\$500,000 (Community Reinvestment \$) to La Causa Inc. for day care and community services (memo attached)

**Day Care Funding for La Causa, Inc.**  
**(Located S. 2<sup>nd</sup> Street and Mitchell Street in the City of Milwaukee)**

La Causa, is a community-based organization located on Milwaukee's south side. They provide a variety of programs for South Side residents. Currently, they are expanding their capacity for providing day care and other services for children in their community. La Causa's award winning bilingual, multicultural Early Childhood Education Program provides children and their families with high quality childcare and education. They offer programs that focus on early brain development, nurturing, peaceful classrooms and a bilingual approach to education. La Causa is open from 6 a.m. to midnight and serves children from 4 weeks to 12 years. Additionally, they work with Milwaukee Public Schools and offer before and after school services from K to 4<sup>th</sup> grade.

We are seeking Community Reinvestment fund to provide La Causa with \$500,000 over the biennium in which to aid them in the expansion of their ability to provide day care. Currently La Causa serves 1,200 children per year. Of that total, with the current facilities and programs, La Causa can only serve a maximum of 700 children at one time. The new facilities and programs will give them the capacity to serve up to 2,000 children.

In addition to these traditional services, La Causa also offers a variety of other programs that support children and families. Through the Hispanic Early Learning Program (H.E.L.P.), a social worker works directly with children and families providing home visits, parenting classes and one-on-one behavior management sessions and child assessments. Before and after school programs are also offered during the summer months and off school days. Tutoring is available for children enrolled in the childcare program and transportation is available for a fee to parents.
