DHFS—Medical Assistance Hospital Payments (LFB Paper #473)

Modify Motion #1560 to restore the Governor's recommendation on payments to Disproportionate Share Hospitals. Provide \$412,500 GPR and 587,500 FED in the first year of the biennium, and \$415,000 GPR and 585,500 FED in the second year of the biennium.

Modify Motion #1560 to instead take no action regarding requiring DHFS to allocate a portion of the funding provided to increase outpatient hospital reimbursements, to fund adjustments in HMO payment rates to ensure that the current payment rate discount is not decreased as a result of the increase in outpatient hospital reimbursements.
