UNIVERSITY OF WISCONSIN SYSTEM

PR Position Creation Authority

[LFB Paper #954]

Thanks,
Dave

Motion:

Move to allow the Board of Regents of the University of Wisconsin System to create program revenue positions under the tuition continuing appropriation to support the instructional mission from funds appropriated under s. 20.285 (1)(im).

(1) Require the Board to submit a report to the Secretary of the Department of Administration and the Cochairpersons of the Joint Committee on Finance concerning the number of full-time equivalent positions created or abolished by the Board under this subsection during the preceding calendar quarter and the source of funding for each such position.

~~16/1~~

(1) this occurs ~~also~~ under current law governing 16.505 (2m)

(2) ~~it goes over~~ limit PR position creation ^{under (1)(im)} to staff needs ~~related~~ funded from additional enrollment (not from revenues from tuition increases) and from courses for which tuition charged equals 100% of the cost of offering the course for instruction in such courses

Adopt Motion 1318, which would allow the Board of Regents of the UW System to create program revenue positions under the tuition continuing appropriation to support the instructional mission from funds appropriated under s. 20.285 (1)(im).

Amend this motion to clarify that this PR position authority cannot result in general tuition increases, but rather spend existing or increased enrollment dollars to hire the appropriate staff as enrollment increases. Currently, the UW can spend these dollars, but not on staff.

Analysis by the Legislative Reference Bureau

EDUCATION

HIGHER EDUCATION

Under current law, the board of regents of the UW System (board) may create or abolish certain positions funded with program revenue without legislative approval if it reports the number of positions created or abolished and the funding source to DOA and JCF. This bill allows the board to create positions funded from program revenue generated from courses for which nonresident and resident students pay the same tuition and for which the tuition charged equals 100% of the cost of offering the course. The bill also imposes the same reporting requirement for these new positions.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
