STATE OF WISCONSIN • DEPARTMENT OF REGULATION AND LICENSING

RECOMMENDATIONS
FOR
2001-2003 OCCUPATIONAL
LICENSING FEES

62

SEPTEMBER 15, 2000

MARLENE A. CUMMINGS, SECRETARY

Introduction

This report explains and demonstrates the results of the Department's 2001-2003 fee study. This study accompanied the Department's 2001-2003 biennial budget request as required under s. 440.03 (9).

440.03 (9) The department shall include all of the following with each biennial budget request that it makes under s. 16.42:

- (a) A recalculation of the administrative and enforcement costs of the department that are attributable to the regulation of each occupation or business under chs. 440 to 459 and that are included in the budget request.*
- (b) A recommended change to each fee specified under s. 440.05 (1) for an initial credential for which an examination is not required.*

The Department is funded by revenue from fees charged. Primarily, this revenue is from biennial renewal fees charged to credential holders and from an initial credential fee charged to applicants for credentials. This fee study proposes new fees that will generate the revenue needed for Department operations in the 2001-2003 biennium.

Legislative Audit Bureau Study

In June and July 1992 the Legislative Audit Bureau conducted an audit of the method used by the Department in proposing its 1991-93 renewal fees. In their audit report (#92-20) the LAB states:

We [the LAB] concluded the renewal fee methodology used by the Department was reasonable for two primary reasons. First the methodology appropriately balances the benefits of the Department's centralization of administrative functions with the goal of recovering the costs of specifically identifiable regulatory services from the credential holders who require such services....The second reason we conclude that the methodology was appropriate is that it is relatively straightforward, allowing it to be easily understood and accepted by licensing boards and credential holders, and to be implemented with the existing resources of the Department.

The department's 1991-93, 1993-95, 1995-97, 1997-99, 1999-01 fee studies and now this 2001-03 fee study use the same methodology as was audited by the LAB.

63

**Part I
Initial Credential Fee**

The Method Used to Set the Initial Credential Fee

The calculation of the initial credential fee follows these steps.

1. Divide the number of new credential holders projected in 2001-03 by the total number of credential holders projected in 2001-03. This sets the percentage that new credential holders are of total credential holders.
2. Multiply this percentage times the total administrative costs—including the costs of administering the enforcement function—of the Department. This calculation sets the total amount of the initial credential fees (and is the amount of Department administrative costs that the initial credential fee will recover).
3. Divide the total amount of initial credential fees by the number of new credential holders projected in 2001-03. This determines the per-person initial credential fee.

The Initial Credential Fee Results

Step 1 Divide the Number of New Credential Holders by the Number of Total Credential Holders

Number of New Credential Holders Projected in 2001-03	38,848
Total Number of Credential Holders (projected) in 2001-03	299,194
New Holders as a % of Total Holders	13%

Step 2 Multiply the Results of Step 1 by the Total Administrative Costs

Preliminary Total Administrative Costs	16,762,376
New Holders as a % of Total Holders	13%
Total Revenue Expected from Initial Credential Fees	2,179,109

49

The "Preliminary Total Administrative Costs" amount does not equal the "Final Total Administrative Costs" amount because the total initial credential fees calculated under Step 2 here will count as "Total Other Revenue". As part of this other revenue, these initial credential fees will reduce the amount of revenue from renewal fees, and thus the "Preliminary Total Administrative Costs" the Department plans to collect.

Step 3 Divide Total Revenue Expected by Number of New Credential Holders

Total Revenue Expected	2,179,109
÷ Number of New Credential Holders Projected in 2001-03	38,848
Initial Credential Fee (Per Person)	\$56

Number of New Credential holders Projected in 2001-03	38,848
Initial Credential Fee (Per Person)	\$56 ✓
Actual Revenue Expected from Initial Credential Fees	2,220,535

**Part II
Credential Renewal Fees**

69

The Method Used to Set Renewal Fees

The Department's fee study follows these steps.

1. Determine the revenue the Department will need for its general operations in 2001-03 (including allowing for a 10% FY01 ending balance).
2. Determine the revenue that will come from other fees (and not from renewal fees).
3. Subtract this revenue (step 2) from the total revenue needed (step 1) to find the revenue that must come from renewal fees.
4. From the renewal fee revenue (the results of step 3) subtract the staff costs for the enforcement functions of investigating and prosecuting to determine the administrative cost to be shared by all who will renew their credential in 2001-03.

5. Determine a base fee for all credential holders by dividing the shared administrative costs (the results of step 4) by the number of credential holders who will renew their credential in 2001-03.
6. Using data on the number of closed and open cases in previous years, identify the percentage of time for attorneys, investigators and paralegals assigned to complaints involving specific credential types.

Three guidelines are used in calculating this data.

- First, the department implemented a policy that renewal fees would increase no more than 50% over the previous renewal fees.
- Secondly, the enforcement component of the fees for certain credential types who have both a very small number of credential holders and have data (in terms of open and closed cases) which has not changed significantly since the last fee study are held constant. These credential types and the number of credential holders include: Cemetery Authority, 72; Cemetery Preneed Seller, 212; Cemetery Salesperson, 257; Barbering and Cosmetology School; 14, Aesthetics School, 2; Electrology School, 2; Manicuring School, 6; and Electrology Instructor, 8.
- Third, in order to account for investigating and prosecuting complaints alleging unlicensed practice, the costs for the investigative and prosecutorial activities involving unlicensed practitioners (as calculated by total open and total closed cases) have been spread across all credential types.

In calculating the enforcement fee, the percentage of open/closed cases is multiplied by the amount of Department enforcement costs which is then divided by the number of credential holders within each credential type. For each credential type, this amount is added to the base fee for all credential holders.

The results of these calculations are shown in the following tables. The formulas used reflect the fact that the Department is appropriated \$0.90 of each \$1.00 in revenue collected.

69

The Renewal Fee Results

Step 1 Total Revenue Needed

Department's Total 2001-03 Budget Request	21,427,500
Budgeted Reserves (for health insurance increases, etc.)	1,685,586
10% of Annual Budget FY01 Ending Balance	1,204,500

Step 2 Other Funds Available

Other License Fees (e.g., Initial Credential fees, Charity registration fees), Sales to Public, Adjustments to Revenue	
Total Other Revenue	5,499,516

(Note: These amounts are totals for FY02 and FY03.)

Step 3 Calculating the Revenue Needed from Renewal Fees

Total Revenue Needed	24,316,586
— Total Other Revenue	-5,499,516
Net Amount Needed from Renewal Fees	18,817,070

This net amount must be divided by \$0.90 because the Department keeps only \$0.90 of each \$1.00 in revenue collected.

Net Amount Needed from Renewal Fees	18,817,070
÷ \$0.90	+ \$0.90
Gross Amount Needed from Renewal Fees	20,907,856

67

Step 4 Subtracting Enforcement Costs to Calculate Shared Administrative Costs

	Total Salary & Fringe Costs
Attorneys	2,828,687
Investigators	2,156,686
Paralegals	952,451
Net Enforcement Costs	5,937,824
Gross Enforcement Costs (Net ÷ \$0.90)	6,597,582

Gross Amount Needed from Renewal Fees	20,907,856
— Gross Enforcement Costs	6,324,589
Final Total Shared Administrative Costs	14,583,267

Step 5 Calculating the Base Fee (or Minimum Renewal Fee)

Final Total Shared Administrative Costs	14,583,267
÷ Number of Credential Holders	260,710
Minimum Renewal Fee	\$.56

Number of Credential Holders	260,710
Minimum Renewal Fee	\$.56
Actual Revenue Expected from Minimum Renewal Fees	14,583,267

Step 6 Allocate Enforcement Costs to Individual Professions

A percentage of attorney, investigator, and paralegal costs are assigned to each profession. This percentage reflects the share of all enforcement costs assigned to the profession based on number of open and closed enforcement cases. A table showing the total costs by profession and the variable fee for each credential type follows.

Conclusion

This study presents the results of the Department's 2001-03 fee study request for fees as proposed in his 2001-03 budget bill. The method used to set these fees is consistent with the Department fee studies since the 1991-93 fee study and with the recommendations of the Legislative Audit Bureau. The Department feels that the fees proposed here are reasonable and fair to all candidates for entry into the professions and for all the credential holders regulated by the Department and the Boards.

AN ACT *relating to:* the budget.

Analysis by the Legislative Reference Bureau

OCCUPATIONAL REGULATION

In its biennial budget request, ~~the department of regulation and licensing~~ *DORL* must recalculate its administrative and enforcement costs attributable to the regulation of each of the occupations and businesses that DORL regulates and, on the basis of these costs, recalculate the fees for initial credentials and for the renewal of credentials already issued. This bill changes the fees for initial and renewal credentials, except for renewal credentials for aesthetics schools, barbering or cosmetology schools, cemetery authorities, cemetery preneed sellers, cemetery salespersons, charitable organizations, electrology instructors, electrology schools, and manicuring schools.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

2

SECTION 1. 440.05 (1) (a) of the statutes is amended to read:

1 440.05 (1) (a) Initial credential: ~~\$44~~ \$56. Each applicant for an initial
2 credential shall pay the initial credential fee to the department when the application
3 materials for the initial credential are submitted to the department.

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRB-1432/1dn

MDK/.....

Cynthia Dombrowski:

Please review this draft to make sure that it achieves your intent. In particular, please note the following:

1. The delayed effective date is similar to the delayed effective dates used for the last 2 budgets. Is it okay?
2. The table prepared by DORL omits charitable organizations (see s. 440.08 (2) (a) 23m., stats.). I assume that there should be no change to the renewal fee for charitable organizations. Is this correct? ✓

Analysis by the Legislative Reference Bureau

OCCUPATIONAL REGULATION

In its biennial budget request, DORL must recalculate its administrative and enforcement costs attributable to the regulation of each of the occupations and businesses that DORL regulates and, on the basis of these costs, recalculate the fees for initial credentials and for the renewal of credentials already issued. This bill changes the fees for initial and renewal credentials, except for renewal credentials for aesthetics schools, barbering or cosmetology schools, cemetery authorities, cemetery preneed sellers, cemetery salespersons, charitable organizations, electrology instructors, electrology schools, and manicuring schools.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

2 SECTION 1. 440.05 (1) (a) of the statutes is amended to read:

1 440.05 (1) (a) Initial credential: ~~\$44~~ \$56. Each applicant for an initial
2 credential shall pay the initial credential fee to the department when the application
3 materials for the initial credential are submitted to the department.
