Summary and Justification

Change the fee for wall certificates signed by the governor from \$10 to \$20 in order to cover the costs of producing these certificates.

Proposed Statutory Language

440.03 of the statutes is amended to read:

(7) The department shall establish the style, content and format of all credentials and of all forms for applying for any credential issued or renewed under chs. 440 to 480. All forms shall include a place for the information required under sub. (11m) (a). Upon request of any person who holds a credential and payment of a \$10 \$20 fee, the department may issue a wall certificate signed by the governor.

~~Initial applicability of this proposal: effective date of budget act.~~

H. REVISE TEMPORARY PERMITS FOR PRIVATE SECURITY PERSONS

Summary and Justification

Current statutes restrict the issuance of a temporary private security permit to situations where the department is not able to grant or deny an application because a background check of the individual is not complete. The permit is effective for a maximum of 30 days. These restrictions on the permit limit its usefulness. The requirements are changed to provide for a 90-day temporary permit upon completion of an application, payment of a temporary fee and the cost of a criminal records check. Inability to complete a criminal records check is removed as a condition for issuing the permit.

Proposed Statutory Language

See 1999 LRB LRB-0643

Initial applicability of this proposal: effective date of budget act.

I. REVISE RENEWAL REQUIREMENTS FOR PRIVATE DETECTIVES AND PRIVATE SECURITY PERSONNEL

Summary and Justification

Existing requirements mandate that private detectives and private security personnel who apply to renew must be employed by a private detective agency. This requirement is antiquated and unnecessarily restrictive on the movement of detectives and security personnel from one agency to another.

Proposed Statutory Language

See 1999 LRB LRB-0644

Initial applicability of this proposal: effective date of budget act.
