contributing grain warehouse keeper shall
- 24 pay the grain warehouse keeper's annual fund assessment in equal quarterly
- 25 installments that are due as follows:

1 1. The first installment is due on October 1 of the license year.

2 2. The 2nd installment is due on January 1 of the license year.

3 3. The 3rd installment is due on April 1 of the license year.

4 4. The 4th installment is due on July 1 of the license year.

5 (b) A contributing grain warehouse keeper may prepay any of the quarterly
6 installments under par. (a).

7 (c) A contributing grain warehouse keeper who applies for an annual license
8 after the beginning of a license year shall pay the full annual fund assessment
9 required under this section. The grain warehouse keeper shall pay, with the first
10 quarterly installment that becomes due after the day on which the department
11 issues the license, all of the quarterly installments that were due before that day.

12 (d) A contributing grain warehouse keeper who fails to pay the full amount of
13 any quarterly installment when due shall pay, in addition to that installment, a late
14 payment penalty of \$50 or 10% of the overdue installment amount, whichever is
15 greater.

16 **(7) NOTICE OF ANNUAL ASSESSMENT AND QUARTERLY INSTALLMENTS.** When the
17 department issues an annual license to a contributing grain warehouse keeper, the
18 department shall notify the grain warehouse keeper of all of the following:

19 (a) The amount of the grain warehouse keeper's annual fund assessment under
20 this section.

21 (b) The amount of each required quarterly installment under sub. (6), and the
22 date by which the grain warehouse keeper must pay each installment.

23 (c) The penalty that applies under sub. (6) (d) if the grain warehouse keeper
24 fails to pay any quarterly installment when due.

1 **126.31 Grain warehouse keepers; security. (1) SECURITY REQUIRED.** A
2 grain warehouse keeper shall file security with the department, and maintain that
3 security until the department releases it under sub. (8), if all of the following apply
4 when the department first licenses the grain warehouse keeper under s. 126.26 (1):

5 (a) The grain warehouse keeper operates grain warehouses with a combined
6 capacity of more than 300,000 bushels.

7 (b) The grain warehouse keeper's annual financial statement under s. 126.28
8 (1) (a) shows negative equity.

9 **(2) SECURITY CONTINUED.** A grain warehouse keeper who filed security under
10 ch. 127, 1999 stats., before September 1, 2002, shall maintain that security until the
11 department releases it under sub. (8).

12 **(3) AMOUNT OF SECURITY.** A grain warehouse keeper who is required to file or
13 maintain security under this section shall at all times maintain security equal to at
14 least 20% of the current local market value of grain that the grain warehouse keeper
15 holds in this state for others.

16 **(4) FORM OF SECURITY.** The department shall review, and determine whether
17 to approve, security filed or maintained under this section. The department may
18 approve only the following types of security:

19 (a) Currency.

20 (b) A commercial surety bond if all of the following apply:

21 1. The surety bond is made payable to the department for the benefit of

13 without the department's written permission.

14 4. The certificate renews automatically without any action by the department.

12 security, increased obligations to depositors, or the cancellation of any security filed
13 with the department.

14 2. The grain warehouse keeper fails to provide required information that is
15 relevant to a determination of security requirements.

16 (b) The department shall issue a demand under par. (a) in writing. The

20 the department issues its demand for security.

21 (c) A grain warehouse keeper may request a hearing, under ch. 227, on a
22 demand for security under par. (b). A request for hearing does not automatically stay
23 a security demand.

24 (d) If a grain warehouse keeper fails to comply with the department's demand
25 for security under this subsection, the grain warehouse keeper shall give written

1 notice of that fact to all depositors. If the grain warehouse keeper fails to give

14 shall provide information reasonably required by the department, including the
15 amount of each type of grain stored in each grain warehouse on the last day of the
16 preceding month.

17 **(8) RELEASING SECURITY.** (a) The department may release security filed under
18 sub. (1) if any of the following applies:

- 19 1. The grain warehouse keeper reports grain warehouse capacity under s.
20 126.26 (2) (e) of less than 300,000 bushels for at least 2 consecutive license years and

7 department:

8 1. Receive producer milk in this state.

9 2. Collect producer milk from a dairy farm in another state for direct shipment
10 to a dairy plant that the milk contractor operates in this state.

11 3. Acquire the right to market, as a producer agent, producer milk produced in
12 this state.

13 (b) A milk contractor who is not engaged in any activities under par. (a) may
14 volunteer to be licensed if the milk contractor receives, outside this state, direct
15 shipments of producer milk from dairy farms in this state.

16 (c) The department shall issue annual milk contractor licenses under pars. (a)
17 and (b). A license expires on the April 30 following its issuance. No person may
18 transfer or assign a license issued under par. (a) or (b).

19 **(2) LICENSE APPLICATION.** A milk contractor shall apply for a license under sub.
20 (1) in writing, on a form provided by the department. An applicant shall provide all
21 of the following:

22 (a) The applicant’s legal name and any trade name under which the applicant
23 proposes to operate as a milk contractor. If the milk contractor is a dairy plant
24 operator licensed under s. 97.20, the milk contractor shall use the same legal name
25 in both license applications.

1 (b) A statement of whether the applicant is an individual, corporation,
2 partnership, cooperative, limited liability company, trust, or other legal entity. If the
3 applicant is a corporation or cooperative, the applicant shall identify each officer of
4 the corporation or cooperative. If the applicant is a partnership, the applicant shall
5 identify each partner.

6 (c) The mailing address of the applicant's primary business location and the
7 name of a responsible individual who may be contacted at that location.

8 (d) The street address of each business location from which the applicant will
9 operate under the license and the name of a responsible person who may be contacted
10 at each location that is staffed.

11 (e) All license fees and surcharges required under sub. (3).

12 (f) The sworn and notarized statement required under sub. (6).

13 (g) A financial statement if required under s. 126.44 (1) and not yet filed.

15 **(3) ANNUAL LICENSE FEES AND SURCHARGES.** A milk contractor applying for a
16 license under sub. (1) shall include the following fees and surcharges with the license
17 application, unless the department specifies a different fee or surcharge amount by
18 rule:

19 (a) A nonrefundable license processing fee of \$25, regardless of whether
20 application is made after the beginning of a license year.

21 (b) A license surcharge of \$500 if the department determines that, within 365
22 days before submitting the license application, the applicant operated without a
23 license in violation of sub. (1). The applicant shall also pay any license fees, license
24 surcharges, and fund assessments that are still due for any license year in which the
25 applicant violated sub. (1).

1 (c) A license surcharge of \$100 if during the preceding 12 months the applicant
2 failed to file an annual financial statement required under s. 126.44 (1) (b) by the
3 applicable deadline.

4 (d) A license surcharge of \$100 if a renewal applicant fails to renew a license
5 by the license expiration date of April 30.

6 **(3m) EFFECT OF PAYMENT OF SURCHARGE.** Payment under sub. (3) (b) does not
7 relieve the applicant of any other civil or criminal liability that results from the
8 violation of sub. (1), but does not constitute evidence of any law violation.

9 **(4) FEE STATEMENT.** The department shall provide, with each license application
10 form, a written statement of all license fees and surcharges required under sub. (3).

11 **(5) NO LICENSE WITHOUT FULL PAYMENT.** The department may not issue a license
12 under sub. (1) until the applicant pays all license fees and surcharges identified in
13 the department's statement under sub. (4). The department shall refund a fee or
14 surcharge paid under protest if upon review the department determines that the fee
15 or surcharge is not applicable.

16 **(6) SWORN AND NOTARIZED STATEMENT.** As part of a license application under sub.
17 (2), an applicant shall provide a sworn and notarized statement, signed by the
18 applicant or an authorized officer of the applicant, that reports all of the following
19 information:

20 (a) The total milk payroll obligations that the applicant incurred during the
21 applicant's last completed fiscal year. If the applicant has not yet operated as a milk
22 contractor, the applicant shall estimate the total milk payroll obligations that the
23 applicant will incur during the applicant's first complete fiscal year.

24 (b) The largest amount of unpaid milk payroll obligations that the milk
25 contractor had at any time during the milk contractor's last completed fiscal year.

1 (c) The identity of any producer agents from whom the milk contractor procures
2 producer milk.

3 (d) Other relevant information required by the department.

4 **(7) ACTION GRANTING OR DENYING APPLICATION.** The department shall grant or
5 deny a license application under sub. (2) within 30 days after the department
6 receives a complete application. If the department denies a license application, the
7 department shall give the applicant written notice stating the reasons for the denial.

8 **(8) LICENSE DISPLAYED.** A milk contractor licensed under sub. (1) shall
9 prominently display a true copy of that license at each business location from which
10 the milk contractor operates in this state.

11 **(9) NOTIFICATION REQUIRED.** A milk contractor who files security under s. 126.47
12 shall immediately notify the department if, at any time, the milk contractor's unpaid
13 milk payroll obligations exceed the amount last reported under sub. (6) (b).

14 **126.42 Milk contractors; monthly license fee. (1) MONTHLY LICENSE FEE**
15 **PAYMENT.** Except as provided under sub. (5) or (6), a milk contractor licensed under
16 s. 126.41 (1) shall pay to the department, by the 25th day of each month, a monthly
17 license fee of 0.15 cent for each 100 pounds of producer milk that the milk contractor
18 procured in this state during the preceding month. The milk contractor shall submit,
19 with the fee payment, a report stating the number of pounds of producer milk that
20 the milk contractor procured in this state during the preceding month.

21 **(2) LATE PAYMENT SURCHARGE.** If a milk contractor fails to pay a monthly fee
22 under sub. (1) when due, the milk contractor shall pay, in addition to that monthly
23 fee, a surcharge equal to 20% of the monthly fee. The milk contractor shall pay the
24 surcharge by the 25th day of the following month.

1 **(3) FEE CREDITS.** If the balance in the fund contributed by milk contractors
2 exceeds \$4,000,000 on February 28 of any license year, the department shall credit
3 50% of the excess amount against fees charged under sub. (1) to contributing milk
4 contractors who file timely renewal applications for the next license year. The
5 department shall credit each contributing milk contractor on a prorated basis, in
6 proportion to the total fees that the milk contractor has paid under sub. (1) for the
7 4 preceding license years. Each month that a contributing contractor who qualifies
8 for a credit under this subsection pays fees under sub. (1), the department shall credit
9 to the contributing milk contractor one-twelfth of the total annual credit determined
10 under this subsection.

11 **(4) FEE STATEMENT.** Whenever the department issues an annual license to a
12 milk contractor under s. 126.41 (1), the department shall give the milk contractor
13 notice of the monthly fees required under this section. The department shall specify
14 all of the following:

15 (a) The method for computing the monthly fee.

16 (b) The date by which the milk contractor must pay the fee each month.

17 (c) The late payment surcharge that may apply under sub. (2).

18 (d) The fee credit, if any, that applies under sub. (3).

19 **(5) PRODUCER AGENTS; EXEMPTION.** A producer agent is not required to pay the
20 monthly fee under sub. (1) for producer milk that the producer agent markets to a
21 milk contractor who is licensed under s. 126.41 (1) and who pays the monthly fee on
22 the same milk.

23 **(6) FEE CHANGES.** The department may modify the license fees under sub. (1)
24 by rule, as provided under s. 126.81 (2).

1 **126.43 Milk contractors; insurance. (1)** FIRE AND EXTENDED COVERAGE
2 INSURANCE. A milk contractor licensed under s. 126.41 (1) shall maintain fire and
3 extended coverage insurance that covers, at their full value, all milk and milk
4 products in the possession, custody, or control of the milk contractor. If the milk
5 contractor is required to be licensed under s. 126.41 (1) (a), the milk contractor shall
6 maintain insurance issued by an insurance company authorized to do business in
7 this state.

8 **(2)** INSURANCE CANCELLATION; REPLACEMENT. Whenever an insurance policy
9 under sub. (1) is canceled, the milk contractor shall replace the policy so that there
10 is no lapse in coverage.

11 **(3)** INSURANCE COVERAGE; MISREPRESENTATION. No milk contractor may
12 misrepresent any of the following to the department or to any milk producer or
13 producer agent:

14 (a) That the milk contractor is insured.

15 (b) The nature, coverage, or material terms of the milk contractor's insurance
16 policy.

17 **126.44 Milk contractors; financial statements. (1)** REQUIRED ANNUAL
18 FINANCIAL STATEMENT. (a) A milk contractor shall file an annual financial statement
19 with the department before the department first licenses the milk contractor under
20 s. 126.41 (1), unless the milk contractor reports no more than \$1,500,000 in annual
21 milk payroll obligations under s. 126.41 (6) (a).

22 (b) Except as provided in par. (c), a milk contractor licensed under s. 126.41 (1)
23 shall file an annual financial statement with the department during each license
24 year. The milk contractor shall file the annual financial statement by the 15th day
25 of the 4th month following the close of the milk contractor's fiscal year. The

1 department may extend the filing deadline for up to 30 days if the milk contractor,
2 or the accountant preparing the financial statement, files a written extension
3 request at least 10 days before the filing deadline.

4 (c) Paragraph (b) does not apply to any of the following:

5 1. A contributing milk contractor who reports no more than \$1,500,000 in
6 annual milk payroll obligations under s. 126.41 (6) (a).

7 2. A contributing milk contractor who procures producer milk in this state
8 solely as a producer agent.

9 **(2) VOLUNTARY ANNUAL FINANCIAL STATEMENT.** A milk contractor licensed under
10 s. 126.41 (1) who is not required to file a financial statement under sub. (1) may file
11 an annual financial statement with the department for any of the following reasons:

12 (a) To avoid being required to contribute to the fund under s. 126.45 (1) (a).

13 (b) To qualify for a lower fund assessment under s. 126.46.

14 **(3) QUARTERLY FINANCIAL STATEMENTS.** A milk contractor licensed under s.
15 126.41 (1) who is not a contributing milk contractor shall file quarterly financial
16 statements with the department for the first 3 quarters in each of the milk
17 contractor's fiscal years. The milk contractor shall file each quarterly financial
18 statement no later than 60 days after the end of the fiscal quarter to which the
19 financial statement pertains. With each quarterly financial statement, the milk
20 contractor shall include the milk contractor's sworn and notarized statement that
21 the financial statement is correct.

22 **(5) REVIEWED OR AUDITED FINANCIAL STATEMENT.** (a) A milk contractor filing an
23 annual financial statement under sub. (1) or (2) shall file an audited financial
24 statement if the milk contractor reports more than \$6,000,000 in annual milk payroll
25 obligations under s. 126.41 (6) (a).

1 (b) If par. (a) does not apply, a milk contractor filing an annual financial
2 statement under sub. (1) or (2) shall file either a reviewed financial statement or an
3 audited financial statement.

4 **(6)** ACCOUNTING PERIOD. A milk contractor filing an annual financial statement
5 under sub. (1) or (2) shall file a financial statement that covers the milk contractor's
6 last completed fiscal year unless the milk contractor has been in business for less
7 than one year.

8 **(6m)** INTERIM FINANCIAL STATEMENT. The department may, at any time, require
9 a milk contractor licensed under s. 126.41 (1) to file an interim financial statement
10 with the department. With the interim financial statement, the milk contractor shall
11 provide the milk contractor's sworn and notarized statement that the financial
12 statement is correct. An interim financial statement need not be a reviewed financial
13 statement or an audited financial statement.

14 **(7)** GENERALLY ACCEPTED ACCOUNTING PRINCIPLES. (a) Except as provided in par.
15 (b), a milk contractor filing an annual financial statement under this section shall
16 file a financial statement that is prepared according to generally accepted accounting
17 principles.

18 (b) If a milk contractor is a sole proprietor and the milk contractor's financial
19 statement is not audited, the milk contractor shall file a financial statement that is
20 prepared on a historical cost basis.

21 **(8)** FINANCIAL STATEMENT CONTENTS. (a) Except as provided in par. (b), a milk
22 contractor filing a financial statement under this section shall file a financial
23 statement that consists of a balance sheet, income statement, equity statement,
24 statement of cash flows, notes to those statements, and any other information

1 required by the department. If the milk contractor is a sole proprietor, the milk
2 contractor shall file his or her business and personal financial statements.

3 (b) If a milk contractor has been in business for less than one year, the milk
4 contractor may file an annual financial statement under sub. (1) or (2) consisting of
5 a balance sheet and notes. A milk contractor may file a quarterly financial statement
6 under sub. (3) consisting of a balance sheet and income statement.

7 (c) A milk contractor filing a financial statement under this section shall
8 include in the financial statement, or in an attachment to the financial statement,
9 calculations of all of the following:

10 1. The milk contractor's current ratio, excluding any assets required to be
11 excluded under sub. (9).

12 2. The milk contractor's debt to equity ratio, excluding any assets required to
13 be excluded under sub. (9).

14 **(9) ASSETS EXCLUDED.** A milk contractor may not include any of the following
15 assets in the calculations under sub. (8) (c), unless the department specifically
16 approves their inclusion:

17 (a) A nontrade note or account receivable from an officer, director, employee,
18 partner, or stockholder, or from a member of the family of any of those individuals,
19 unless the note or account receivable is secured by a first priority security interest
20 in real or personal property.

21 (b) A note or account receivable from a parent organization, a subsidiary, or an
22 affiliate other than an employee.

23 (c) A note or account that has been receivable for more than one year, unless
24 the milk contractor has established an equal offsetting reserve for uncollectible notes
25 and accounts receivable.

1 **(10) ENTITY COVERED.** A person filing a financial statement under this section
2 may not file, in lieu of that person’s financial statement, the financial statement of
3 the person’s parent organization, subsidiary, predecessor, or successor.

4 **(11) DEPARTMENT REVIEW.** The department may analyze a financial statement
5 submitted under this section and may reject a financial statement that fails to
6 comply with this section.

7 **126.45 Contributing milk contractors; disqualification. (1) REQUIRED**
8 **CONTRIBUTORS.** (a) Except as provided in sub. (3), a licensed milk contractor shall pay
9 fund assessments under s. 126.46 if the milk contractor does not file annual and
10 quarterly financial statements under s. 126.44.

11 (b) Except as provided in sub. (3), a licensed milk contractor shall pay fund
12 assessments under s. 126.46 if the milk contractor files an annual, quarterly, or
13 interim financial statement under s. 126.44 that shows a current ratio of less than
14 1.25 to 1.0, a debt to equity ratio of more than 2.0 to 1.0, or negative equity. The milk
15 contractor shall continue to pay fund assessments until the milk contractor files 2
16 consecutive annual financial statements under s. 126.44 that show a current ratio
17 of at least 1.25 to 1.0, positive equity, and a debt to equity ratio of not more than 2.0
18 to 1.0.

19 **(2) VOLUNTARY CONTRIBUTORS.** Except as provided in sub. (3), a licensed milk
20 contractor who is not required to pay fund assessments under s. 126.46 may elect to
21 do so.

22 **(3) DISQUALIFIED CONTRACTORS.** (a) A milk contractor who is required to file
23 security under s. 126.47 (1) is disqualified from the fund until the department
24 releases that security under s. 126.47 (7) (a). This paragraph does not apply, during

1 the period beginning on May 1, 2002, and ending on April 30, 2007, to a qualified
2 producer agent who files security under s. 126.47 (3) (c).

3 (b) A milk contractor is disqualified from the fund if the department denies,
4 suspends, or revokes the milk contractor's license.

5 (c) The department may, by written notice, disqualify a milk contractor for any
6 of the following reasons:

7 1. Failure to pay fund assessments under s. 126.46 when due.

8 2. Failure to file a financial statement under s. 126.44 when due.

9 3. Failure to reimburse the department, within 60 days after the department
10 issues a reimbursement demand under s. 126.73 (1), for the full amount that the
11 department pays to claimants under s. 126.72 (1) because of that milk contractor's
12 default.

13 4. Failure to reimburse a bond surety, within 60 days after the bond surety
14 issues a reimbursement demand under s. 126.73 (2), for the full amount that the
15 surety pays to the department under s. 126.72 (2) or (3) for the benefit of claimants
16 affected by that milk contractor's default.

17 **(4) EFFECT OF DISQUALIFICATION.** (a) A milk contractor disqualified under sub.
18 (3) (c) may not engage in any activities for which a license is required under s. 126.41
19 (1) (a) if the milk contractor files an annual, quarterly, or interim financial statement
20 under s. 126.44 that shows a current ratio of less than 1.25 to 1.0, a debt to equity
21 ratio of more than 2.0 to 1.0, or negative equity.

22 (b) The department may not return, to a disqualified milk contractor, any fund
23 assessments that the milk contractor paid as a contributing milk contractor.

24 (c) A disqualified milk contractor remains liable for any unpaid fund
25 installment under s. 126.46 that became due while the milk contractor was a

1 contributing milk contractor. A disqualified milk contractor is not liable for any fund
2 installment that becomes due after the milk contractor is disqualified under sub. (3).

3 **126.46 Contributing milk contractors; fund assessments. (1) GENERAL.**

4 A contributing milk contractor shall pay an annual fund assessment for each license
5 year. The assessment equals \$20 or the sum of the following, whichever is greater,
6 unless the department by rule specifies a different assessment:

7 (a) The milk contractor's current ratio assessment. The current ratio
8 assessment for a license year equals the milk contractor's current ratio assessment
9 rate under sub. (2) multiplied by the annual milk payroll obligations reported under
10 s. 126.41 (6) (a) in the milk contractor's license application for that license year.

11 (b) The milk contractor's debt to equity ratio assessment. The debt to equity
12 ratio assessment for a license year equals the milk contractor's debt to equity ratio
13 assessment rate under sub. (4) multiplied by the annual milk payroll obligations
14 reported under s. 126.41 (6) (a) in the milk contractor's license application for that
15 license year.

16 **(2) CURRENT RATIO ASSESSMENT RATE.** A milk contractor's current ratio
17 assessment rate is calculated, at the beginning of the license year, as follows:

18 (a) If the milk contractor has filed an annual financial statement under s.
19 126.44 and that financial statement shows a current ratio of at least 1.25 to 1.0, the
20 milk contractor's current ratio assessment rate equals the greater of zero or the
21 current ratio assessment factor in sub. (3) (a) multiplied by the following amount:

- 22 1. Subtract 3 from the current ratio.
- 23 2. Divide the amount determined under subd. 1. by 6.
- 24 3. Multiply the amount determined under subd. 2. by negative one.
- 25 4. Raise the amount determined under subd. 3. to the 3rd power.

1 5. Divide 0.55 by the current ratio.

2 6. Raise the amount determined under subd. 5. to the 7th power.

3 7. Add the amount determined under subd. 4. to the amount determined under
4 subd. 6.

5 8. Add 0.075 to the amount determined under subd. 7.

6 (b) If the milk contractor has filed an annual financial statement under s.
7 126.44 and that financial statement shows a current ratio of less than 1.25 to 1.0, but
8 greater than 1.05 to 1.0, the milk contractor's current ratio assessment rate equals
9 the current ratio assessment factor in sub. (3) (b) multiplied by the following amount:

10 1. Subtract 3 from the current ratio.

11 2. Divide the amount determined under subd. 1. by 6.

12 3. Multiply the amount determined under subd. 2. by negative one.

13 4. Raise the amount determined under subd. 3. to the 3rd power.

14 5. Divide 0.55 by the current ratio.

15 6. Raise the amount determined under subd. 5. to the 7th power.

16 7. Add the amount determined under subd. 4. to the amount determined under
17 subd. 6.

18 8. Add 0.075 to the amount determined under subd. 7.

19 (c) If the milk contractor has filed an annual financial statement under s.
20 126.44 and that financial statement shows a current ratio of less than or equal to 1.05
21 to 1.0, the milk contractor's current ratio assessment rate equals the current ratio
22 assessment factor in sub. (3) (b) multiplied by 0.1201478.

23 (d) Except as provided in par. (e), if the milk contractor has not filed an annual
24 financial statement under s. 126.44, the milk contractor's current ratio assessment
25 rate equals the current ratio assessment factor in sub. (3) (b) multiplied by 0.103005.

1 (e) If the milk contractor has not filed an annual financial statement under s.
2 126.44 and the milk contractor procures producer milk in this state solely as a
3 producer agent, the milk contractor's current ratio assessment rate is 0.00025,
4 except that, for the milk contractor's 5th or higher consecutive full license year of
5 participation in the fund, the milk contractor's current ratio assessment rate is
6 0.000175.

7 **(3) CURRENT RATIO ASSESSMENT FACTOR.** (a) A milk contractor's current ratio
8 assessment factor under sub. (2) (a) is 0.001, except as follows:

9 1. For the milk contractor's 3rd consecutive full license year as a contributing
10 milk contractor, the milk contractor's current ratio assessment factor is 0.0007.

11 2. For the milk contractor's 4th consecutive full license year as a contributing
12 milk contractor, the milk contractor's current ratio assessment factor is 0.0003.

13 3. For the milk contractor's 5th or higher consecutive full license year as a
14 contributing milk contractor, the milk contractor's current ratio assessment factor
15 is zero.

16 (b) A milk contractor's current ratio assessment factor under sub. (2) (b) to (d)
17 is 0.0015, except that, for the milk contractor's 5th or higher consecutive full license
18 year of participation in the fund, the milk contractor's current ratio assessment
19 factor is 0.000675.

20 **(4) DEBT TO EQUITY RATIO ASSESSMENT RATE.** A milk contractor's debt to equity
21 ratio assessment rate is calculated, at the beginning of the license year, as follows:

22 (a) If the milk contractor has filed an annual financial statement under s.
23 126.44 and that financial statement shows positive equity and a debt to equity ratio
24 of not more than 2.0 to 1.0, the milk contractor's debt to equity ratio assessment rate

1 equals the greater of zero or the debt to equity ratio assessment factor in sub. (5) (a)
2 multiplied by the following amount:

3 1. Subtract 2 from the debt to equity ratio.

4 2. Divide the amount determined under subd. 1. by 3.

5 3. Raise the amount determined under subd. 2. to the 9th power.

6 4. Divide the debt to equity ratio by 3.25.

7 5. Raise the amount determined under subd. 4. to the 5th power.

8 6. Add the amount determined under subd. 3. to the amount determined under
9 subd. 5.

10 7. Add 0.025 to the amount determined under subd. 6.

11 (b) If the milk contractor files an annual financial statement under s. 126.44
12 and that financial statement shows a debt to equity ratio of greater than 2.0 to 1.0
13 but less than 3.1 to 1.0, the milk contractor's debt to equity ratio assessment rate
14 equals the debt to equity ratio assessment factor in sub. (5) (b) multiplied by the
15 following amount:

16 1. Subtract 2 from the debt to equity ratio.

17 2. Divide the amount determined under subd. 1. by 3.

18 3. Raise the amount determined under subd. 2. to the 9th power.

19 4. Divide the debt to equity ratio by 3.25.

20 5. Raise the amount determined under subd. 4. to the 5th power.

21 6. Add the amount determined under subd. 3. to the amount determined under
22 subd. 5.

23 7. Add 0.025 to the amount determined under subd. 6.

24 (c) If the milk contractor has filed an annual financial statement under s.
25 126.44 and that financial statement shows negative equity or a debt to equity ratio

1 of at least 3.1 to 1.0, the milk contractor's debt to equity ratio assessment rate equals
2 the debt to equity ratio assessment factor in sub. (5) (b) multiplied by 0.8146917.

3 (d) Except as provided in par. (e), if the milk contractor has not filed an annual
4 financial statement under s. 126.44, the milk contractor's debt to equity ratio
5 assessment rate equals the debt to equity ratio assessment factor in sub. (5) (b)
6 multiplied by 0.11325375.

7 (e) If the milk contractor has not filed an annual financial statement under s.
8 126.44 and the milk contractor procures producer milk in this state solely as a
9 producer agent, the milk contractor's debt to equity ratio assessment rate is 0.00025,
10 except that, for the milk contractor's 5th or higher consecutive full license year of
11 participation in the fund, the milk contractor's debt to equity ratio assessment rate
12 is 0.000175.

13 **(5) DEBT TO EQUITY RATIO ASSESSMENT FACTOR.** (a) A milk contractor's debt to
14 equity ratio assessment factor under sub. (4) (a) is 0.0015, except as follows:

15 1. For the milk contractor's 3rd consecutive full license year as a contributing
16 milk contractor, the milk contractor's current ratio assessment factor is 0.001.

17 2. For the milk contractor's 4th consecutive full license year as a contributing
18 milk contractor, the milk contractor's current ratio assessment factor is 0.0005.

10 (9) (a) in the vegetable contractor's license application for that license year.

11 (b) The vegetable contractor's debt to equity ratio assessment. The debt to
12 equity ratio assessment for a license year equals the vegetable contractor's debt to

23 the vegetable contractor's current ratio assessment rate equals the greater of zero
24 or the current ratio assessment factor in sub. (3) (a) multiplied by the following
25 amount:

- 1 1. Subtract 4 from the current ratio.
- 2 2. Divide the amount determined under subd. 1. by 2.
- 3 3. Multiply the amount determined under subd. 2. by negative one.
- 4 4. Raise the amount determined under subd. 3. to the 3rd power.
- 5 5. Subtract 0.65 from the current ratio.
- 6 6. Divide 0.60 by the amount determined under subd. 5.
- 7 7. Raise the amount determined under subd. 6. to the 5th power.
- 8 8. Add the amount determined under subd. 4. to the amount determined under
- 9 subd. 7.
- 10 9. Add 0.25 to the amount determined under subd. 8.
- 11 (b) If the vegetable contractor has filed an annual financial statement under
- 12 s. 126.58 and that financial statement shows a current ratio of less than 1.25 to 1.0,
- 13 but greater than 1.1 to 1.0, the vegetable contractor's current ratio assessment rate
- 14 equals the current ratio assessment factor in sub. (3) (b) multiplied by the following
- 15 amount:
- 16 1. Subtract 4 from the current ratio.
- 17 2. Divide the amount determined under subd. 1. by 2.
- 18 3. Multiply the amount determined under subd. 2. by negative one.
- 19 4. Raise the amount determined under subd. 3. to the 3rd power.
- 20 5. Subtract 0.65 from the current ratio.
- 21 6. Divide 0.60 by the amount determined under subd. 5.
- 22 7. Raise the amount determined under subd. 6. to the 5th power.
- 23 8. Add the amount determined under subd. 4. to the amount determined under
- 24 subd. 7.
- 25 9. Add 0.25 to the amount determined under subd. 8.

1 (c) If the vegetable contractor has filed an annual financial statement under
2 s. 126.58 and that financial statement shows a current ratio of less than or equal to
3 1.1 to 1.0, the vegetable contractor's current ratio assessment rate equals the current
4 ratio assessment factor in sub. (3) (b) multiplied by 7.512617.

5 (d) If the vegetable contractor has not filed an annual financial statement
6 under s. 126.58, the vegetable contractor's current ratio assessment rate equals the
7 current ratio assessment factor in sub. (3) (b) multiplied by 3.84961.

4 (a) If the vegetable contractor has filed an annual financial statement under
5 s. 126.58 and that financial statement shows positive equity and a debt to equity
6 ratio of not more than 4.0 to 1.0, the vegetable contractor's debt to equity ratio
7 assessment rate equals the greater of zero or the debt to equity ratio assessment
8 factor in sub. (5) (a) multiplied by the following amount:

- 9 1. Subtract 4 from the debt to equity ratio.
- 10 2. Divide the amount determined under subd. 1. by 4.
- 11 3. Raise the amount determined under subd. 2. to the 3rd power.
- 12 4. Subtract 1.85 from the debt to equity ratio.
- 13 5. Divide the amount determined under subd. 4. by 2.5.
- 14 6. Raise the amount determined under subd. 5. to the 7th power.
- 15 7. Add the amount determined under subd. 3. to the amount determined under
16 subd. 6.

19 s. 126.58 and that financial statement shows a debt to equity ratio of greater than
20 4.0 to 1.0 but less than 6.0 to 1.0, the vegetable contractor's debt to equity ratio
21 assessment rate equals the debt to equity ratio assessment factor in sub. (5) (b)
22 multiplied by the following amount:

- 23 1. Subtract 4 from the debt to equity ratio.
- 24 2. Divide the amount determined under subd. 1. by 4.
- 25 3. Raise the amount determined under subd. 2. to the 3rd power.

- 1 4. Subtract 1.85 from the debt to equity ratio.
- 2 5. Divide the amount determined under subd. 4. by 2.5.
- 3 6. Raise the amount determined under subd. 5. to the 7th power.
- 4 7. Add the amount determined under subd. 3. to the amount determined under
- 5 subd. 6.
- 6 8. Add one to the amount determined under subd. 7.

7 (c) If the vegetable contractor has filed an annual financial statement under
8 s. 126.58 and that financial statement shows negative equity or a debt to equity ratio
9 of at least 6.0 to 1.0, the vegetable contractor's debt to equity ratio assessment rate
10 equals the debt to equity ratio assessment factor in sub. (5) (b) multiplied by
11 35.859145.

12 (d) If the vegetable contractor has not filed an annual financial statement
13 under s. 126.58, the vegetable contractor's debt to equity ratio assessment rate
14 equals the debt to equity ratio assessment factor in sub. (5) (b) multiplied by 1.34793.

2 deferred payment contract to any vegetable producer, the vegetable contractor shall
3 put the deferred payment contract to a vote of vegetable producers, as provided in
4 par. (b), obtain the approval of a majority of the voting vegetable producers, and
5 comply with par. (c).

6 (b) To put a deferred payment contract to a vote of vegetable producers, the

14 licensed, or required to be licensed, under this chapter:

15 (a) A grain producer or producer agent, as defined in s. 126.10 (13), who claims

1 (d) A vegetable producer or producer agent, as defined in s. 126.55 (12), who
2 claims that a vegetable contractor has failed to make payment when due under a
3 vegetable procurement contract.

4 **(2) FILING DEFAULT CLAIMS.** A claimant shall file a default claim under sub. (1)
5 within 30 days after the claimant first learns of the default, subject to sub. (3). The
6 claimant shall specify the nature and amount of the default. The department may
7 investigate the alleged default and may require the claimant to provide supporting
8 documentation.

9 **(3) INITIATING A RECOVERY PROCEEDING.** (a) The department may initiate a
10 recovery proceeding in response to one or more default claims under sub. (1). The
11 department shall issue a written notice announcing the recovery proceeding. The
12 department shall mail or deliver a copy of the notice to the contractor and each
13 claimant in the proceeding.

14 (b) If the department has reason to believe that other persons may have default
15 claims under sub. (1) against the same contractor, the department may invite those
16 persons to file their claims in the recovery proceeding. The department may publish
17 the invitation in any of the following ways:

- 18 1. By posting it at the contractor's place of business.
- 19 2. By publishing it as a class 3 notice under ch. 985.
- 20 3. By mailing or delivering it to prospective claimants known to the
21 department.
- 22 4. By other means that the department considers appropriate.

23 (c) In its invitation under par. (b), the department may specify a deadline date
24 and a procedure for filing default claims. An invitation may indicate the amount of

1 a prospective claimant's apparent claim and may ask the prospective claimant to
2 verify or correct that amount.

3 (d) The department may initiate separate recovery proceedings for default
4 claims that comply with sub. (2) but are filed after the deadline date under par. (c).

5 **(4) AUDITING CLAIMS.** The department shall audit each claim included in a
6 recovery proceeding. The department shall disallow a claim if the department finds
7 any of the following:

8 (a) That the claim is false or not adequately documented.

9 (b) That the claimant filed the claim more than 30 days after the claimant first
10 learned of the contractor's default, unless the department specifies a later
11 claim-filing deadline under sub. (3) (c).

12 (c) That the claimant, without any contractual obligation to do so, continued
13 to deliver grain, milk, or vegetables to the defaulting contractor more than 10 days
14 after the claimant first learned of the contractor's default.

15 (d) That the claimant failed to comply with claim-filing deadlines or
16 procedures specified under sub. (3) (c).

17 (e) That the person filing the claim is not an authorized claimant under sub.
18 (1).

19 **(5) ALLOWED CLAIM AMOUNTS.** (a) The department shall determine the amount
20 of an allowed claim based on the contract between the parties. If the contract terms
21 are unclear, the department may determine the allowed claim amount based on local
22 market prices, applicable milk marketing order prices, customs in the trade, or other
23 evidence that the department considers appropriate.

24 (b) Notwithstanding par. (a), if the default involves a grain warehouse keeper's
25 failure to return stored grain to a depositor upon demand, the department shall

1 calculate the value of the grain based on local market prices on the day on which the
2 depositor made the demand.

3 (c) The department shall subtract from the allowed claim amount any
4 offsetting payments made by the contractor and any obligations for which the
5 claimant is liable to the contractor.

6 **(6) PROPOSED DECISION.** After the department completes its audit under sub. (4),
7 the department shall issue a proposed decision. The department shall mail or deliver
8 a copy of the proposed decision to the contractor and each claimant. The department
9 shall do all of the following in the proposed decision:

10 (a) Specify proposed findings of fact, proposed conclusions of law, and a
11 proposed order.

12 (b) Allow or disallow each default claim and specify the amount of each allowed
13 claim. The department may disallow part of a claim.

14 (c) Specify, for each allowed claim, the amount that the department is
15 authorized to pay under s. 126.71.

16 (d) Specify the method, under s. 126.71, by which the department will pay the
17 authorized amounts under par. (c).

18 (e) Explain a claimant's right under s. 126.87 (4) to seek court recovery of that
19 portion of an allowed claim that is not paid by the department.

20 (f) Specify a date by which the contractor or claimant may file written
21 objections to the proposed decision.

22 **(7) FINAL DECISION IF NO OBJECTIONS.** If no contractor or claimant files a timely
23 written objection to the proposed decision under sub. (6), the department may issue
24 the proposed decision as the department's final decision in the recovery proceeding,

1 without further notice or hearing. The department shall mail or deliver a copy of the
2 final decision to the contractor and each claimant.

3 **(8) OBJECTIONS TO PROPOSED DECISION; NOTICE, HEARING, AND FINAL DECISION. (a)**

4 If a contractor or claimant files a timely written objection to the proposed decision
5 under sub. (6), the department shall hold a public hearing on the objection. The
6 department shall follow applicable contested case procedures under ch. 227. The
7 department may hear all objections in a single proceeding. At the conclusion of the
8 contested case proceeding, the department shall issue a final decision affirming or
9 modifying the proposed decision under sub. (6).

10 (b) The department may issue a final decision under sub. (7) related to default
11 claims that are not affected by objections under par. (a), regardless of whether the
12 department has completed the contested case proceeding under par. (a).

13 **126.71 Paying default claims. (1) CLAIMS AGAINST CONTRIBUTING**
14 **CONTRACTOR.** Except as provided in sub. (2) or (3), the department shall pay from the
15 appropriate sources under s. 126.72 the following default claim amounts:

16 (a) Except as provided in par. (d) or (e), for each default claim allowed under
17 s. 126.70 against a grain dealer or milk contractor who was a contributing contractor
18 when the default occurred:

- 19 1. Eighty percent of the first \$60,000 allowed.
- 20 2. Seventy-five percent of any amount allowed in excess of \$60,000.

21 (b) For each default claim allowed under s. 126.70 against a grain warehouse
22 keeper who was a contributing contractor when the default occurred, 100% of the
23 first \$100,000 allowed.

24 (c) For each default claim allowed under s. 126.70 against a vegetable
25 contractor who was a contributing contractor when the default occurred:

1 1. Ninety percent of the first \$40,000 allowed.

2 2. Eighty–five percent of the next \$40,000 allowed.

3 3. Eighty percent of the next \$40,000 allowed.

4 4. Seventy–five percent of any amount allowed in excess of \$120,000.

5 (d) For each default claim allowed under s. 126.70 against a qualified producer
6 agent who, at the time of the default, was a contributing contractor and maintained
7 security under s. 126.47 (3) (c), if the default occurs after April 30, 2002, and before
8 May 1, 2004, 15% of the amount allowed.

9 (e) For each default claim allowed under s. 126.70 against a qualified producer
10 agent who, at the time of the default, was a contributing contractor and maintained
11 security under s. 126.47 (3) (c), if the default occurs after April 30, 2004, and before
12 May 1, 2007, 20% of the amount allowed.

13 **(1m)** WHEN DEFAULT OCCURS. For the purposes of this chapter, a default occurs
14 on the date on which payment or delivery becomes overdue.

15 **(2)** CLAIMS AGAINST CONTRACTOR WHO HAS FILED SECURITY. If the department
16 allows default claims under s. 126.70 against a contractor who has security on file
17 with the department, the department shall convert that security and use the
18 proceeds as follows:

19 (a) If the contractor was not a contributing contractor when the default
20 occurred, the department shall use the security proceeds to pay the full amount of
21 the allowed claims, except that, if the security is not adequate to pay the full amount
22 of the allowed claims, the department shall pay claimants on a prorated basis in
23 proportion to their allowed claims.

24 (b) If the contractor was a contributing contractor when the default occurred,
25 the department shall use the security proceeds to reimburse the sources under s.

1 126.72 from which the department makes any claim payment under sub. (1). If the
2 security amount exceeds the amount payable under sub. (1) from the sources under
3 s. 126.72, the department shall use the remaining security proceeds to pay the
4 balance of the allowed claims. If the security amount is not adequate to pay the full
5 remaining balance, the department shall pay claimants on a prorated basis in
6 proportion to their allowed claims.

7 (c) Notwithstanding par. (b), if the contractor was a contributing contractor
8 when the default occurred, the department may, at its discretion, pay claims directly
9 from security proceeds rather than from a fund source under s. 126.72. If the
10 department acts under this paragraph, the department shall first pay claims in the
11 amounts provided in sub. (1). If the security amount exceeds the amount payable
12 under sub. (1) from the sources under s. 126.72, the department shall use the
13 remaining security proceeds to pay the balance of the allowed claims. If the security
14 amount is not adequate to pay the full remaining balance, the department shall pay
15 claimants on a prorated basis in proportion to their allowed claims.

16 **(3) PAYMENT RESTRICTIONS.** (a) The department may not pay any portion of the
17 following from any source identified in s. 126.72:

18 1. A default claim related to a default by a grain dealer or grain warehouse
19 keeper that occurs before September 1, 2002.

20 2. A default claim related to a default by a milk contractor that occurs before
21 May 1, 2002.

22 3. A default claim related to a default by a vegetable contractor that occurs
23 before February 1, 2002.

24 4. A default claim allowed against a contractor who was not a contributing
25 contractor when the default occurred.

1 (b) The department may not pay any default claim under this chapter, except
2 as provided in sub. (1) or (2).

3 (c) If the total amount of default claims exceeds the amount available under s.
4 126.72, the department shall prorate the available amount among the eligible
5 claimants in proportion to the amount of their allowed claims.

6 **(4) EFFECT OF PAYMENT.** A claimant who accepts payment under sub. (1) or (2)
7 releases his or her claim against the contractor to the extent of the payment. A
8 payment under sub. (1) or (2) does not prevent a claimant from recovering the
9 balance of an allowed claim directly from the contractor.

10 **126.72 Claims against contributing contractor; payment sources. (1)**
11 **PRODUCER SECURITY FUND.** From the appropriation under s. 20.115 (1) (w), the
12 department shall make payments authorized under s. 126.71 (1), up to the deductible
13 amount in sub. (4).

14 **(2) INDUSTRY BOND PROCEEDS.** The department shall make a demand against the
15 appropriate industry bond under s. 126.06 and shall use the proceeds of that bond
16 to make payments authorized under s. 126.71 (1), to the extent that those payments
17 exceed the deductible amount in sub. (4).

18 **(3) BLANKET BOND PROCEEDS.** The department shall make a demand against the
19 blanket bond under s. 126.07 and shall use the bond proceeds to pay any remaining
20 amounts authorized under s. 126.71 (1) after the department makes payments under
21 subs. (1) and (2).

22 **(4) DEDUCTIBLE AMOUNT.** The deductible amount, for purposes of subs. (1) and
23 (2), is as follows:

24 (a) For default claims against a grain dealer or grain warehouse keeper who
25 was a contributing contractor when the default occurred:

1 1. If the department allows the claims on or after September 1, 2002, but before
2 September 1, 2004, \$500,000.

3 2. If the department allows the claims on or after September 1, 2004, but before
4 September 1, 2006, \$750,000.

5 3. If the department allows the claims on or after September 1, 2006,
6 \$1,000,000.

7 (b) For default claims against a milk contractor who was a contributing
8 contractor when the default occurred:

9 1. If the department allows the claims on or after May 1, 2002, but before May
10 1, 2004, \$1,000,000.

11 2. If the department allows the claims on or after May 1, 2004, but before May
12 1, 2006, \$1,500,000.

13 3. If the department allows the claims on or after May 1, 2006, \$2,000,000.

14 (c) For claims against a vegetable contractor who was a contributing contractor
15 when the default occurred:

16 1. If the department allows the claims on or after February 1, 2002, but before
17 February 1, 2004, \$500,000.

18 2. If the department allows the claims on or after February 1, 2004, but before
19 February 1, 2006, \$750,000.

20 3. If the department allows the claims on or after February 1, 2006, \$1,000,000.

21 **126.73 Reimbursing payments. (1) PAYMENTS FROM THE FUND.** The
22 department may demand and collect, from a contractor, any claim amounts that the
23 department pays under s. 126.72 (1) because of the contractor's default.

24 **(2) BOND PAYMENTS.** A bond surety may demand and collect, from a contractor,
25 any claim amounts that the bond surety pays to the department under s. 126.72 (2)

1 or (3) because of the contractor's default. The bond surety shall provide the
2 department with a copy of each demand under this subsection.

1 **218.624 Revocation, suspension, and restriction of license. (1)**

2 DISCRETIONARY SUSPENSION OR REVOCATION. The division may issue an order
3 suspending or revoking any license issued under this subchapter if the division finds
4 that any of the following applies:

5 (a) The licensee has violated any of the provisions of this subchapter, any rules
6 promulgated under s. 218.63 (3), or any lawful order of the division under s. 218.63
7 (1).

8 (b) A fact or condition exists that, if it had existed at the time of the original
9 application for the license, would have warranted the division in refusing to issue the
10 license.

11 (c) The licensee has made a material misstatement in an application for a
12 license or in information furnished to the division.

13 (d) The licensee has failed to pay the annual license fee required under s.
14 218.622 (4) or has failed to maintain in effect any bond required under s. 218.618 (3).

15 (e) The licensee has failed to provide any additional information, data, and
16 records required by the division, within the time period prescribed under s. 218.626
17 (2).

18 (f) The licensee has failed to pay any penalties due under s. 218.682 (1) or (2)
19 within 30 days after receiving notice, by certified mail, that the penalties are due.

20 **(2) MANDATORY RESTRICTION OR SUSPENSION; CHILD OR FAMILY SUPPORT.** The
21 division shall restrict or suspend a license issued under this subchapter if the
22 division finds that the licensee is an individual who fails to comply, after appropriate
23 notice, with a subpoena or warrant issued by the department of workforce
24 development or a county child support agency under s. 59.53 (5) and related to
25 paternity or child support proceedings or who is delinquent in making court-ordered

1 payments of child or family support, maintenance, birth expenses, medical expenses,
2 or other expenses related to the support of a child or former spouse, as provided in
3 a memorandum of understanding entered into under s. 49.857. A licensee whose
4 license is restricted or suspended under this subsection is entitled to a notice and
5 hearing only as provided in a memorandum of understanding entered into under s.
6 49.857 and is not entitled to any other notice or hearing under this section.

7 **(3) MANDATORY REVOCATION; DELINQUENT TAXES.** The division shall revoke a
8 license issued under this subchapter if the department of revenue certifies under s.
9 73.0301 that the licensee is liable for delinquent taxes. A licensee whose license is
10 revoked under this subsection for delinquent taxes is entitled to a notice under s.
11 73.0301 (2) (b) 1. b. and a hearing under s. 73.0301 (5) (a) but is not entitled to any
12 other notice or hearing under this section.

13 **(4) REVOCATION AND SUSPENSION PROCEDURE.** Except as provided in subs. (2) and
14 (3), the following procedure applies to every order of the division that suspends or
15 revokes a license issued under this subchapter:

16 (a) The division shall provide a written notice to the licensee of the division's
17 intent to issue an order suspending or revoking the licensee's license. The notice
18 shall specify the grounds for and the effective date of the proposed order.

19 (b) The licensee may file with the division a written response to the allegations
20 contained in the notice within 20 days after receiving the notice. The licensee's
21 written response may contain a request for a contested case hearing under s. 227.42.
22 If the written response does not contain a request for a contested case hearing under
23 s. 227.42, the right to a contested case hearing is waived.

24 (c) If a written response containing a request for a contested case hearing under
25 s. 227.42 is received by the division within the time provided under par. (b) and if,

1 in the opinion of the division, the matter satisfies all of the conditions specified in s.
2 227.42 (l) (a) to (d), the matter shall be scheduled for a contested case hearing to
3 commence within 60 days after the date on which the division receives the written
4 response.

5 (d) If the licensee fails to file a written response within the time provided under
6 par. (b), files a timely written response but fails to request a contested case hearing
7 under s. 227.42 or files a timely written response requesting a contested case hearing
8 but, in the opinion of the division, the matter fails to satisfy all of the conditions
9 specified in s. 227.42 (l) (a) to (d), the division may issue an order suspending or
10 revoking the license. If the licensee files a timely written response containing a
11 proper request for a contested case hearing under s. 227.42, any order of the division
12 suspending or revoking the licensee's license shall be stayed pending completion of
13 proceedings under ch. 227.

14 **218.626 Modification of license. (1) CHANGE IN PLACE OF BUSINESS.** No
15 licensee may change its place of business to another location without the prior
16 approval of the division. A licensee shall provide the division with at least 15 days'
17 prior written notice of a proposed change under this subsection and shall pay any
18 applicable fees specified in the rules promulgated under s. 218.63 (3). Upon approval
19 by the division of the new location, the division shall issue an amended license,
20 specifying the date on which the amended license is issued and the new location.

21 **(2) OTHER CHANGES.** Except as provided in sub. (1), a licensee shall notify the
22 division of any material change to the information provided in the licensee's original
23 application for a license under this subchapter or provided in a previous notice of
24 change filed by the licensee with the division under this subsection. A licensee shall
25 provide the notice required under this subsection within 10 days after the change.

1 The licensee shall provide any additional information, data, and records about the
2 change to the division within 20 days after the division requests the information,
3 data, or records. The division shall determine the cost of investigating and
4 processing the change. The licensee shall pay the division's cost within 30 days after
5 the division demands payment.

6 (3) DIVISION APPROVAL OF OTHER CHANGES. Any change that is subject to the
7 notice requirement under sub. (2) is subject to the approval of the division. In
8 reviewing the change, the division shall apply the same criteria as the criteria for
9 approval of an original license application.

10 **218.628 Annual report; records. (1) ANNUAL REPORT.** On or before March
11 31 of each year, a licensee shall file a report with the division giving such reasonable
12 and relevant information as the division may require concerning the business and
13 operations conducted by the licensee. The licensee shall make the report in the form
14 prescribed by the division.

15 (2) BOOKS AND RECORDS. A licensee shall keep such books and records in the
16 licensed location as, in the opinion of the division, will enable the division to
17 determine whether the provisions of this subchapter are being observed. Every
18 licensee shall preserve its records of a rent-to-own agreement for at least 3 years
19 after making the final entry with respect to the rent-to-own agreement.

20 **218.63 Powers and duties of division; administration. (1) ORDERS.** The
21 division may issue any general order, as defined in s. 217.02 (3), or special order, as
22 defined in s. 217.02 (10), in execution of or supplementary to this subchapter, except
23 that the division may not issue a general order or special order that conflicts with this
24 subchapter.

1 **(2) INVESTIGATIONS AND EXAMINATIONS.** For the purpose of discovering violations
2 of this subchapter, the division may cause an investigation or examination to be
3 made of the business of a licensee transacted under this subchapter. The place of
4 business, books of accounts, papers, records, safes, and vaults of the licensee shall
5 be open to the division for the purpose of an investigation or examination, and the
6 division has authority to examine under oath all persons whose testimony is required
7 for an investigation or examination. The division shall determine the cost of an
8 investigation or examination. The licensee shall pay the cost of an investigation or
9 examination. The licensee shall pay the cost of any hearing held for the purpose of
10 this subsection, including witness fees, unless the division or a court finds that the
11 licensee has not violated any provision of this subchapter. The licensee shall pay all
12 costs owing under this subsection within 30 days after the division demands
13 payment. The state may maintain an action for the recovery of any costs owing under
14 this subsection.

15 **(3) RULES.** The division may promulgate rules for the administration of this
16 subchapter.

17 **(4) TESTIMONIAL POWERS AND POWERS TO SECURE EVIDENCE.** The division has the
18 same power to conduct hearings, take testimony, and secure evidence as is provided
19 in ss. 217.17 and 217.18.

20 **(5) ENFORCEMENT.** The division has the duty, power, jurisdiction, and authority
21 to investigate, ascertain, and determine whether this subchapter or any lawful
22 orders issued under sub. (1) are being violated. The division may report violations
23 of this subchapter to the attorney general or the district attorney of the proper county
24 for prosecution.

1 **218.632 General requirements of disclosure. (1)** FORM, LOCATION, SIZE, AND
2 TIME OF DISCLOSURE. The information required under s. 218.634 to be included in a
3 rent-to-own agreement shall satisfy all of the following requirements:

4 (a) The information shall be clearly and conspicuously disclosed.

5 (b) The information shall be disclosed in writing.

6 (c) The information shall be disclosed on the face of the rent-to-own agreement
7 above the line for the lessee's signature.

8 (d) The information shall be disclosed in not less than 8-point standard type.

9 (e) The information shall be disclosed before the time that the lessee becomes
10 legally obligated under the rent-to-own agreement.

11 **(2) ACCURACY OF DISCLOSURE.** The information required under s. 218.634 must
12 be accurate as of the time that it is disclosed to the lessee. If any information
13 subsequently becomes inaccurate as a result of any act, occurrence, or agreement by
14 the lessee, the resulting inaccuracy is not a violation of this subchapter.

15 **(3) COPY OF RENT-TO-OWN AGREEMENT.** The rental-purchase company shall
16 provide the lessee with a copy of the completed rent-to-own agreement signed by the
17 lessee. If more than one lessee is legally obligated under the same rent-to-own
18 agreement, delivery of a copy of the completed rent-to-own agreement to one of the
19 lessees shall satisfy this subsection.

20 **(4) SINGLE INSTRUMENT.** In a rent-to-own agreement, the lessee's payment
21 obligations shall be evidenced by a single instrument, which shall include the
22 signature of the rental-purchase company, the signature of the lessee, and the date
23 on which the instrument is signed.

1 **218.634 Required provisions of rent-to-own agreement.** A
2 rental-purchase company shall include all of the following information, to the extent
3 applicable, in every rent-to-own agreement:

4 **(1) DESCRIPTION.** A brief description of the rental property, sufficient to identify
5 the rental property to the lessee and the rental-purchase company, including any
6 identification number, and a statement indicating whether the rental property is
7 new or used. A statement that incorrectly indicates that new rental property is used
8 is not a violation of this subchapter.

9 **(2) CASH PRICE.** The price at which the rental-purchase company would sell the
10 rental property to the lessee if the lessee were to pay for the rental property in full
11 on the date on which the rent-to-own agreement is executed, along with a statement
12 that, if the lessee intends to acquire ownership of the rental property and is able to
13 pay for the property in full or is able to obtain credit to finance the purchase, the
14 lessee may be able to purchase similar property from a retailer at a lower cost.

15 **(3) RENTAL PAYMENT.** The periodic rental payment for the rental property.

16 **(4) UP-FRONT PAYMENT.** Any payment required of the lessee at the time that the
17 agreement is executed or at the time that the rental property is delivered, including
18 the initial rental payment, any application or processing charge, any delivery fee, the
19 applicable tax, and any charge for a liability damage waiver or for other optional
20 services agreed to by the lessee.

21 **(5) PERIODIC RENTAL PAYMENTS TO ACQUIRE OWNERSHIP.** The total number, total
22 dollar amount, and timing of all periodic rental payments necessary to acquire
23 ownership of the rental property.

24 **(6) OTHER CHARGES AND FEES TO ACQUIRE OWNERSHIP.** The dollar amount, both
25 itemized and in total, of all taxes, liability damage waiver fees, fees for optional

1 services, processing fees, application fees, and delivery charges that the lessee would
2 incur if the lessee were to rent the rental property until the lessee acquires
3 ownership, assuming that the lessee does not add or decline the liability damage
4 waiver or optional services after signing the rent-to-own agreement.

5 **(7) TOTAL PAYMENTS TO ACQUIRE OWNERSHIP.** The total of all charges to be paid
6 by the lessee to acquire ownership of the rental property, which shall consist of the
7 sum of the total dollar amount of all periodic rental payments disclosed under sub.
8 (5) and the total dollar amount of all other charges and fees disclosed under sub. (6),
9 along with a statement that this is the amount a lessee will pay to acquire ownership
10 of the rental property if the tax rates do not change and if the lessee does not add or
11 decline the liability damage waiver or optional services after signing the
12 rent-to-own agreement.

13 **(8) OTHER CHARGES.** An itemized description of any other charges or fees that
14 the rental-purchase company may charge the lessee.

15 **(9) SUMMARY OF EARLY-PURCHASE OPTION.** A statement summarizing the terms
16 of the lessee's option to acquire ownership of the rental property, including a
17 statement indicating that the lessee has the right to acquire ownership of the rental
18 property at any time after the first payment by paying all past-due payments and
19 fees and an amount not to exceed an amount equal to the cash price of the rental
20 property multiplied by a fraction that has as its numerator the number of periodic
21 rental payments remaining under the rent-to-own agreement and that has as its
22 denominator the total number of periodic rental payments.

23 **(10) RESPONSIBILITY FOR THEFT OR DAMAGE.** A statement that, unless otherwise
24 agreed, the lessee is responsible for the fair market value of the rental property,
25 determined according to the early-purchase option formula under sub. (9), if the

1 rental property is stolen, damaged, or destroyed while in the possession of or subject
2 to the control of the lessee. The statement shall indicate that the fair market value
3 will be determined as of the date on which the rental property is stolen, damaged,
4 or destroyed.

5 **(11) SERVICE AND WARRANTY.** A statement that during the term of the
6 rent-to-own agreement, the rental-purchase company is required to service the
7 rental property to maintain it in good working condition, as long as no other person
8 has serviced the rental property. In lieu of servicing the rental property, the
9 rental-purchase company may, at its option, replace the rental property. The
10 rental-purchase company's obligation to provide service is limited to defects in the
11 property not caused by improper use or neglect by the lessee or harmful conditions
12 outside the control of the rental-purchase company or manufacturer.

13 **(12) TERMINATION AT OPTION OF LESSEE.** A statement that the lessee may
14 terminate the agreement at any time without penalty by voluntarily surrendering
15 or returning the rental property in good repair.

16 **(13) RIGHT TO REINSTATE.** A brief explanation of the lessee's right to reinstate
17 a rent-to-own agreement under s. 218.654.

18 **(14) RENTAL, NOT PURCHASE.** A statement that the lessee will not own the rental
19 property until the lessee has made all payments necessary to acquire ownership or
20 has exercised the lessee's early-purchase option. The rental-purchase company
21 shall also include a notice reading substantially as follows: "You are renting this
22 property. You will not own the property until you make all payments necessary to
23 acquire ownership or until you exercise your early-purchase option. If you do not
24 make your payments as scheduled or exercise your early-purchase option, the lessor
25 may repossess the property."

1 **(15) INFORMATION ABOUT RENTAL-PURCHASE COMPANY AND LESSEE.** The names of
2 the rental-purchase company and the lessee, the rental-purchase company's
3 business address and telephone number, the lessee's address, and the date on which
4 the rent-to-own agreement is executed.

5 **218.636 Prohibited provisions of rent-to-own agreement.** A
6 rental-purchase company may not include any of the following provisions in a
7 rent-to-own agreement:

8 **(1) CONFESSION.** A confession of judgment.

9 **(2) SECURITY.** A provision granting the rental-purchase company a security
10 interest in any property except the rental property delivered by the rental-purchase
11 company under the rent-to-own agreement.

12 **(3) REPOSSESSION.** A provision authorizing the rental-purchase company or an
13 agent of the rental-purchase company to enter the lessee's premises or to commit a
14 breach of the peace in the repossession of rental property provided by the
15 rental-purchase company under the rent-to-own agreement.

16 **(4) WAIVER.** A waiver of a defense or counterclaim, a waiver of any right to
17 assert any claim that the lessee may have against the rental-purchase company or
18 against an agent of the rental-purchase company, or a waiver of any provision of this
19 subchapter.

20 **(5) OVERPAYMENT.** A provision requiring periodic rental payments totaling more
21 than the total dollar amount of all periodic rental payments necessary to acquire
22 ownership, as disclosed in the rental-purchase agreement.

23 **(6) INSURANCE.** A provision requiring the lessee to purchase insurance from the
24 rental-purchase company to insure the rental property.

25 **(7) ATTORNEY FEES.** A provision requiring the lessee to pay attorney fees.

1 **218.638 Liability waiver.** A rental–purchase company may offer a liability
2 waiver to the lessee. The terms of the waiver shall be provided to the lessee in
3 writing, and the face of the writing shall clearly disclose that the lessee is not
4 required to purchase the waiver. The fee for the waiver may not exceed 10% of the
5 periodic rental payment due under the rent–to–own agreement. The lessee shall be
6 entitled to cancel the waiver at the end of any rental term.

7 **218.64 Early–purchase option.** An early–purchase option under a
8 rent–to–own agreement shall permit the lessee to purchase the rental property at
9 any time after the initial periodic rental payment for an amount determined
10 according to the early–purchase option formula under s. 218.634 (9). As a condition
11 of exercising the early–purchase option, the rental–purchase company may require
12 the lessee to be current on the payments under the lessee’s rent–to–own agreement
13 or to pay any past–due rental charges and other outstanding fees that are owed.

14 **218.642 Receipts and statements. (1) RECEIPTS.** A rental–purchase
15 company shall provide a written receipt to a lessee for any payment made by the
16 lessee in cash, or upon the request of the lessee, for any other type of payment.

17 **(2) STATEMENT DUE TO LESSEE.** Subject to sub. (4), upon the request of a lessee,
18 a rental–purchase company shall provide a written statement to the lessee showing
19 the lessee’s payment history under each rent–to–own agreement between the lessee
20 and the rental–purchase company. A rental–purchase company is not required to
21 provide a statement covering any rent–to–own agreement that terminated more
22 than one year prior to the date of the lessee’s request. A rental–purchase company
23 may provide a single statement covering all rent–to–own agreements or separate
24 statements for each rent–to–own agreement, at the rental–purchase company’s
25 option.

1 **(3) STATEMENT DUE TO 3RD PARTY.** Subject to sub. (4), upon the written request
2 of a lessee, made during the term of or no later than one year after the termination
3 of a rent-to-own agreement, a rental-purchase company shall provide a written
4 statement to any person designated by the lessee, showing the lessee's payment
5 history under the rent-to-own agreement.

6 **(4) FEE FOR STATEMENT.** A lessee or, if appropriate, a lessee's designee is entitled
7 to receive one statement under subs. (2) and (3) without charge once every 12
8 months. A rental-purchase company shall provide an additional statement if the
9 lessee pays the rental-purchase company's reasonable costs of preparing and
10 furnishing the statement.

11 **218.644 Price cards displayed. (1) PRICE CARDS; GENERALLY.** Except as
12 provided under sub. (2), a rental-purchase company shall display a card or tag that
13 clearly and conspicuously states all of the following information on or next to any
14 property displayed or offered by the rental-purchase company for rent under a
15 rent-to-own agreement:

16 (a) The cash price that an individual would pay to purchase the property.

17 (b) The amount of the periodic rental payment and the term over which the
18 payment must be made.

19 (c) The total number and total dollar amount of all periodic rental payments
20 necessary to acquire ownership of the property under a rent-to-own agreement.

21 (d) Whether the property is new or used.

22 **(2) EXCEPTIONS.** If property is offered for rent under a rent-to-own agreement
23 through a catalog, or if the size of the property is such that displaying a card or tag
24 on or next to the property is impractical, a rental-purchase company may make the

1 disclosures required under sub. (1) in a catalog or list that is readily available to
2 prospective lessees.

3 **218.646 Advertising. (1) DISCLOSURE REQUIRED.** Except as provided under
4 sub. (2), if an advertisement for a rent-to-own agreement refers to or states the
5 amount of a payment for a specific item of property, the rental-purchase company
6 shall ensure that the advertisement clearly and conspicuously states all of the
7 following:

8 (a) That the transaction advertised is a rent-to-own agreement.

9 (b) The total number and total dollar amount of all periodic rental payments
10 necessary to acquire ownership of the property.

11 (c) That the lessee does not acquire ownership of the property if the lessee fails
12 to make all periodic rental payments or other payments necessary to acquire
13 ownership of the property.

14 **(2) EXCEPTION.** Subsection (1) does not apply to an in-store display or to an
15 advertisement that is published in the yellow pages of a telephone directory or in a
16 similar directory of businesses.

17 **218.648 Referral transactions. (1) PROHIBITED REFERRAL TRANSACTIONS.** No
18 rental-purchase company may induce any individual to enter into a rent-to-own
19 agreement by giving or offering to give a rebate or discount to the individual in
20 consideration of the individual giving to the rental-purchase company the names of
21 prospective lessees if the earning of the rebate or discount is contingent on the
22 occurrence of any event that takes place after the time that the individual enters into
23 the rent-to-own agreement.

24 **(2) AUTHORIZED REFERRAL TRANSACTIONS.** After entering into a rent-to-own
25 agreement, a rental-purchase company may give or offer to give a rebate or discount

1 to the lessee under the rent-to-own agreement in consideration of the lessee giving
2 to the rental-purchase company the names of prospective lessees. A rebate or
3 discount under this subsection may be contingent on the occurrence of any event that
4 takes place after the time that the names are given to the rental-purchase company.

5 **218.65 Termination of rent-to-own agreement.** The termination date of
6 a rent-to-own agreement is the earlier of the following:

7 (1) The day specified in the rent-to-own agreement as the day on which the
8 rental term ends, unless a different day has been established pursuant to the terms
9 of the rent-to-own agreement.

10 (2) The date on which the lessee voluntarily surrenders the rental property.

11 **218.652 Late payment, grace period, and late fees. (1) LATE FEE;**
12 **GENERALLY.** If a lessee fails to make a periodic rental payment when due under a
13 rent-to-own agreement or if, at the end of any rental term, the lessee fails to return
14 the rental property or to renew the rent-to-own agreement for an additional term,
15 the rental-purchase company may require the lessee to pay a late fee. Except as
16 provided under sub. (4), this subsection does not apply if the lessee's failure to return
17 the rental property or failure to renew the rent-to-own agreement at the end of the
18 rental term is due to the lessee's exercise of an early-purchase option under the
19 rent-to-own agreement or is due to the lessee making all periodic rental payments
20 necessary to acquire ownership of the rental property.

21 (2) **GRACE PERIODS.** The following grace periods shall apply to periodic rental
22 payments made with respect to a rental-purchase agreement:

23 (a) For an agreement that is renewed on a weekly basis, no late fee may be
24 assessed for a periodic rental payment that is made within 2 days after the date on
25 which the payment is due.

1 (b) For an agreement that is renewed for a term that is longer than one week,
2 no late fee may be assessed for a periodic rental payment that is made within 5 days
3 after the date on which the payment is due.

4 **(3) COLLECTION, RECORDING, AND LIMITATION OF LATE FEES.** Late fees are subject
5 to all of the following limitations:

6 (a) A late fee may not exceed \$5 for each past–due periodic rental payment.

7 (b) A late fee may be collected only once on each periodic rental payment due,
8 regardless of how long the payment remains past due.

9 (c) Payments received shall be applied first to the payment of any rent that is
10 due and then to late fees and any other charges.

11 (d) A late fee may be collected at the time that the late fee accrues or at any time
12 afterward.

13 **(4) EFFECT OF OUTSTANDING LATE FEE ON TRANSFER OF OWNERSHIP.** A
14 rental–purchase company may require payment of any outstanding late fees before
15 transferring ownership of rental property to a lessee.

16 **218.654 Reinstatement of terminated rent–to–own agreement. (1)**
17 REINSTATEMENT, GENERALLY. A lessee may reinstate a terminated rent–to–own
18 agreement without losing any rights or options previously acquired if all of the
19 following conditions apply:

20 (a) The lessee returned or surrendered the rental property within 5 days after
21 the termination of the rent–to–own agreement.

22 (b) Not more than 21 days have passed after the date on which the rental
23 property was returned to the rental–purchase company or, if the lessee has paid
24 two–thirds or more of the total number of periodic rental payments necessary to

1 acquire ownership of the rental property, not more than 45 days have passed since
2 the date on which the rental property was returned to the rental–purchase company.

3 (2) AUTHORIZED CONDITIONS ON REINSTATEMENT. As a condition of reinstatement
4 under this section, the rental–purchase company may require the payment of all
5 past–due rental charges, any applicable late fees, a reinstatement fee not to exceed
6 \$5, and the periodic rental payment for the next term.

7 (3) EFFECT OF REPOSSESSION ON REINSTATEMENT. Nothing in this section prohibits
8 a rental–purchase company from attempting to repossess rental property upon
9 termination of a rent–to–own agreement, but repossession efforts do not affect the
10 lessee’s right to reinstate the rent–to–own agreement as long as the rental property
11 is voluntarily returned or surrendered within 5 days after the termination of the
12 rent–to–own agreement.

13 (4) PROPERTY AVAILABLE UPON REINSTATEMENT. Upon reinstatement, the
14 rental–purchase company shall provide the lessee with the same rental property, if
15 the property is available and is in the same condition as when it was returned to the
16 rental–purchase company, or with substitute rental property of comparable quality
17 and condition.

18 **218.656 Reduced periodic rental payment due to reduced income. (1)**
19 REDUCTION IN AMOUNT OF PERIODIC RENTAL PAYMENTS; REQUIRED EVIDENCE. (a)
20 *Reduction in amount of periodic rental payments.* If a lessee’s monthly income is
21 reduced by 25% or more due to pregnancy, disability, involuntary job loss, or
22 involuntary reduction in the amount of hours worked or wages earned, the
23 rental–purchase company shall reduce the amount of each periodic rental payment
24 due under the rent–to–own agreement by the same percentage that the lessee’s
25 monthly income is reduced or by 50%, whichever is less, for the period of time during

1 which the lessee's income is reduced. This paragraph applies only if all of the
2 following conditions are satisfied:

3 1. The total dollar amount of periodic rental payments made by the lessee
4 under the rent-to-own agreement equals more than 50% of the total dollar amount
5 of periodic rental payments necessary to acquire ownership of the rental property.

6 2. The lessee has provided the rental-purchase company with reasonable
7 evidence of the amount and cause of the reduction in the lessee's monthly income.

8 (b) *Evidence of continued reduction in income.* At reasonable intervals after
9 reducing the amount of a periodic rental payment under par. (a), a rental-purchase
10 company may require the lessee to provide evidence of the lessee's monthly income
11 and evidence that the cause of the reduction in the lessee's monthly income has not
12 abated.

13 **(2) INCREASE IN NUMBER OF PERIODIC RENTAL PAYMENTS.** Except as provided in
14 sub. (4), if a rental-purchase company reduces the amount of a periodic rental

19 sub. (4), if a rental-purchase company reduces the amount of a periodic rental
20 payment under sub. (1) (a) and if, subsequently, the lessee's monthly income is
21 increased, the rental-purchase company may increase, by the same percentage that
22 the lessee's monthly income is increased, the amount of each periodic rental payment
23 due after the date on which the lessee's monthly income is increased.

24 **(4) LIMITATION ON INCREASES.** If a rental-purchase company, under sub. (2) or
25 (3), increases the amount or number of periodic rental payments due under a

1 rent-to-own agreement, the increase affects only the rights or duties of the lessee
2 to the extent authorized in sub. (2) or (3). No rental-purchase company, acting under
3 sub. (2) or (3), may increase the total dollar amount of periodic rental payments
4 necessary to acquire ownership of the rental property, or the amount of a periodic
5 rental payment, to greater than the amount disclosed in the rent-to-own agreement.

6 **218.658 Default and right to cure. (1)** DEFAULT; GENERALLY. A lessee is in
7 default under a rent-to-own agreement if any of the following occurs:

8 (a) The lessee fails to return the rental property within 7 days after the date
9 on which the last term for which a periodic rental payment was made expires, unless
10 the lessee has exercised an early-purchase option or has made all periodic rental
11 payments necessary to acquire ownership of the rental property.

12 (b) The lessee materially breaches any other provision of the rent-to-own
13 agreement.

14 **(2)** DEFAULT; NECESSARY FOR LESSEE LIABILITY. No cause of action shall accrue
15 against a lessee with respect to the lessee's obligations under a rent-to-own
16 agreement except upon default and the expiration of any applicable period of time
17 allowed for cure of the default.

18 **(3)** NOTICE OF DEFAULT; GENERAL REQUIREMENT. Except as provided in sub. (4),
19 as a condition precedent to bringing an action against a lessee arising out of the
20 lessee's default, a rental-purchase company shall provide a written notice of the
21 default and of the right to cure the default to the lessee. The notice shall specify the
22 default and the action required to cure the default and shall inform the lessee that,
23 if the default is not cured within 15 days after the notice is given, the rental-purchase
24 company will have the right to bring an action against the lessee.

1 **(4) NOTICE OF DEFAULT; EXCEPTION.** A rental–purchase company is not required
2 to provide a notice of default and right to cure as a condition precedent to bringing

5 agreement:

6 (a) The lessee was in default.

8 and of the lessee’s right to cure under sub. (3).

9 (c) The lessee cured the default.

19 to the lessee or the lessee’s property or to a person related to the lessee.

20 **(2) CRIMINAL PROSECUTION.** Threaten criminal prosecution. It is not a violation

22 of s. 943.20 (1) (e) and the consequences of violating that section.

23 **(3) DISCLOSURE OF FALSE INFORMATION.** Disclose or threaten to disclose
24 information adversely affecting the lessee’s reputation for creditworthiness with
25 knowledge or reason to know that the information is false.

1 **(4) COMMUNICATION WITH LESSEE'S EMPLOYER.** Initiate or threaten to initiate
2 communication with the lessee's employer prior to obtaining final judgment against
3 the lessee, except for the purpose of enforcing an assignment of earnings authorized
4 under s. 218.68. This subsection does not prohibit a rental–purchase company from
5 communicating with a lessee's employer solely to verify employment status or
6 earnings or to determine if the employer has an established debt counseling service
7 or procedure.

8 **(5) DISCLOSURE OF INFORMATION RELATING TO LESSEE'S REPUTATION.** Disclose or
9 threaten to disclose to a person other than the lessee or the lessee's spouse
10 information affecting the lessee's reputation, whether or not for creditworthiness,
11 with knowledge or reason to know that the other person does not have a legitimate
12 business need for the information, except that this subsection does not prohibit any
13 of the following:

14 (a) The disclosure to another person of information permitted to be disclosed
15 to that person by statute.

22 with such frequency, at such unusual hours, or in such a manner as can reasonably
23 be expected to threaten or harass the lessee or a person related to the lessee, or
24 engage in any other conduct that can reasonably be expected to threaten or harass
25 the lessee or a person related to the lessee.

2 language in communicating with the lessee or a person related to the lessee.

3 **(9) USE OF THREAT TO ENFORCE FALSE RIGHT.** Threaten to enforce a right with
4 knowledge that the right does not exist.

5 **(10) USE OF FALSE PROCESS.** Use a communication that simulates legal or
6 judicial process or that gives the appearance of being authorized, issued, or approved
7 by a government, government agency, or attorney-at-law when it is not.

8 **(11) USE OF THREAT TO SUE.** Threaten to file a civil action against the lessee
9 unless the civil action is of a type that the rental-purchase company files in the
10 regular course of business or unless the rental-purchase company intends to file the
11 civil action against the lessee.

12 **218.68 Assignment of earnings.** No rental-purchase company may take or
13 arrange for an assignment of earnings of an individual for payment or as security for
14 payment of an obligation arising out of a rent-to-own agreement unless the

22 a relocation of the licensee's place of business by the date specified in s. 218.626 (1),
23 or fails to provide notice to the division of other changes as required under s. 218.626
24 (2) by the date specified in s. 218.626 (2) may be required to forfeit not more than \$50.

1 Each day that a failure described in this subsection continues constitutes a separate
2 offense.

4 additional information, data, or records requested by the division under s. 218.626
5 (2) by the date specified in s. 218.626 (2) may be required to forfeit not more than
6 \$100. Each day that a failure described in this subsection continues constitutes a
7 separate offense.

9 ss. 218.617 to 218.628 other than those provisions described in subs. (1) and (2) may
10 be fined not more than \$1,000, imprisoned for not more than 6 months, or both.

11 **218.684 Civil actions and defenses. (1) LIABILITY; GENERALLY.** Except as
12 provided under subs. (2) to (6), a rental–purchase company that violates any

15 fees as determined by the court, plus an amount equal to the greater of the following:

16 (a) The actual damages, including any incidental and consequential damages,
17 sustained by the lessee as a result of the violation.

18 (b) An amount equal to 25% of the total amount of payments due in one month
19 under the lessee’s rent–to–own agreement, except that liability under this
20 paragraph may not be less than \$100 nor more than \$1,000.

21 **(2) LIABILITY; CERTAIN VIOLATIONS.** Except as provided in subs. (4) and (5), if a
22 rental–purchase company violates s. 218.636, the lessee may retain the rental
23 property under the rent–to–own agreement without obligation to pay any amount
24 and may recover any amounts paid to the rental–purchase company under the
25 rent–to–own agreement.

1 **(3) CLASS ACTION.** In the case of a class action, a rental–purchase company that
2 violates this subchapter is liable to the members of the class in an amount
3 determined by the court, except that the total recovery for all lessees whose recovery
4 is computed under sub. (1) (b) may not exceed \$100,000 plus the costs of the action
5 and, notwithstanding s. 814.04 (1), reasonable attorney fees as determined by the
6 court. In determining the amount to award under this subsection, the court shall
7 consider, among other relevant factors, the amount of actual damages sustained by
8 the members of the class, the frequency and persistence of the violations by the
9 rental–purchase company, the resources of the rental–purchase company, the
10 number of persons damaged by the violation, the presence or absence of good faith
11 on the part of the rental–purchase company, and the extent to which the violation
12 was intentional.

13 **(4) DEFENSE; ERROR NOTIFICATION AND CORRECTION.** A rental–purchase company
14 is not liable for a violation of this subchapter resulting from an error by the
15 rental–purchase company if, within 60 days after discovering the error, the
16 rental–purchase company notifies the lessee of the error and makes any adjustments
17 necessary to correct the error.

18 **(5) DEFENSE; UNINTENTIONAL ERROR.** A rental–purchase company is not liable
19 for a violation of this subchapter if the rental–purchase company shows by a
20 preponderance of the evidence that the violation was not intentional, that the
21 violation resulted from a bona fide error notwithstanding the maintenance of
22 procedures reasonably adopted to avoid the error, and that the rental–purchase
23 company has acted to correct the error. A bona fide error under this subsection
24 includes a clerical error, an error in making calculations, an error due to computer
25 malfunction or to computer programming, or a printing error.

1 **(6) LIABILITY FOR MULTIPLE VIOLATIONS.** Multiple violations of this subchapter

5 the lessee to an additional recovery under sub. (1).

7 rent-to-own agreement, all of the lessees that are parties to the rent-to-own

1 improper venue, the court shall transfer the action to any county that is a proper
2 place of trial.

3 **(3) MULTIPLE DEFENDANTS.** If there are several defendants in an action arising

4 through income withholding under s. 767.265 (2m). If the department or its designee
5 determines that income withholding is inapplicable, ineffective, or insufficient for
6 the collection of any unpaid fees under this subdivision, the department or its
7 designee may move the court for a remedial sanction under ch. 785. The department
8 or its designee may contract with or employ a collection agency or other person for
9 the collection of any unpaid fees under this subdivision and, notwithstanding s.

14 **SECTION 3793e.** 767.32 (1) (a) of the statutes is amended to read:

15 767.32 (1) (a) After a judgment or order providing for child support under this
16 chapter or s. 48.355 (2) (b) 4., 48.357 (5m) (a), 48.363 (2), 938.183 (4), 938.355 (2) (b)
17 4., 938.357 (5m) (a), 938.363 (2), or 948.22 (7), maintenance payments under s.
18 767.26, or family support payments under this chapter, or for the appointment of
19 trustees under s. 767.31, the court may, from time to time, on the petition, motion,
20 or order to show cause of either of the parties, or upon the petition, motion, or order
21 to show cause of the department, a county department under s. 46.215, 46.22, or
22 46.23, or a county child support agency under s. 59.53 (5) if an assignment has been
23 made under s. 46.261, 48.57 (3m) (b) 2. or (3n) (b) 2., 49.19 (4) (h), or 49.45 (19) or if

4 respecting any of the matters that such court might have made in the original action,
5 except that a judgment or order that waives maintenance payments for either party
6 shall not thereafter be revised or altered in that respect nor shall the provisions of
7 a judgment or order with respect to final division of property be subject to revision
8 or modification. ~~A- Except as provided in par. (d), a revision, under this section,~~ of
9 a judgment or order with respect to an amount of child or family support may be made
10 only upon a finding of a substantial change in circumstances. In any action under
11 this section to revise a judgment or order with respect to maintenance payments, a
12 substantial change in the cost of living by either party or as measured by the federal
13 bureau of labor statistics may be sufficient to justify a revision of judgment or order
14 with respect to the amount of maintenance, except that a change in an obligor's cost
15 of living is not in itself sufficient if payments are expressed as a percentage of income.

16 **SECTION 3793f.** 767.32 (1) (d) of the statutes is created to read:

17 767.32 (1) (d) In an action under this section to revise a judgment or order with
18 respect to child or family support, the court is not required to make a finding of a
19 substantial change in circumstances to change to a fixed sum the manner in which
20 the amount of child or family support is expressed in the judgment or order.

21 **SECTION 3793g.** 767.33 of the statutes is repealed and recreated to read:

22 **767.33 Annual adjustments in support orders.** (1) (a) An order for child
23 or family support under this chapter may provide for an annual adjustment in the
24 amount to be paid based on a change in the payer's income if the amount of child or
25 family support is expressed in the order as a fixed sum and based on the percentage

1 standard established by the department under s. 49.22 (9). No adjustment may be
2 made under this section unless the order provides for the adjustment.

3 (b) An adjustment under this section may not be made more than once in a year
4 and shall be determined on the basis of the percentage standard established by the
5 department under s. 49.22 (9).

6 (c) In the order the court or family court commissioner shall specify what
7 information the parties must exchange to determine whether the payer's income has
8 changed, and shall specify the manner and timing of the information exchange.

9 **(2)** If the court or family court commissioner provides for an annual
10 adjustment, the court or family court commissioner shall make available to the
11 parties, including the state if the state is a real party in interest under s. 767.075 (1),
12 a form approved by the court or family court commissioner for the parties to use in
13 stipulating to an adjustment of the amount of child or family support and to
14 modification of any applicable income-withholding order. The form shall include an
15 order, to be signed by a judge or family court commissioner, for approval of the
16 stipulation of the parties.

17 **(3)** (a) If the payer's income changes from the amount found by the court or
18 family court commissioner or stipulated to by the parties for the current child or
19 family support order, the parties may implement an adjustment under this section
20 by stipulating, on the form under sub. (2), to the changed income amount and the
21 adjusted child or family support amount, subject to sub. (1) (b).

22 (b) The stipulation form must be signed by all parties, including the state if the
23 state is a real party in interest under s. 767.075 (1), and filed with the court. If the
24 stipulation is approved, the order shall be signed by a judge or family court
25 commissioner and implemented in the same manner as an order for a revision under

1 s. 767.32. An adjustment under this subsection shall be effective as of the date on
2 which the order is signed by the judge or family court commissioner.

3 **(4)** (a) Any party, including the state if the state is a real party in interest under
4 s. 767.075 (1), may file a motion, petition, or order to show cause for implementation
5 of an annual adjustment under this section if any of the following applies:

6 1. A party refuses to provide the information required by the court under sub.
7 (1) (c).

8 2. The payer's income changes, but a party refuses to sign the stipulation for
9 an adjustment in the amount of child or family support.

10 (b) If the court or family court commissioner determines after a hearing that
11 an adjustment should be made, the court or family court commissioner shall enter
12 an order adjusting the child or family support payments by the amount determined
13 by the court or family court commissioner, subject to sub. (1) (b). An adjustment
14 under this subsection may not take effect before the date on which the party
15 responding to the motion, petition, or order to show cause received notice of the action
16 under this subsection.

17 (c) Notwithstanding par. (b), the court or family court commissioner may direct
18 that all or part of the adjustment not take effect until such time as the court or family
19 court commissioner directs, if any of the following applies:

20 1. The payee was seeking an adjustment and the payer establishes that
21 extraordinary circumstances beyond his or her control prevent fulfillment of the
22 adjusted child or family support obligation.

23 2. The payer was seeking an adjustment and the payee establishes that the
24 payer voluntarily and unreasonably reduced his or her income below his or her
25 earning capacity.

1 3. The payer was seeking an adjustment and the payee establishes that the
2 adjustment would be unfair to the child.

3 (d) If in an action under this subsection the court or family court commissioner
4 determines that a party has unreasonably failed to provide the information required
5 under sub. (1) (c) or to provide the information on a timely basis, or unreasonably
6 failed or refused to sign a stipulation for an annual adjustment, the court or family
7 court commissioner may award to the aggrieved party actual costs, including service
8 costs, any costs attributable to time missed from employment, the cost of travel to
9 and from court, and reasonable attorney fees.

10 (5) (a) Nothing in this section affects a party's right to file at any time a motion,
11 petition, or order to show cause under s. 767.32 for revision of a judgment or order
12 with respect to an amount of child or family support.

13 (b) Nothing in this section affects a party's right to move the court for a finding
14 of contempt of court or for remedial sanctions under ch. 785 if the other party
15 unreasonably fails to provide or disclose information required under this section or
16 unreasonably fails or refuses to sign a stipulation for an annual adjustment.

21 (b) Except as provided in par. (a), the court may include in the judgment or order
22 determining paternity an order changing the surname of the child to a surname that
23 consists of the surnames of both parents separated by a hyphen or, if one or both
24 parents have more than one surname, of one of the surnames of each parent
25 separated by a hyphen, if all of the following apply:

1 1. Only one parent requests that the child's name be changed, or both parents
2 request that the child's name be changed but each parent requests a different name

9 with respect to the man. The court or the county child support agency under s. 59.53
10 (5) shall notify the state registrar, in the manner provided in s. 69.15 (1) (b), to remove

12 attorney whether biological material has been tested and shall make available to the
13 district attorney the following material:

14 1. Findings based on testing of biological materials.

21 made under sub. (2).

22 (7) (a) A court in which a motion under sub. (2) is filed shall order forensic
23 deoxyribonucleic acid testing if all of the following apply:

1 2. It is reasonably probable that the movant would not have been prosecuted,

15 the delinquency adjudication for the offense at issue in the motion under sub. (2), or
16 the terms of the sentence, the commitment under s. 971.17, or the disposition under
17 ch. 938, would have been more favorable to the movant if the results of
18 deoxyribonucleic acid testing had been available before he or she was prosecuted,
19 convicted, found not guilty by reason of mental disease or defect, or adjudicated
20 delinquent for the offense.

21 2. The evidence to be tested meets the conditions under sub. (2) (a) to (c).

22 3. The chain of custody of the evidence to be tested establishes that the evidence
23 has not been tampered with, replaced, or altered in any material respect or, if the
24 chain of custody does not establish the integrity of the evidence, the testing itself can
25 establish the integrity of the evidence.

1 **(8)** The court may impose reasonable conditions on any testing ordered under
2 this section in order to protect the integrity of the evidence and the testing process.
3 If appropriate and if stipulated to by the movant and the district attorney, the court

5 165.77 (2m).

6 **(9)** If a court in which a motion under sub. (2) is filed does not order forensic
7 deoxyribonucleic acid testing, or if the results of forensic deoxyribonucleic acid
8 testing ordered under this section are not supportive of the movant's claim, the court
9 shall determine the disposition of the evidence specified in the motion subject to the
10 following:

11 (a) If a person other than the movant is in custody, as defined in s. 968.205 (1)
12 (a), the evidence is relevant to the criminal, delinquency, or commitment proceeding
13 that resulted in the person being in custody, the person has not been denied
14 deoxyribonucleic acid testing or postconviction relief under this section, and the
15 person has not waived his or her right to preserve the evidence under s. 165.81 (3),
16 757.54 (2), 968.205, or 978.08, the court shall order the evidence preserved until all
17 persons entitled to have the evidence preserved are released from custody, and the
18 court shall designate who shall preserve the evidence. The court may not issue an
19 order under this paragraph requiring that an agency transfer evidence to a crime
20 laboratory specified under s. 165.75 for the purpose of preservation of the evidence
21 by the crime laboratory, unless the crime laboratory consents to the transfer.

22 (b) If the conditions in par. (a) are not present, the court shall determine the
23 disposition of the evidence, and, if the evidence is to be preserved, by whom and for
24 how long. The court shall issue appropriate orders concerning the disposition of the
25 evidence based on its determinations. The court may not issue an order under this

1 paragraph requiring that an agency transfer evidence to a crime laboratory specified
2 under s. 165.75 for the purpose of preservation of the evidence by the crime
3 laboratory, unless the crime laboratory consents to the transfer.

4 **(10)** (a) If the results of forensic deoxyribonucleic acid testing ordered under
5 this section support the movant's claim, the court shall schedule a hearing to
6 determine the appropriate relief to be granted to the movant. After the hearing, and
7 based on the results of the testing and any evidence or other matter presented at the
8 hearing, the court shall enter any order that serves the interests of justice, including
9 any of the following:

12 delinquency.

25 of counsel under s. 977.05 (4) (j).

2 by the court under this section if the court determines that the movant is not
3 indigent. If the court determines that the movant is indigent, the court shall order
4 the costs of the testing to be paid for from the appropriation account under s. 20.410

11 and physical presence under sub. (1) to the facts that existed on the date that the
