Adopt the attached LFB motion to provide for potential payments through an IGT for the General Assistance Medical Program.

CN 1108

DA/2

HEALTH AND FAMILY SERVICES -- MEDICAL ASSISTANCE

Increase Payment for General Assistance Medical Program

Motion:

Move to provide \$2,160,000 PR annually and \$3,076,400 FED in 2001-02 and \$3,045,100 FED in 2002-03 to reflect an increase in the amount that the Department of Health and Family Services (DHFS) may receive from Milwaukee County as an intergovernmental transfer (IGT) for Milwaukee County's general assistance medical program (GAMP). Specify that DHFS may receive up to the amounts provided if it determines that an increase is allowable under federal law and regulations.

20.435(4)(h)

- just an increase in an appropriation

↑ by \$2,160,000 in each fiscal year

Note:

Under current law, DHFS is authorized to receive \$2.5 million annually from Milwaukee County as an IGT payment. This revenue is deposited in a PR appropriation in DHFS and matched with federal MA matching funds (approximately \$3.6 million) and distributed to eligible hospitals in Milwaukee County as reimbursement for services provided by the hospitals and originally paid under GAMP. These hospitals then reimburse Milwaukee County for any payments made under GAMP.

Under this motion, the amount that DHFS may receive as IGT from Milwaukee County would increase to \$4,660,000 PR annually. It is estimated that federal funds available as match to this revenue could total approximately \$6.6 million annually.

The amount of federal funds that would be available would depend on the amount of payments originally paid to these hospitals under GAMP. Therefore, before DHFS can use the IGT funds to match federal funds, it must first verify that sufficient payments were made to eligible hospitals under GAMP.

[Change to Bill: \$6,121,500 FED and \$4,320,000 PR]
