Senator Moore

HIGHER EDUCATIONAL AIDS BOARD

Minority Teacher Loan Program -- 8% Annual Funding Increase

CN5548

Motion:

Move to increase funding for the minority teacher loan program by \$19,200 in 2001-02 and \$39,900 in 2002.

Failed 8-8 Dems: yes
Reps: No

Note:

This motion would increase funding for the minority teacher loan program by \$19,200 in 2001-02 and \$39,900 in 2002-03 over the 2000-01 base level of \$240,000. The additional funding would represent an annual increase of approximately 8% in 2001-02 and 8% in 2002-03.

The minority teacher loan program provides loans at five percent interest in amounts of up to \$2,500 per year to Wisconsin resident, minority, undergraduate juniors or seniors. Recipients must be enrolled at least half-time in programs leading to teacher licensure at an independent or UW institution. A student who participates in this program must agree to teach in a Wisconsin school district in which minority students constitute at least twenty nine percent of total enrollment or in a school district participating in the interdistrict pupil transfer program. For each year the student teaches in an eligible school district, 25% of the loan is forgiven. If the student does not teach in an eligible district, the loan must be repaid at an interest rate of 5%.

During the 1999-00 academic year, \$236,978 was expended for 117 students, averaging \$2,025 per student. As of 1999-00, 158 of the 632 students who have received loans under the program were enrolled in college, 201 students have repaid their loans or had them forgiven in full, 153 are in repayment or deferment, 115 were in process of having loans forgiven and five student were in default.
