FOR 2001-03 BUDGET - NOT READY FOR INTRODUCTION

SOON

This bill eliminates the Wisconsin
conservation corps

DO NOT GEN

1 AN ACT ...; relating to: the budget.

Analysis by the Legislative Reference Bureau

EMPLOYMENT

Under current law, the national and community service board, which is attached to DOA for administrative purposes, administers at the state level the federal National and Community Service Trust Act of 1993, under which the federal government provides funding for national service programs that address unmet human, educational, environmental, and public safety needs and for educational grants to persons who successfully complete their term of service in a national service program. This bill transfers that board to DWD.

~~Under current law, the Wisconsin conservation corps (WCC), which is administered by the WCC board, employs young adults to work on conservation and human services activities. This bill requires the WCC board to work with a nonprofit corporation that provides education, employment skills, and career direction leading to economic self-sufficiency to young people in Dane County who are at risk of not achieving economic self-sufficiency to develop a plan to track the educational attainment of persons enrolled in the WCC program, consolidate the functions of the WCC program, add educational and training components to the WCC program, provide a method for determining the location and number of crews working on WCC projects, and improve the retention of persons enrolled in the WCC program.~~

85.09 (2) (a) The department of transportation shall have the first right to acquire, for present or future transportation or recreational purposes, any property used in operating a railroad or railway, including land and rails, ties, switches, trestles, bridges and the like located thereon, ~~which~~^{that} has been abandoned. The department of transportation may, in connection with abandoned rail property, assign this right to a state agency, the board of regents of the University of Wisconsin System, any county or municipality² or any transit commission. Acquisition by the department of transportation may be by gift, purchase² or condemnation in accordance with the procedure under s. 32.05. In addition to its property management authority under s. 85.15, the department of transportation may lease and collect rents and fees for any use of rail property pending discharge of the department's duty to convey property that is not necessary for a public purpose. ~~In exercising its property management authority, the department of transportation, to the greatest extent practicable, shall encourage and utilize the Wisconsin conservation corps for appropriate projects.~~ No person owning abandoned rail property, including any person to whom ownership reverts upon abandonment, may convey or dispose of any abandoned rail property without first obtaining a written release from the department of transportation indicating that the first right of acquisition under this subsection will not be exercised or assigned. No railroad or railway may convey any rail property prior to abandonment if the rail property is part of a rail line shown on the railroad's system map as in the process of abandonment, expected to be abandoned² or under study for possible abandonment unless the conveyance or disposal is for the purpose of providing continued rail service under another company or agency. Any conveyance made without obtaining such release is void. The first right of acquisition of the department of transportation

under this subsection does not apply to any rail property declared by the department to be abandoned before January 1, 1977. The department of transportation may acquire any abandoned rail property under this section regardless of the date of its abandonment.

Josh:

Because the elimination of the WCC, with its multiple delayed effective dates, will require the intense concentration of our editors, I am putting this draft through editing even though I have not yet received your detailed instructions relating to the Operation Fresh Start Model which will replace the WCC. I will include that language, when I receive your instructions, in the next draft.

Gordon, the Lieutenant Governor has changed his mind about eliminating the WCC. The current status for the WCC is to transfer it to the new division in DWD (as in draft 01-1891/1), but make the board an advisory council to the division administrator on WCC issues.

Thanks,
Josh

EMPLOYMENT

Under current law, the national and community service board, which is attached to DOA for administrative purposes, administers at the state level the federal National and Community Service Trust Act of 1993, under which the federal government provides funding for national service programs that address unmet human, educational, environmental, and public safety needs and for educational grants to persons who successfully complete their term of service in a national service program. This bill transfers that board to DWD.

Under current law, the Wisconsin conservation corps (WCC) employs young adults to work on conservation and human services activities. ~~This bill eliminates the Wisconsin conservation corps.~~

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

2 **SECTION 83.** 85.09 (2) (a) of the statutes is amended to read:

3 85.09 (2) (a) The department of transportation shall have the first right to
4 acquire, for present or future transportational or recreational purposes, any
5 property used in operating a railroad or railway, including land and rails, ties,
6 switches, trestles, bridges, and the like located thereon, ~~which~~ that has been
7 abandoned. The department of transportation may, in connection with abandoned
8 rail property, assign this right to a state agency, the board of regents of the University
9 of Wisconsin System, any county or municipality, or any transit commission.
10 Acquisition by the department of transportation may be by gift, purchase, or
11 condemnation in accordance with the procedure under s. 32.05. In addition to its
12 property management authority under s. 85.15, the department of transportation
13 may lease and collect rents and fees for any use of rail property pending discharge
14 of the department's duty to convey property that is not necessary for a public purpose.
15 ~~In exercising its property management authority, the department of transportation,~~

The WCC is administered by the WCC board, which may delegate its administration responsibilities to the executive secretary of the board. This bill eliminates the WCC board and the position of executive secretary of the board and transfers administration of the WCC to DWD. The bill also creates a WCC council to advise DWD in developing guidelines, standards, and procedures for the administration of the WCC, including guidelines for selecting WCC projects and standards and procedures for the selection, hiring, promotion, discipline, and termination of WCC enrollees.

EMPLOYMENT

Under current law, the national and community service board, which is attached to DOA for administrative purposes, administers at the state level the federal National and Community Service Trust Act of 1993, under which the federal government provides funding for national service programs that address unmet human, educational, environmental, and public safety needs and for educational grants to persons who successfully complete their term of service in a national service program. This bill transfers that board to DWD.

Under current law, the Wisconsin conservation corps (WCC), which is administered by the WCC board, employs young adults to work on conservation and human services activities. This bill requires the WCC board to work with a nonprofit corporation that provides education, employment skills, and career direction leading to economic self-sufficiency to young people in Dane County who are at risk of not achieving economic self-sufficiency to develop a plan to track the educational attainment of persons enrolled in the WCC program, consolidate the functions of the WCC program, add educational and training components to the WCC program, provide a method for determining the location and number of crews working on WCC projects, and improve the retention of persons enrolled in the WCC program.

Gordon, would you mind changing the name of s. 20.445 program 6 to "Community service programs"?

Thanks,
Josh
