Adopt Freestanding Motion 1341, which would link annual increases in the appropriations for the Lawton undergraduate minority retention grant program and the advanced opportunity program (AOP) grants to the average prior year increase for resident undergraduate tuition at UW System comprehensive institutions starting in 2002-2003.

UNIVERSITY OF WISCONSIN SYSTEM

Link AOP Increases to UW System Tuition

Motion:

Move to link annual increases in the appropriations for the Lawton undergraduate minority retention grant program and the advanced opportunity program (AOP) grants to the average prior year increase for resident undergraduate tuition at UW System comprehensive institutions starting in 2002-03. Modify these appropriations from biennial sum certain to be sum sufficient appropriations.

Require the UW System Board to determine by February 1, 2002, and annually thereafter, the average percentage by which the undergraduate academic fees charged for the current academic year within the UW System at comprehensive institutions increased or decreased from the undergraduate academic fees charged for the previous academic year. The appropriation for the next fiscal year would be obtained by increasing, to the nearest \$100, the base amount appropriated for the previous year by the percentage change in academic fees during the current academic year. If the academic fees for the current academic year decreased or did not change from the undergraduate academic fees charged for the previous academic year, the appropriation would remain at the base amount. The "base amount" for determining the 2002-03 increase would be defined as the amount shown in the Chapter 20 appropriation schedule for the previous year, and in future years it would be the prior year funding amount.

Increase estimated funding for Lawton by \$184,700 GPR in 2002-03 and increase funding for ADOP by \$301,700 GPR in 2002-03.

Note:

This motion would link annual increases for the Lawton and AOP need based aid program appropriations to the average annual increase of undergraduate resident tuition during the prior academic year within the UW System.

The Board of Regents of the UW System is delegated the authority to set tuition. Under current law, the Board may set separate tuition rates for state residents and nonresidents and also for different classes of students, extension courses, summer sessions and special programs. The annualized rate of change in tuition for resident undergraduate students at UW-Madison was 7.3% from 1981-82 to 2000-01 and 5.7% from 1990-91 to 2000-01.

Assuming UW tuition would increase 7% in 2001-02, funding for Lawton would increase by \$184,700 in 2002-03 over the base of \$2,638,000 in 2001-02, ADOP would increase by \$301,700 over the base of \$4,309,400.
