17 elector of a facsimile transmission number or electronic mail address where the
18 elector can receive an absentee ballot, transmit a facsimile or electronic copy of the
19 absent elector’s ballot to that elector in lieu of mailing under this subsection if, in the
20 judgment of the clerk, the time required to send the ballot through the mail may not
21 be sufficient to enable return of the ballot by the time provided under sub. (6). An
22 elector may receive an absentee ballot under this subsection only if the elector has
23 filed a valid application for the ballot under sub. (1). If the clerk transmits an
24 absentee ballot under this paragraph, the clerk shall also transmit a facsimile or
25 electronic copy of the text of the material that appears on the certificate envelope

1 prescribed in sub. (2), together with instructions prescribed by the board. The
2 instructions shall require the absent elector to make and subscribe to the
3 certification as required under sub. (4) and to enclose the absentee ballot in a
4 separate envelope contained within a larger envelope, that shall include the
5 completed certificate. The elector shall then mail the absentee ballot with postage
6 prepaid to the municipal clerk. An absentee ballot received under this paragraph
7 shall not be counted unless it is cast in the manner prescribed in this paragraph and
8 in accordance with the instructions provided by the board.

9 **SECTION 69m.** 6.87 (4) and (5) of the statutes are amended to read:

10 **6.87 (4)** Except as otherwise provided in s. 6.875, the elector voting absentee
11 shall make and subscribe to the certification before one witness. The absent elector,
12 in the presence of the witness, shall mark ~~or punch~~ the ballot in a manner that will
13 not disclose how the elector's vote is cast. The elector shall then, still in the presence
14 of the witness, fold the ballots if they are paper ballots so each is separate and so that
15 the elector conceals the markings thereon and deposit them in the proper envelope.
16 If a consolidated ballot under s. 5.655 is used, the elector shall fold the ballot if it is
17 a paper ballot so that the elector conceals the markings thereon and deposit the ballot
18 in the proper envelope. The elector may receive assistance under sub. (5). The return
19 envelope shall then be sealed. The witness may not be a candidate. The envelope
20 shall be mailed by the elector, postage prepaid, or delivered in person, to the
21 municipal clerk issuing the ballot or ballots. Failure to return an unused ballot in
22 a primary does not invalidate the ballot on which the elector's votes are cast. Return
23 of more than one marked ~~or punched~~ ballot in a primary or return of a ballot prepared
24 under s. 5.655 or a ballot used with an electronic voting system in a primary which

1 is marked ~~or punched~~ for candidates of more than one party invalidates all votes cast
2 by the elector for candidates in the primary.

3 (5) If the absent elector declares that he or she is unable to read, has difficulty
4 in reading, writing or understanding English or due to disability is unable to mark
5 ~~or punch~~ his or her ballot, the elector may select any individual, except the elector's
6 employer or an agent of that employer or an officer or agent of a labor organization
7 which represents the elector, to assist in marking ~~or punching~~ the ballot, and the
8 assistant shall then sign his or her name to a certification on the back of the ballot,
9 as provided under s. 5.55.

10 SECTION 69s. 6.875 (6) of the statutes is amended to read:

11 6.875 (6) Special voting deputies in each municipality shall, not later than 5
12 p.m. on the Friday preceding an election, arrange one or more convenient times with
13 the administrator of each nursing home or qualified retirement home and qualified
14 community-based residential facility in the municipality from which one or more
15 occupants have filed an application under s. 6.86 to conduct absentee voting for the
16 election. The time may be no earlier than the 4th Monday preceding the election and
17 no later than 5 p.m. on the Monday preceding the election. Upon request of a relative
18 of an occupant of a nursing home or qualified retirement home or qualified
19 community-based residential facility, the administrator may notify the relative of
20 the time or times at which special voting deputies will conduct absentee voting at the
21 home or facility, and permit the relative to be present in the room where the voting
22 is conducted. At the designated time, 2 deputies appointed under sub. (4) shall visit
23 the nursing home or qualified retirement home or qualified community-based
24 residential facility. The municipal clerk or executive director of the board of election
25 commissioners shall issue a supply of absentee ballots to the deputies sufficient to

1 provide for the number of valid applications received by the clerk, and a reasonable
2 additional number of ballots. The municipal clerk or executive director shall keep
3 a careful record of all ballots issued to the deputies and shall require the deputies to
4 return every ballot issued to them. The deputies shall personally offer each elector
5 who has filed a proper application the opportunity to cast his or her absentee ballot.
6 If an elector is present who has not filed a proper application, the 2 deputies may
7 accept an application from the elector and shall issue a ballot to the elector if the
8 elector is qualified and the application is proper. The deputies shall administer the
9 oath and may, upon request of the elector, assist the elector in marking ~~or punching~~
10 the elector's ballot. Upon request of the elector, a relative of the elector who is present
11 in the room may assist the elector in marking ~~or punching~~ the elector's ballot. All
12 voting shall be conducted in the presence of the deputies. No individual other than
13 a deputy may administer the oath and no individual other than a deputy or relative
14 of an elector may render voting assistance to the elector. Upon completion of the
15 voting, the deputies shall promptly deliver, either personally or by 1st class mail, any
16 absentee ballot applications and the sealed certificate envelope containing each
17 ballot to the clerk or board of election commissioners of the municipality in which the
18 elector casting the ballot resides, within such time as will permit delivery to the
19 polling place serving the elector's residence on election day. Personal delivery may
20 be made by the deputies no later than noon on election day. If a qualified elector is
21 not able to cast his or her ballot on 2 separate visits by the deputies to the nursing
22 home or qualified retirement home, they shall so inform the municipal clerk or
23 executive director of the board of election commissioners, who may then send the
24 ballot to the elector no later than 5 p.m. on the Friday preceding the election.

25 **SECTION 72m.** 7.03 (1) (a) of the statutes is amended to read:

1 7.03 (1) (a) A reasonable daily compensation shall be paid to each inspector,
2 voting machine custodian, automatic tabulating equipment technician, member of

6 Alternatively, such officials may be paid by the hour at a proportionate rate for each
7 hour actually worked.

8 **SECTION 76ab.** 7.08 (7) of the statutes is created to read:

9 7.08 (7) VOTING SYSTEM TRANSITIONAL ASSISTANCE. From the appropriation under
10 s. 20.510 (1) (c), provide assistance to municipalities that used punch card electronic
11 voting systems at the 2001 spring election to enable the municipalities to employ
12 another type of electronic voting system, and provide training for election officials
13 in the use of replacement systems.

14 **SECTION 76ac.** 7.08 (7) of the statutes, as created by 2001 Wisconsin Act (this
15 act), is repealed.

16 **SECTION 81aa.** 7.15 (1) (e) of the statutes is amended to read:

17 7.15 (1) (e) ~~Instruct~~ In coordination with the board, instruct election officials
18 in their duties, calling them together whenever advisable, advise them of changes
19 in laws, rules and procedures affecting the performance of their duties, and
20 administer examinations as authorized under s. 7.30 (2) (c). The clerk shall assure
21 that officials who serve at polling places where an electronic voting system is used
22 are familiar with the system and competent to instruct electors in its proper use. The
23 clerk shall inspect systematically and thoroughly the conduct of elections in the
24 municipality so that elections are honestly, efficiently and uniformly conducted.

8 body may reduce the number of inspectors to 5. A municipal governing body may
9 provide for the appointment of additional inspectors whenever more than one voting
10 machine is used or wards are combined under s. 5.15 (6) (b). A municipal governing
11 body may provide by ordinance for the selection of alternate officials or the selection
12 of 2 or more sets of officials to work at different times on election day, and may permit
13 the municipal clerk or board of election commissioners to establish different working
14 hours for different officials assigned to the same polling place. Alternate officials
15 shall also be appointed in a number sufficient to maintain adequate staffing of
16 polling places. Unless officials are appointed without regard to party affiliation
17 under sub. (4) (c), additional officials shall be appointed in such a manner that the
18 total number of officials is an odd number and the predominant party under sub. (2)
19 is represented by one more official than the other party.

20 **SECTION 85m.** 7.30 (6) (b) of the statutes is amended to read:

24 certified by the board under s. 7.31 at the time of the election. The chief inspector
25 shall hold the position for the remainder of the term unless the inspector ceases to

1 be certified under s. 7.31, except that whenever wards are combined or separated
2 under s. 5.15 (6) (b), the inspectors shall elect a new chief inspector who is certified
3 under s. 7.31. If a vacancy occurs in the position of chief inspector, the municipal
4 clerk shall appoint one of the other inspectors who is certified under s. 7.31 to fill the
5 vacancy.

6 **SECTION 85s.** 7.31 of the statutes is created to read:

7 **7.31 Training and certification of chief inspectors. (1)** The board shall,
8 by rule, prescribe requirements for certification of individuals to serve as chief
9 inspectors.

10 **(2)** No individual may serve as a chief inspector at a polling place in an election
11 unless the individual is certified by the board to hold that office on the date of the
12 election at which the individual serves.

13 **(3)** The board shall, upon application, issue certificates to qualified individuals
14 who meet the requirements to be certified as chief inspectors. Each certificate shall
15 carry an expiration date.

16 **(4)** The board shall require each individual to whom a certificate is issued
17 under this section to meet requirements to maintain that certification. The board
18 shall renew the certificate of any individual who requests renewal and who meets the
19 requirements prescribed under this subsection.

20 **(5)** The board shall conduct regular training and administer examinations to
21 ensure that individuals who are certified by the board under this section are
22 knowledgeable concerning their authority and responsibilities. The board shall pay
23 all costs required to conduct the training and to administer the examinations from
24 the appropriation under s. 20.510 (1) (b).

25 **SECTION 86.** 7.33 (1) (c) of the statutes is amended to read:

1 7.33 (1) (c) “State agency” has the meaning given under s. 20.001 (1) and

3 **SECTION 87f.** 7.33 (4) of the statutes is amended to read:

4 7.33 (4) Each Except as otherwise provided in this subsection, each local
5 governmental unit, as defined in s. 16.97 (7), may, and each state agency shall, upon
6 proper application under sub. (3), permit each of its employees to serve as an election
7 official without loss of fringe benefits or seniority privileges earned for scheduled
8 working hours during the period specified in sub. (3), ~~and~~ without loss of pay for
9 scheduled working hours during the period specified in sub. (3) except as provided
10 in sub. (5), and ~~shall not impose~~ without any other penalty ~~upon an employee who~~
11 ~~serves as an election official.~~ For employees who are included in a collective
12 bargaining unit for which a representative is recognized or certified under subch. V
13 of ch. 111, this subsection shall apply unless otherwise provided in a collective
14 bargaining agreement.

15 **SECTION 87m.** 7.33 (5) of the statutes is amended to read:

16 7.33 (5) Any employee of the state a local governmental unit, as defined in s.
17 16.97 (7), or state agency who obtains a paid leave of absence under sub. (4) in order
18 to serve as an election official under s. 7.30 shall certify in writing to the head of the
19 local governmental unit or state agency by which he or she is employed the amount
20 of compensation that the employee receives for such service. Upon receipt of the
21 certification, the head of the local governmental unit or state agency shall deduct
22 that amount from the employee’s pay earned for scheduled working hours during the
23 period specified in sub. (2) when the employee is on a paid leave of absence.

24 **SECTION 87o.** 7.37 (4) of the statutes is amended to read:

1 **7.37 (4) BALLOTING PROCEDURE.** At polling places which utilize paper ballots or
2 electronic voting systems in which ballots are distributed to electors, 2 inspectors
3 shall be assigned to take charge of the official ballots. They shall write their initials
4 on the back of each ballot and deliver to each elector as he or she enters the voting
5 booth one ballot properly endorsed by each of them. Where paper ballots are used,
6 the inspectors shall fold each ballot in the proper manner to be deposited before
7 delivering it to the elector. If asked, inspectors may instruct any elector as to the
8 proper manner of marking ~~or punching~~ the ballot, but they may not give advice,
9 suggestions, express any preferences or make any requests as to the person for
10 whom, the question on which or the ballot on which the elector shall vote.

11 **SECTION 87q.** 7.37 (8) of the statutes is amended to read:

12 **7.37 (8) ELECTRONIC VOTING SYSTEMS.** Prior to the opening of the polling place,
13 wherever electronic voting systems employing voting devices are used, the
14 inspectors shall place the voting devices in position for voting and examine them to
15 see that they are in proper working order ~~and that they have the correct ballot labels~~
16 ~~by comparing them with the sample ballots.~~

17 **SECTION 87s.** 7.50 (1) (d) and (2) (a), (b) and (d) of the statutes are amended to
18 read:

19 **7.50 (1) (d)** Whenever an electronic voting system is used at a polling place in
20 a partisan primary, and the same ballot is utilized to cast votes for candidates of more
21 than one recognized political party or candidates of a party and independent
22 candidates, if an elector designates a preference for a party or for independent
23 candidates, only votes cast within that preference category may be counted. If an
24 elector does not designate a preference and makes a mark ~~or punch~~ or affixes a
25 sticker opposite candidates of more than one recognized political party or opposite

1 a candidate in the independent candidates' column and a candidate of a recognized
2 political party, no votes cast by the elector for any candidate for partisan office are
3 valid. Votes for other candidates and votes on ballot questions, if any, shall be
4 counted if otherwise valid.

5 (2) (a) At a general election, if the elector places a mark, symbol or sticker ~~or~~
6 ~~punches a hole~~ under a party designation at the head of a column in or near the space
7 indicated for that purpose, it is a vote for all the candidates whose names appear in
8 the marked ~~or punched~~ column except as otherwise provided in this paragraph. If
9 a name is stricken, it is not a vote for that candidate. If a name is written in, it is a
10 vote for the write-in candidate. If a sticker is attached it is a vote for the candidate
11 whose name appears on the sticker. If in some other column there is a mark ~~or punch~~
12 in the square to the right of a specific candidate's name or at the place designated on
13 the ballot for marking ~~or punching~~ a vote for a specific candidate for the same office,
14 it is a vote for that specific candidate and no vote may be counted for the candidate
15 for the same office in the column marked ~~or punched~~ for a straight party vote.

16 (b) A ballot cast without any marks, or stickers ~~or punches~~ may not be counted.
17 A ballot without a mark ~~or punch~~ at the top of a party column may be counted only
18 for persons for whom marks ~~or punches~~ are applicable.

19 (d) If an elector writes a person's name in the proper space for write-in
20 candidates for an office, it is a vote for the person written in for the office indicated,
21 regardless of whether the elector strikes the names appearing in the same column
22 for the same office, or places a mark ~~or punch~~ by the same or any other name for the
23 same office, or omits placing a mark ~~or punch~~ to the right of the name written in. If
24 an elector is permitted to vote for more than one candidate for the same office in an
25 election and casts one or more write-in votes which, when added to the votes cast for

1 candidates whose names appear on the ballot, exceed the number of votes authorized
2 to be cast for the office, the write-in votes shall be counted and the votes for
3 candidates whose names appear on the ballot may not be counted, unless there are
4 more write-in votes than votes authorized to be cast, in which case no votes may be
5 counted for the office.

6 **SECTION 93m.** 9.01 (1) (a) of the statutes is amended to read:

7 9.01 (1) (a) Any candidate voted for at any election or any elector who voted

9 shall file a verified petition or petitions ~~accompanied by the fee prescribed in par.~~
10 ~~(ag), if any,~~ with the proper clerk or body under par. (ar) not earlier than the time of
11 completion of the canvass and not later than 5 p.m. on the 3rd business day following
12 the last meeting day of the municipal or county board of canvassers determining the
13 election for that office or on that referendum question or, if more than one board of
14 canvassers makes the determination not later than 5 p.m. on the 3rd business day
15 following the last meeting day of the last board of canvassers which makes a
16 determination. If the chairperson of the board or chairperson's designee makes the
17 determination for the office or the referendum question, the petitioner shall file the
18 petition not earlier than the last meeting day of the last county board of canvassers
19 to make a statement in the election or referendum and not later than 5 p.m. on the
20 3rd business day following the day on which the elections board receives the last
21 statement from a county board of canvassers for the election or referendum. Each
22 verified petition shall state that at the election the petitioner was a candidate for the
23 office in question or that he or she voted on the referendum question in issue; that
24 the petitioner is informed and believes that a mistake or fraud has been committed
25 in a specified ward or municipality in the counting and return of the votes cast for

1 the office or upon the question; or shall specify any other defect, irregularity or
2 illegality in the conduct of the election. The petition shall specify each ward, or each
3 municipality where no wards exist, in which a recount is desired. If a recount is
4 requested for all wards within a jurisdiction, each ward need not be specified. The
5 petition may be amended to include information discovered as a result of the
6 investigation of the board of canvassers or the chairperson of the board or
7 chairperson's designee after the filing of the petition, if the petitioner moves to
8 amend the petition as soon as possible after the petitioner discovered or reasonably
9 should have discovered the information which is the subject of the amendment and
10 the petitioner was unable to include information in the original petition.

11 **SECTION 93n.** 9.01 (1) (ad) of the statutes is created to read:

12 9.01 (1) (ad) Upon receiving a petition for a recount, the clerk or body receiving
13 the petition shall calculate any fee due under par. (ag) 1m. or reasonably estimate
14 any fee due under par. (ag) 2. The clerk or body shall provide the petitioner promptly
15 with the total due or estimate.

16 **SECTION 93o.** 9.01 (1) (ag) 1. of the statutes is amended to read:

17 9.01 (1) (ag) 1. ~~Each petition for a recount shall be accompanied by the fee~~
18 ~~prescribed in this paragraph.~~ If the difference between the votes cast for the leading
19 candidate and those cast for the petitioner or the difference between the affirmative
20 and negative votes cast upon any referendum question is less than 10 if 1,000 or less
21 votes are cast or ~~less~~ not more than ~~.5%~~ 0.5% of the total votes cast for the office or
22 on the question if more than 1,000 votes are cast, the petitioner is not required to pay
23 a fee.

24 **SECTION 93p.** 9.01 (1) (ag) 1m. of the statutes is created to read:

1 9.01 (1) (ag) 1m. If the difference between the votes cast for the leading
2 candidate and those cast for the petitioner or the difference between the affirmative
3 and negative votes cast upon any referendum question is at least 10 if 1,000 or less
4 votes are cast or is more than 0.5% but not more than 2% if more than 1,000 votes
5 are cast, the petitioner shall pay a fee of \$5 for each ward for which the petition
6 requests a ballot recount, or \$5 for each municipality for which the petition requests
7 a recount where no wards exist.

8 **SECTION 93q.** 9.01 (1) (ag) 2. of the statutes is amended to read:

9 9.01 (1) (ag) 2. If the difference between the votes cast for the leading candidate
10 and those cast for the petitioner or the difference between the affirmative and
11 negative votes cast upon any referendum question is ~~at least 10 if 1,000 or less votes~~
12 ~~are cast or at least .5%~~ more than 2% if more than 1,000 votes are cast, the petitioner
13 shall pay a fee of \$5 for equal to the actual cost of performing the recount in each ward
14 for which the petition requests a ballot recount, or \$5 for in each municipality for
15 which the petition request a recount where no wards exist.

16 **SECTION 93r.** 9.01 (1) (ag) 3. of the statutes is amended to read:

17 9.01 (1) (ag) 3. All fees calculated or estimated under par. (ad) shall be prepaid
18 in cash or another form of payment which is acceptable to the officer to whom they
19 are paid. No petition for which a fee is required is valid unless the proper calculated
20 or estimated fee is paid at the time of filing.

21 **SECTION 93s.** 9.01 (1) (ag) 3m. of the statutes is created to read:

22 9.01 (1) (ag) 3m. The petitioner shall pay any balance owing toward the fee due
23 under subd. 2. within 30 days after the clerk or body receiving the petition provides
24 the petitioner with a written statement of the amount due. If the petitioner has
25 overpaid the fee due under subd. 2. the clerk or body receiving the petition shall

1 refund the amount overpaid within 30 days after the board of canvassers makes its
2 determination in the recount.

4 9.01 (1) (ar) 3. ~~Upon receipt of~~ Whenever a clerk receives a valid petition and

7 ~~board~~ and any payment under par. (ag) 3., the board shall promptly by certified mail
8 or other expeditious means order the proper county boards of canvassers to
9 commence the recount. County boards of canvassers shall convene no later than 9
10 a.m. on the second day ~~following~~ after receipt of an order and may adjourn for not
11 more than one day at a time until the recount is completed in the county, except that
12 the board may permit extension of the time for adjournment. Returns from a recount
13 ordered by the board shall be transmitted to the office of the board as soon as possible,
14 but in no case later than 13 days from the date of the order of the board directing the
15 recount. The chairperson of the board or the chairperson's designee may not make
16 a determination in any election if a recount is pending before any county board of
17 canvassers in that election. The chairperson of the board or the chairperson's
18 designee need not recount actual ballots, but shall verify the returns of the county
19 boards of canvassers in making his or her determinations.

5 deposit of revenues in the general fund.

6 2. The amount of moneys designated as “Total Expenditures” in the summary
7 in s. 20.005 (1), as published in the biennial budget bill or bills, adjusted by any

25 bill or bills, for the 2nd year of the succeeding biennium and the amount required to

24 month following completion of each calendar quarter, the board of regents shall
25 report to the department and the cochairpersons of the joint committee on finance

1 concerning the number of full-time equivalent positions created or abolished by the

11 created or abolished by the board under this subsection during the preceding fiscal
12 year.

13 (b) The board of regents may not create or abolish any position under par. (a)
14 until the board and the department have entered into a memorandum of
15 understanding that establishes a methodology for identifying and accounting for the
16 cost of funding any positions that are created, including any amounts that the board
17 may include in a certification to the department under s. 20.928 (1). The board and
18 the department shall enter into the memorandum of understanding no later than
19 September 1, 2002.

20 (c) Notwithstanding s. 20.928 (1), in certifying the sum of moneys needed to pay
21 any costs associated with a position that is created under par. (a), the board of regents
22 may only certify the sum that is permitted under the memorandum of understanding
23 entered into under par. (b).

9 are designated as “Taxes” in the summary and the amount of such moneys actually
10 deposited in the general fund during the fiscal year.

11 **(3) (a)** Subject to par. (b), if the amount of moneys projected to be deposited in
12 the general fund during the fiscal year that are designated as “Taxes” in the
13 summary is less than the amount of such moneys actually deposited in the general
14 fund during the fiscal year, the secretary shall annually transfer from the general
15 fund to the budget stabilization fund 50% of the amount calculated under sub. (2).

16 **(b) 1.** If the balance of the budget stabilization fund on June 30 of the fiscal year
17 is at least equal to 5% of the estimated expenditures from the general fund during
18 the fiscal year, as reported in the summary, the secretary may not make the transfer
19 under par. (a).

20 **2.** If the amount transferred under par. (a) would cause the general fund
21 balance on June 30 of the fiscal year to be less than the general fund balance that is
22 required under s. 20.003 (4) for that fiscal year, the secretary shall reduce the amount
23 transferred under par. (a) to the amount that would cause the general fund balance
24 to be equal to the minimum general fund balance that is required under s. 20.003 (4)
25 for that fiscal year.

1 **(4)** If the amount of moneys projected to be deposited in the general fund during

4 annually the secretary shall calculate the difference between the amount calculated
5 under sub. (2) and the amount transferred to the budget stabilization fund under
6 sub. (3). If the difference between the amounts is at least \$115,000,000, the secretary

14 the tobacco settlement agreement, because the secretary, under s. 16.63, has sold the
15 state’s right to receive any of the payments under the tobacco settlement agreement,
16 the secretary shall transfer from the general fund to the tobacco control fund an
17 amount equal to \$6,032,300 less any payments received under the tobacco
18 settlement agreement and deposited in the tobacco control fund in that fiscal year.

4 of purpose and sufficiency of appropriated and allotted funds therefor. In all cases
5 the date of the contract or order governs the fiscal year to which the contract or order
6 is chargeable, unless the secretary determines that the purpose of the contract or
7 order is to prevent lapsing of appropriations or to otherwise circumvent budgetary
8 intent. Upon such approval, the secretary shall immediately encumber all contracts
9 or orders, and indicate the fiscal year to which they are chargeable, except that, for
10 contracts for services funded from the appropriation under s. 20.435 (2) (bj), the

23 Tobacco Settlement Agreement of November 23, 1998.

1 (c) “Tobacco settlement revenues” means the right to receive settlement
2 payments arising from or pursuant to the tobacco settlement agreement and all
3 direct or indirect proceeds of that right.

5 receive any of the payments under the tobacco settlement agreement.

6 **(3)** The secretary may organize one or more nonstock corporations under ch.
7 181 or limited liability companies under ch. 183 for any purpose related to the sale
8 of the state’s right to receive any of the payments under the tobacco settlement
9 agreement and may take any action necessary to facilitate and complete the sale.

11 under the tobacco settlement agreement, the secretary shall require, as a condition
12 of the sale, that the purchaser notify the secretary if any bonds or other obligations

20 (b) Except as otherwise provided in this subsection, the creation, perfection,
21 and enforcement of security interests in tobacco settlement revenues are governed

23 enforcing a valid security interest in tobacco settlement revenues:

1 1. If this state or the Wisconsin health and educational facilities authority is
2 the debtor in the transaction, the proper place to file the required financing
3 statement to perfect the security interest is the department of financial institutions.

4 2. The required financing statement shall include a description of collateral
5 that describes the collateral as general intangibles consisting of the right to receive
6 settlement payments arising from or pursuant to the tobacco settlement agreement
7 and all proceeds of that right. The required financing statement may include any
8 additional description of collateral that is legally sufficient under the laws of this
9 state.

10 3. The tobacco settlement revenues are general intangibles for purposes of ch.
11 409.

12 4. A security interest perfected under this paragraph is enforceable against the
13 debtor, any assignee or grantee, and all third parties, including creditors under any
14 lien obtained by judicial proceedings, subject only to the rights of any third parties
15 holding security interests in the tobacco settlement revenues previously perfected
16 under this paragraph. Unless the applicable security agreement provides otherwise,
17 a perfected security interest in the tobacco settlement revenues is a continuously

7 expressly state that the transaction is a sale or other absolute transfer. After such
8 a transaction, the tobacco settlement revenues are not subject to any claims of the
9 seller or the seller's creditors, other than creditors holding a prior security interest
10 in the tobacco settlement revenues perfected under par. (b).

11 2. The characterization of the sale, assignment, or transfer as an absolute
12 transfer under subd. 1. and the corresponding characterization of the purchaser's
13 property interest is not affected by any of the following factors:

14 a. Commingling of amounts arising with respect to the tobacco settlement
15 revenues with other amounts.

16 b. The retention by the seller of a partial or residual interest, including an
17 equity interest, in the tobacco settlement revenues, whether direct or indirect, or
18 whether subordinate or otherwise.

19 c. The sale, assignment, or transfer of only a portion of the tobacco settlement
20 revenues or an undivided interest in the tobacco settlement revenues.

21 d. Any recourse that the purchaser or its assignees may have against the seller.

22 e. Whether the seller is responsible for collecting payments due under the
23 tobacco settlement revenues or for otherwise enforcing any of the tobacco settlement
24 revenues or retains legal title to the tobacco settlement revenues for the purpose of
25 these collection activities.

1 f. The treatment of the sale, assignment, or transfer for tax purposes.

2 3. The sale, assignment, or transfer is perfected automatically as against third
3 parties, including any third parties with liens created by operation of law or
4 otherwise, upon attachment under ch. 409.

5 4. Nothing in this subsection precludes consideration of the factors listed in
6 subd. 2. a. to e. in determining whether the sale, assignment, or transfer is a sale for
7 tax purposes. The characterization of the sale, assignment, or transfer as an
8 absolute transfer under subd. 1. may not be considered in determining whether the
9 sale, assignment, or transfer is a sale for tax purposes.

10 **(5)** If the secretary sells the state's right to receive any of the payments under
11 the tobacco settlement agreement, the state pledges to and agrees with any
12 purchaser or subsequent transferee of the state's right to receive any of the payments
13 under the tobacco settlement agreement that the state will not limit or alter its
14 powers to fulfill the terms of the tobacco settlement agreement, nor will the state in
15 any way impair the rights and remedies provided under the tobacco settlement
16 agreement. The state also pledges to and agrees with any purchaser or subsequent
17 transferee of the state's right to receive any of the payments under the tobacco
18 settlement agreement that the state will pay all costs and expenses in connection
19 with any action or proceeding brought by or on behalf of the purchaser or any
20 subsequent transferee related to the state's not fulfilling the terms of the tobacco
21 settlement agreement. The secretary may include this pledge and agreement of the
22 state in any contract that is entered into by the secretary under this section.

23 **(6)** If the secretary sells the state's right to receive any of the payments under
24 the tobacco settlement agreement, the state pledges to and agrees with any
25 purchaser or subsequent transferee of the state's right to receive any of the payments

1 under the tobacco settlement agreement that the state will not limit or alter the
2 powers of the secretary under this section until any contract that is entered into
3 under this section is fully performed, unless adequate provision is made by law for
4 the protection of the rights and remedies of the purchaser or any subsequent
5 transferee under the contract. The secretary may include this pledge and agreement
6 of the state in any contract that is entered into by the secretary under this section.

17 under sub. (8) or (8m). If there is a final judgment against the state in such an action,
18 the judgment shall be paid as provided in s. 775.04 together with interest at the rate

11 mental, emotional, or physical harm that will result in the loss of the individual's
12 ability to function independently in the community or the loss of cognitive or
13 volitional control over his or her thoughts or actions. The probability of suffering
14 severe mental, emotional, or physical harm is not substantial under this subd. 2. e.

21 reasonable provision for the individual's care or treatment in the community under
22 this subd. 2. e. The individual's status as a minor does not automatically establish
23 a substantial probability of suffering severe mental, emotional, or physical harm
24 under this subd. 2. e. ~~This subd. 2. e. does not apply after November 30, 2001.~~

17 individual's needs for inpatient care, residential services, community support
18 services, medication and its monitoring, case management, and other services to
19 enable the person to live in the community upon release from an inpatient facility.

9 prevention or offender rehabilitation services to eligible recipients shall certify in
10 writing that it has complied with the requirements of pars. (g) and (j) and submit to

15 or the owner of the property has requested, in writing, that the department make
16 such a classification and the department later does so. A change in ownership,
17 location, or name of the manufacturing establishment does not necessitate a new
18 request. In assessing lands from which metalliferous minerals are being extracted
19 and valued for purposes of the tax under s. 70.375, the value of the metalliferous
20 mineral content of such lands shall be excluded.

21 **SECTION 2121.** 70.995 (6) of the statutes is amended to read:

22 70.995 (6) Prior to February 15 of each year the department of revenue shall
23 notify each municipal assessor of the manufacturing property within the taxation
24 district that, as of that date, will be assessed by the department during the current
25 assessment year.

1 **SECTION 2122.** 70.995 (8) (b) of the statutes is renumbered 70.995 (8) (b) 1. and
2 amended to read:

3 70.995 **(8)** (b) 1. The department of revenue shall annually notify each
4 manufacturer assessed under this section and the municipality in which the
5 manufacturing property is located of the full value of all real and personal property
6 owned by the manufacturer. The notice shall be in writing and shall be sent by 1st
7 class mail. In addition, the notice shall specify that objections to valuation, amount,
8 or taxability must be filed with the state board of assessors within 60 days of issuance
9 of the notice of assessment, that objections to a change from assessment under this
10 section to assessment under s. 70.32 (1) must be filed within 60 days after receipt of
11 the notice, that the fee under par. (c) 1. or (d) must be paid and that the objection is
12 not filed until the fee is paid. A statement shall be attached to the assessment roll
13 indicating that the notices required by this section have been mailed and failure to
14 receive the notice does not affect the validity of the assessments, the resulting tax
15 on real or personal property, the procedures of the tax appeals commission or of the
16 state board of assessors, or the enforcement of delinquent taxes by statutory means.

17 **SECTION 2123.** 70.995 (8) (b) 2. of the statutes is created to read:

18 70.995 **(8)** (b) 2. If a municipality files an objection to the amount, valuation,
19 taxability, or change from assessment under this section and the person assessed
20 does not file an objection, the person assessed may file an appeal within 15 days after
21 the municipality's objection is filed.

25 from assessment under this section to assessment under s. 70.32 (1) of property shall

1 be first made in writing on a form prescribed by the department of revenue ~~and that~~
2 specifies that the objector shall set forth the reasons for the objection, the objector's
3 estimate of the correct assessment, and the basis under s. 70.32 (1) for the objector's
4 estimate of the correct assessment. An objection shall be filed with the state board
5 of assessors within the time prescribed in par. (b) 1. A \$45 fee shall be paid when the
6 objection is filed unless a fee has been paid in respect to the same piece of property
7 and that appeal has not been finally adjudicated. The objection is not filed until the
8 fee is paid. Neither the state board of assessors nor the tax appeals commission may
9 waive the requirement that objections be in writing. Persons who own land and
10 improvements to that land may object to the aggregate value of that land and
11 improvements to that land, but no person who owns land and improvements to that
12 land may object only to the valuation of that land or only to the valuation of
13 improvements to that land.

14 **SECTION 2125.** 70.995 (8) (c) 2. of the statutes is created to read:

15 70.995 (8) (c) 2. A manufacturer who files an objection under subd. 1. may file
16 supplemental information to support the manufacturer's objection within 60 days
17 from the date the objection is filed. The state board of assessors shall notify the
18 municipality in which the manufacturer's property is located of supplemental
19 information filed by the manufacturer under this subdivision, if the municipality has
20 filed an appeal related to the objection.

21 **SECTION 2126.** 70.995 (8) (d) of the statutes is amended to read:

22 70.995 (8) (d) A municipality may file an objection with the state board of
23 assessors to the amount, valuation, or taxability under this section or to the change
24 from assessment under this section to assessment under s. 70.32 (1) of a specific
25 property having a situs in the municipality, whether or not the owner of the specific

1 property in question has filed an objection. Objection shall be made on a form
2 prescribed by the department and filed with the board within 60 days of the date of
3 the issuance of the assessment in question. If the person assessed files an objection
4 and the municipality affected does not file an objection, the municipality affected
5 may file an appeal to that objection within 15 days after the person's objection is filed.

6 A \$45 filing fee shall be paid when the objection is filed unless a fee has been paid
7 in respect to the same piece of property and that appeal has not been finally
8 adjudicated. The objection is not filed until the fee is paid. The board shall forthwith
9 notify the person assessed of the objection filed by the municipality.

10 **SECTION 2127.** 70.995 (8) (dm) of the statutes is amended to read:

11 70.995 **(8)** (dm) The department shall refund filing fees paid under par. (c) 1.
12 or (d) if the appeal in respect to the fee is denied because of lack of jurisdiction.

14 70.995 **(12)** (a) The department of revenue shall prescribe a standard
15 manufacturing property report form that shall be submitted annually for each real
16 estate parcel and each personal property account on or before March 1 by all
17 manufacturers whose property is assessed under this section. The report form shall
18 contain all information considered necessary by the department and shall include,
19 without limitation, income and operating statements, fixed asset schedules and a
20 report of new construction or demolition. Failure to submit the report shall result
21 in denial of any right of redetermination by the state board of assessors or the tax
22 appeals commission. If any property is omitted or understated in the assessment roll
23 in any of the next 5 previous years, the assessor shall enter the value of the omitted
24 or understated property once for each previous year of the omission or
25 understatement. ~~The assessor shall designate each additional entry as omitted or~~

1 ~~understated for the year of omission or understatement.~~ The assessor shall affix a
2 just valuation to each entry for a former year as it should have been assessed
3 according to the assessor's best judgment. Taxes shall be apportioned and collected
4 on the tax roll for each entry, on the basis of the net tax rate for the year of the
5 omission, taking into account credits under s. 79.10, ~~and.~~ In the case of omitted
6 property, interest shall be added at the rate of 0.0267% per day for the period of time
7 between the date when the form is required to be submitted and the date when the
8 assessor affixes the just valuation. In the case of underpayments determined after
9 an objection under s. 70.995 (8) (d), interest shall be added at the average annual
10 discount interest rate determined by the last auction of 6-month U.S. treasury bills
11 before the objection per day for the period of time between the date when the tax was
12 due and the date when it is paid.

14 70.995 (12) (b) The department of revenue shall allow an extension to April 1
15 of the due date for filing the report forms required under par. (a) if a written
16 application for an extension, stating the reason for the request, is filed with the
17 department on or before March 1.

18 **SECTION 2130.** 70.995 (12) (c) of the statutes is amended to read:

19 70.995 (12) (c) Unless the taxpayer shows that the failure is due to reasonable
20 cause, if a taxpayer fails to file any form required under par. (a) for property that the
21 department of revenue assessed during the previous year by the due date or by any
22 extension of the due date that has been granted, the taxpayer shall pay to the
23 department of revenue a penalty of ~~the greater of \$10 or 0.05% of the previous year's~~
24 ~~full value assessment not to exceed \$1,000.~~ ~~If the form required under par. (a) for~~
25 ~~property that the department of revenue assessed during the previous year is not~~

1 ~~filed within 30 days after the due date or within 30 days after any extension, the~~
2 ~~taxpayer shall pay to the department of revenue a 2nd penalty of the greater of \$10~~

7 more than \$750, if the form is filed more than 30 days late. Penalties are due 30 days
8 after they are assessed and are delinquent if not paid on or before that date. The
9 department may refund all or part of any penalty it assesses under this paragraph
10 if it finds reasonable grounds for late filing.

10 paragraph. In no event may any amount in excess of cost be deducted. Paragraph
11 (a) applies to all property purchased prior to July 31, 1975, or purchased and
12 constructed in fulfillment of a written construction contract or formal written bid,
13 which contract was entered into or which bid was made prior to July 31, 1975.

15 71.06 **(2e)** BRACKET INDEXING. For taxable years beginning after
16 December 31, 1998, and before January 1, 2000, the maximum dollar amount in
17 each tax bracket, and the corresponding minimum dollar amount in the next bracket,

22 percentage change between the U.S. consumer price index for all urban consumers,
23 U.S. city average, for the month of August of the previous year and the U.S. consumer
24 price index for all urban consumers, U.S. city average, for the month of August 1997,
25 as determined by the federal department of labor, except that for taxable years

1 beginning after December 31, 2000, and before January 1, 2002, the dollar amount
2 in the top bracket under subs. (1p) (c) and (d), (2) (g) 3. and 4. and (h) 3. and 4. shall
3 be increased ~~each year~~ by a percentage equal to the percentage change between the
4 U.S. consumer price index for all urban consumers, U.S. city average, for the month
5 of August of the previous year and the U.S. consumer price index for all urban
6 consumers, U.S. city average, for the month of August 1999, as determined by the

8 be rounded to the nearest multiple of \$10 if the revised amount is not a multiple of
9 \$10 or, if the revised amount is a multiple of \$5, such an amount shall be increased
10 to the next higher multiple of \$10. The department of revenue shall annually adjust
11 the changes in dollar amounts required under this subsection and incorporate the
12 changes into the income tax forms and instructions.

13 **SECTION 2145m.** 71.07 (2di) (b) 1. of the statutes is amended to read:

14 71.07 **(2di)** (b) 1. Except as provided in subd. 2., the credit, including any
15 credits carried over, may be offset only against the amount of the tax otherwise due
16 under this chapter attributable to income from the business operations of the
17 claimant in the development zone; except that a claimant in a development zone
18 under s. 560.795 (1) (e) may offset the credit, including any credits carried over,
19 against the amount of the tax otherwise due under this chapter attributable to all
20 of the claimant's income; and against the tax attributable to income from directly
21 related business operations of the claimant.

22 **SECTION 2145p.** 71.07 (2di) (b) 3. of the statutes is amended to read:

23 71.07 **(2di)** (b) 3. Partnerships, limited liability companies and tax-option
24 corporations may not claim the credit under this subsection, but the eligibility for,
25 and amount of, that credit shall be determined on the basis of their economic activity,

1 not that of their shareholders, partners or members. The corporation, partnership
2 or company shall compute the amount of the credit that may be claimed by each of
3 its shareholders, partners or members and shall provide that information to each of
4 its shareholders, partners or members. Partners, members of limited liability
5 companies and shareholders of tax–option corporations may claim the credit based
6 on the partnership’s, company’s or corporation’s activities in proportion to their
7 ownership interest and may offset it against the tax attributable to their income from
8 the partnership’s, company’s or corporation’s business operations in the
9 development zone; except that partners, members, and shareholders in a
10 development zone under s. 560.795 (1) (e) may offset the credit against the amount
11 of the tax attributable to their income from all of the partnership’s, company’s, or
12 corporation’s business operations; and against the tax attributable to their income
13 from the partnership’s, company’s or corporation’s directly related business
14 operations.

15 **SECTION 2146.** 71.07 (2dm) of the statutes is created to read:

16 71.07 **(2dm)** DEVELOPMENT ZONE CAPITAL INVESTMENT CREDIT. (a) In this
17 subsection:

18 1. “Certified” means entitled under s. 560.795 (3) (a) 4. to claim tax benefits or
19 certified under s. 560.795 (5) or 560.798 (3).

20 2. “Claimant” means a person who files a claim under this subsection.

21 3. “Development zone” means a development opportunity zone under s. 560.795
22 (1) (e) and (f) or 560.798.

23 4. “Previously owned property” means real property that the claimant or a
24 related person owned during the 2 years prior to the department of commerce
25 designating the place where the property is located as a development zone and for

1 which the claimant may not deduct a loss from the sale of the property to, or an
2 exchange of the property with, the related person under section 267 of the Internal
3 Revenue Code, except that section 267 (b) of the Internal Revenue Code is modified
4 so that if the claimant owns any part of the property, rather than 50% ownership, the
5 claimant is subject to section 267 (a) (1) of the Internal Revenue Code for purposes
6 of this subsection.

7 (b) Subject to the limitations provided in this subsection and in s. 73.03 (35),
8 for any taxable year for which the claimant is certified, a claimant may claim as a
9 credit against the taxes imposed under s. 71.02 an amount that is equal to 3% of the
10 following:

11 1. The purchase price of depreciable, tangible personal property.

12 2. The amount expended to acquire, construct, rehabilitate, remodel, or repair
13 real property in a development zone.

14 (c) A claimant may claim the credit under par. (b) 1., if the tangible personal
15 property is purchased after the claimant is certified and the personal property is
16 used for at least 50% of its use in the claimant's business at a location in a
17 development zone or, if the property is mobile, the property's base of operations for
18 at least 50% of its use is at a location in a development zone.

19 (d) A claimant may claim the credit under par. (b) 2. for an amount expended
20 to construct, rehabilitate, remodel, or repair real property, if the claimant began the
21 physical work of construction, rehabilitation, remodeling, or repair, or any
22 demolition or destruction in preparation for the physical work, after the place where
23 the property is located was designated a development zone, or if the completed
24 project is placed in service after the claimant is certified. In this paragraph, "physical
25 work" does not include preliminary activities such as planning, designing, securing

1 financing, researching, developing specifications, or stabilizing the property to
2 prevent deterioration.

3 (e) A claimant may claim the credit under par. (b) 2. for an amount expended
4 to acquire real property, if the property is not previously owned property and if the
5 claimant acquires the property after the place where the property is located was
6 designated a development zone, or if the completed project is placed in service after
7 the claimant is certified.

8 (f) No credit may be allowed under this subsection unless the claimant includes
9 with the claimant's return:

10 1. A copy of a verification from the department of commerce that the claimant
11 may claim tax benefits under s. 560.795 (3) (a) 4. or is certified under s. 560.795 (5)
12 or 560.798 (3).

13 2. A statement from the department of commerce verifying the purchase price
14 of the investment and verifying that the investment fulfills the requirements under
15 par. (b).

16 (g) In calculating the credit under par. (b) a claimant shall reduce the amount
17 expended to acquire property by a percentage equal to the percentage of the area of
18 the real property not used for the purposes for which the claimant is certified and
19 shall reduce the amount expended for other purposes by the amount expended on the
20 part of the property not used for the purposes for which the claimant is certified.

21 (h) The carry-over provisions of s. 71.28 (4) (e) and (f) as they relate to the credit
22 under s. 71.28 (4) relate to the credit under this subsection.

23 (hm) Credits claimed under this subsection, including any credits carried over,
24 may be offset only against the amount of the tax otherwise due under this subchapter
25 attributable to income from the business operations of the claimant in the

1 development zone; except that a claimant in a development zone under s. 560.795 (1)
2 (e) may offset credits, including any credits carried over, against the amount of the
3 tax otherwise due under this subchapter attributable to all of the claimant's income;
4 and against the tax attributable to income from directly related business operations
5 of the claimant.

6 (i) Partnerships, limited liability companies, and tax-option corporations may
7 not claim the credit under this subsection, but the eligibility for, and the amount of,
8 that credit shall be determined on the basis of their economic activity, not that of their
9 shareholders, partners, or members. The corporation, partnership, or limited
10 liability company shall compute the amount of credit that may be claimed by each
11 of its shareholders, partners, or members and provide that information to its
12 shareholders, partners, or members. Partners, members of limited liability
13 companies, and shareholders of tax-option corporations may claim the credit based
14 on the partnership's, company's, or corporation's activities in proportion to their
15 ownership interest and may offset it against the tax attributable to their income from
16 the partnership's, company's, or corporation's business operations in the
17 development zone; except that partners, members, and shareholders in a
18 development zone under s. 560.795 (1) (e) may offset the credit against the amount
19 of the tax attributable to their income from all of the partnership's, company's, or
20 corporation's business operations; and against the tax attributable to their income
21 from the partnership's, company's, or corporation's directly related business
22 operations.

23 (j) If a person who is entitled under s. 560.795 (3) (a) 4. to claim tax benefits
24 becomes ineligible for such tax benefits, or if a person's certification under s. 560.795
25 (5) or 560.798 (3) is revoked, that person may claim no credits under this subsection

1 for the taxable year that includes the day on which the person becomes ineligible for
2 tax benefits, the taxable year that includes the day on which the certification is
3 revoked, or succeeding taxable years, and that person may carry over no unused
4 credits from previous years to offset tax under this chapter for the taxable year that
5 includes the day on which the person becomes ineligible for tax benefits, the taxable
6 year that includes the day on which the certification is revoked, or succeeding taxable
7 years.

8 (k) If a person who is entitled under s. 560.795 (3) (a) 4. to claim tax benefits
9 or certified under s. 560.795 (5) or 560.798 (3) ceases business operations in the
10 development zone during any of the taxable years that that zone exists, that person
11 may not carry over to any taxable year following the year during which operations
12 cease any unused credits from the taxable year during which operations cease or
13 from previous taxable years.

14 (L) Section 71.28 (4) (g) and (h) as it applies to the credit under s. 71.28 (4)
15 applies to the credit under this subsection.

23 (d) Partnerships, limited liability companies, and tax-option corporations may

10 another state, that resident individual, estate or trust may credit the net tax paid to
11 that other state on that income against the net income tax otherwise payable to the
12 state on income of the same year. The credit may not be allowed unless the income
13 taxed by the other state is also considered income for Wisconsin tax purposes. The
14 credit may not be allowed unless claimed within the time provided in s. 71.75 (2), but
15 s. 71.75 (4) does not apply to those credits. For purposes of this paragraph, amounts

8 (c) *Limitations and conditions.* 1. The maximum credit that may be claimed
9 under par. (b), in a taxable year, is one of the following amounts:

14 2. Nonresidents of this state are not eligible for the credit under this subsection,
15 except as provided under subd. 3.

16 3. For a claimant who is a part–year resident of this state and who is a single
17 person or a married person filing a separate return, multiply the credit for which the
18 claimant is eligible under subd. 1. by a fraction, the numerator of which is the
19 individual’s Wisconsin adjusted gross income and the denominator of which is the
20 individual’s federal adjusted gross income. If a claimant is married and files a joint
21 return, and if the claimant’s spouse is a nonresident or if the claimant or the
22 claimant’s spouse, or both, are part–year residents of this state, multiply the credit
23 for which the claimant is eligible under subd. 1. by a fraction, the numerator of which

9 71.10 (4) (dg) The artistic endowment credit under s. 71.07 (9t).

10 **SECTION 2152.** 71.10 (4) (grb) of the statutes is created to read:

11 71.10 (4) (grb) Development zone capital investment credit under s. 71.07
12 (2dm).

13 **SECTION 2153.** 71.10 (4) (grd) of the statutes is created to read:

16 71.10 (5f) LOCAL PROFESSIONAL BASEBALL PARK DISTRICT DONATION. (a)

17 *Definitions.* In this subsection:

18 1. “Baseball donation” means a designation made under this subsection, the
19 net proceeds of which shall be deposited into the fund under s. 229.685 to be used for
20 the repayment of bonds issued for purposes related to baseball park facilities under
21 s. 229.65 (1).

22 2. “Department” means the department of revenue.

23 (b) *Voluntary payments.* 1. ‘Designation on return.’ Every individual filing an
24 income tax return who has a tax liability or is entitled to a tax refund may designate

1 on the return any amount of additional payment or any amount of a refund due that
2 individual as a baseball donation.

3 2. ‘Designation added to tax owed.’ If the individual owes any tax, the
4 individual shall remit in full the tax due and the amount designated on the return
5 as a baseball donation when the individual files a tax return.

6 3. ‘Designation deducted from refund.’ Except as provided under par. (d), if the
7 individual is owed a refund for that year after crediting under ss. 71.75 (9) and 71.80
8 (3), the department shall deduct the amount designated on the return as a baseball
9 donation from the amount of the refund.

10 (c) *Errors; failure to remit correct amount.* If an individual who owes taxes fails
11 to remit an amount equal to or in excess of the total of the actual tax due, after error
12 corrections, and the amount designated on the return as a baseball donation:

13 1. The department shall reduce the designation for the baseball donation to
14 reflect the amount remitted in excess of the actual tax due, after error corrections,
15 if the individual remitted an amount in excess of the actual tax due, after error
16 corrections, but less than the total of the actual tax due, after error corrections, and
17 the amount originally designated on the return as a baseball donation.

18 2. The designation for the baseball donation is void if the individual remitted
19 an amount equal to or less than the actual tax due, after error corrections.

24 of the refund the individual is otherwise owed, after crediting under ss. 71.75 (9) and
25 71.80 (3) and after error corrections.

1 (e) *Conditions.* If an individual places any conditions on a designation for the
2 baseball donation, the designation is void.

3 (f) *Void designation.* If a designation for the baseball donation is void, the
4 department shall disregard the designation and determine amounts due, owed,
5 refunded, and received without regard to the void designation.

6 (g) *Tax return.* The secretary of revenue shall provide a place for the
7 designations under this subsection on the individual income tax return, and the
8 secretary shall highlight that place on the return by a symbol chosen by the
9 department that relates to a baseball park that is part of baseball park facilities, as
10 defined in s. 229.65 (1).

6 **SECTION 2177.** 71.28 (1dm) of the statutes is created to read:

7 **71.28 (1dm)** DEVELOPMENT ZONE CAPITAL INVESTMENT CREDIT. (a) In this
8 subsection:

9 1. "Certified" means entitled under s. 560.795 (3) (a) 4. to claim tax benefits or
10 certified under s. 560.795 (5) or 560.798 (3).

11 2. "Claimant" means a person who files a claim under this subsection.

12 3. "Development zone" means a development opportunity zone under s. 560.795
13 (1) (e) and (f) or 560.798.

14 4. "Previously owned property" means real property that the claimant or a
15 related person owned during the 2 years prior to the department of commerce
16 designating the place where the property is located as a development zone and for
17 which the claimant may not deduct a loss from the sale of the property to, or an
18 exchange of the property with, the related person under section 267 of the Internal
19 Revenue Code, except that section 267 (b) of the Internal Revenue Code is modified
20 so that if the claimant owns any part of the property, rather than 50% ownership, the
21 claimant is subject to section 267 (a) (1) of the Internal Revenue Code for purposes
22 of this subsection.

23 (b) Subject to the limitations provided in this subsection and in s. 73.03 (35),
24 for any taxable year for which the claimant is certified, a claimant may claim as a

1 credit against the taxes imposed under s. 71.23 an amount that is equal to 3% of the
2 following:

- 3 1. The purchase price of depreciable, tangible personal property.
- 4 2. The amount expended to acquire, construct, rehabilitate, remodel, or repair
5 real property in a development zone.

6 (c) A claimant may claim the credit under par. (b) 1., if the tangible personal
7 property is purchased after the claimant is certified and the personal property is
8 used for at least 50% of its use in the claimant's business at a location in a
9 development zone or, if the property is mobile, the property's base of operations for
10 at least 50% of its use is at a location in a development zone.

11 (d) A claimant may claim the credit under par. (b) 2. for an amount expended
12 to construct, rehabilitate, remodel, or repair real property, if the claimant began the
13 physical work of construction, rehabilitation, remodeling, or repair, or any
14 demolition or destruction in preparation for the physical work, after the place where
15 the property is located was designated a development zone, or if the completed
16 project is placed in service after the claimant is certified. In this paragraph, "physical
17 work" does not include preliminary activities such as planning, designing, securing
18 financing, researching, developing specifications, or stabilizing the property to
19 prevent deterioration.

20 (e) A claimant may claim the credit under par. (b) 2. for an amount expended
21 to acquire real property, if the property is not previously owned property and if the
22 claimant acquires the property after the place where the property is located was
23 designated a development zone, or if the completed project is placed in service after
24 the claimant is certified.

1 (f) No credit may be allowed under this subsection unless the claimant includes
2 with the claimant's return:

3 1. A copy of a verification from the department of commerce that the claimant
4 may claim tax benefits under s. 560.795 (3) (a) 4. or is certified under s. 560.795 (5)
5 or 560.798 (3).

6 2. A statement from the department of commerce verifying the purchase price
7 of the investment and verifying that the investment fulfills the requirements under

9 (g) In calculating the credit under par. (b) a claimant shall reduce the amount
10 expended to acquire property by a percentage equal to the percentage of the area of
11 the real property not used for the purposes for which the claimant is certified and
12 shall reduce the amount expended for other purposes by the amount expended on the
13 part of the property not used for the purposes for which the claimant is certified.

14 (h) The carry-over provisions of sub. (4) (e) and (f) as they relate to the credit
15 under sub. (4) relate to the credit under this subsection.

16 (hm) Credits claimed under this subsection, including any credits carried over,
17 may be offset only against the amount of the tax otherwise due under this subchapter
18 attributable to income from the business operations of the claimant in the
19 development zone; except that a claimant in a development zone under s. 560.795 (1)
20 (e) may offset credits, including any credits carried over, against the amount of the
21 tax otherwise due under this subchapter attributable to all of the claimant's income;
22 and against the tax attributable to income from directly related business operations
23 of the claimant.

24 (i) Partnerships, limited liability companies, and tax-option corporations may
25 not claim the credit under this subsection, but the eligibility for, and the amount of,

1 that credit shall be determined on the basis of their economic activity, not that of their
2 shareholders, partners, or members. The corporation, partnership, or limited
3 liability company shall compute the amount of credit that may be claimed by each
4 of its shareholders, partners, or members and provide that information to its
5 shareholders, partners, or members. Partners, members of limited liability
6 companies, and shareholders of tax-option corporations may claim the credit based
7 on the partnership's, company's, or corporation's activities in proportion to their

9 the partnership's, company's, or corporation's business operations in the
10 development zone; except that partners, members, and shareholders in a
11 development zone under s. 560.795 (1) (e) may offset the credit against the amount
12 of the tax attributable to their income from all of the partnership's, company's, or
13 corporation's business operations; and against the tax attributable to their income
14 from the partnership's, company's, or corporation's directly related business
15 operations.

16 (j) If a person who is entitled under s. 560.795 (3) (a) 4. to claim tax benefits
17 becomes ineligible for such tax benefits, or if a person's certification under s. 560.795
18 (5) or 560.798 (3) is revoked, that person may claim no credits under this subsection
19 for the taxable year that includes the day on which the person becomes ineligible for

12 **SECTION 2191.** 71.47 (1dm) of the statutes is created to read:

13 71.47 **(1dm)** DEVELOPMENT ZONE CAPITAL INVESTMENT CREDIT. (a) In this
14 subsection:

15 1. “Certified” means entitled under s. 560.795 (3) (a) 4. to claim tax benefits or
16 certified under s. 560.795 (5) or 560.798 (3).

17 2. “Claimant” means a person who files a claim under this subsection.

18 3. “Development zone” means a development opportunity zone under s. 560.795
19 (1) (e) and (f) or 560.798.

20 4. “Previously owned property” means real property that the claimant or a
21 related person owned during the 2 years prior to the department of commerce
22 designating the place where the property is located as a development zone and for
23 which the claimant may not deduct a loss from the sale of the property to, or an
24 exchange of the property with, the related person under section 267 of the Internal
25 Revenue Code, except that section 267 (b) of the Internal Revenue Code is modified

1 so that if the claimant owns any part of the property, rather than 50% ownership, the
2 claimant is subject to section 267 (a) (1) of the Internal Revenue Code for purposes
3 of this subsection.

4 (b) Subject to the limitations provided in this subsection and in s. 73.03 (35),
5 for any taxable year for which the claimant is certified, a claimant may claim as a
6 credit against the taxes imposed under s. 71.43 an amount that is equal to 3% of the
7 following:

8 1. The purchase price of depreciable, tangible personal property.

9 2. The amount expended to acquire, construct, rehabilitate, remodel, or repair
10 real property in a development zone.

11 (c) A claimant may claim the credit under par. (b) 1., if the tangible personal
12 property is purchased after the claimant is certified and the personal property is
13 used for at least 50% of its use in the claimant's business at a location in a
14 development zone or, if the property is mobile, the property's base of operations for
15 at least 50% of its use is at a location in a development zone.

16 (d) A claimant may claim the credit under par. (b) 2. for an amount expended
17 to construct, rehabilitate, remodel, or repair real property, if the claimant began the
18 physical work of construction, rehabilitation, remodeling, or repair, or any
19 demolition or destruction in preparation for the physical work, after the place where
20 the property is located was designated a development zone, or if the completed
21 project is placed in service after the claimant is certified. In this paragraph, "physical
22 work" does not include preliminary activities such as planning, designing, securing
23 financing, researching, developing specifications, or stabilizing the property to
24 prevent deterioration.

1 (e) A claimant may claim the credit under par. (b) 2. for an amount expended
2 to acquire real property, if the property is not previously owned property and if the
3 claimant acquires the property after the place where the property is located was
4 designated a development zone, or if the completed project is placed in service after
5 the claimant is certified.

6 (f) No credit may be allowed under this subsection unless the claimant includes
7 with the claimant's return:

11 2. A statement from the department of commerce verifying the purchase price
12 of the investment and verifying that the investment fulfills the requirements under
13 par. (b).

14 (g) In calculating the credit under par. (b) a claimant shall reduce the amount
15 expended to acquire property by a percentage equal to the percentage of the area of
16 the real property not used for the purposes for which the claimant is certified and
17 shall reduce the amount expended for other purposes by the amount expended on the
18 part of the property not used for the purposes for which the claimant is certified.

19 (h) The carry-over provisions of s. 71.28 (4) (e) and (f) as they relate to the credit
20 under s. 71.28 (4) relate to the credit under this subsection.

21 (hm) Credits claimed under this subsection, including any credits carried over,
22 may be offset only against the amount of the tax otherwise due under this subchapter
23 attributable to income from the business operations of the claimant in the
24 development zone; except that a claimant in a development zone under s. 560.795 (1)
25 (e) may offset credits, including any credits carried over, against the amount of the

1 tax otherwise due under this subchapter attributable to all of the claimant's income;
2 and against the tax attributable to income from directly related business operations
3 of the claimant.

4 (i) Partnerships, limited liability companies, and tax-option corporations may
5 not claim the credit under this subsection, but the eligibility for, and the amount of,
6 that credit shall be determined on the basis of their economic activity, not that of their
7 shareholders, partners, or members. The corporation, partnership, or limited
8 liability company shall compute the amount of credit that may be claimed by each
9 of its shareholders, partners, or members and provide that information to its
10 shareholders, partners, or members. Partners, members of limited liability
11 companies, and shareholders of tax-option corporations may claim the credit based
12 on the partnership's, company's, or corporation's activities in proportion to their
13 ownership interest and may offset it against the tax attributable to their income from
14 the partnership's, company's, or corporation's business operations in the
15 development zone; except that partners, members, and shareholders in a
16 development zone under s. 560.795 (1) (e) may offset the credit against the amount
17 of the tax attributable to their income from all of the partnership's, company's, or
18 corporation's business operations; and against the tax attributable to their income
19 from the partnership's, company's, or corporation's directly related business
20 operations.

21 (j) If a person who is entitled under s. 560.795 (3) (a) 4. to claim tax benefits
22 becomes ineligible for such tax benefits, or if a person's certification under s. 560.795
23 (5) or 560.798 (3) is revoked, that person may claim no credits under this subsection
24 for the taxable year that includes the day on which the person becomes ineligible for
25 tax benefits, the taxable year that includes the day on which the certification is

5 years.

7 or certified under s. 560.795 (5) or 560.798 (3) ceases business operations in the
