There currently is an unclassified commandant position at King. Don't delete that position. In the budget bill I only want to add one unclassified commandant position at Southern Center, so DVA only gets one of the positions they wanted in the bill.

So, I should delete the unclassified position for the commandant at the Wisconsin Veterans Home at King?

Ivy, I just wanted to make sure the draft is changed to allow for one additional position and that position would be at Southern Center for the new vets home there.
