report to DOA on the effectiveness of the Minority Undergraduate
program.

are imposing a reporting requirement on HEAB to report to DOA on the effectiveness of
the Minority Undergraduate Retention Grant program.

I believe the appropriate place for the new language would be in s.39.44. I think the following
language (or something like it) would suffice:

"The board shall analyze and evaluate the effectiveness of the Minority Retention
Undergraduate Grant program. The board shall report to DOA by December 1, 2001, and
annually thereafter, on the board's evaluation of the program."

A similar change was made in
2001 budget. The draft from
