2001-2003 Statutory Language Proposals

Division: Forestry

Bureau: Forestry

Issue/Topic: Expand the List of Items That May Be Purchased With Forest Fire Protection Grant

Proposed Change:

The proposed change is bolded within the statutory language below.

26.145 Fire suppression aids. (1) Grants. The department shall establish a program to award grants for up to 50% of the costs of acquiring fire resistant clothing for suppressing fires and of acquiring fire suppression supplies, equipment, **fire prevention materials, forest fire training** and vehicles.

Explanatory Note:

When the statute 26.145 was established it did not authorize the Forest Fire Protection grant program funds to be spent on the purchase of forest fire prevention materials and the training of fire fighters in forest fire suppression techniques.

We are requesting that the current statute 26.145 be revised to allow for the purchase of forest fire prevention materials and training of fire fighters in forest fire fighting techniques.

Desired Effective Date: Passage of the biennial budget.
