John:

Note that this amendment request did not specify which TERRA funds museums should receive. The addition of the term ~~and~~ "museum" in the definition of "educational agency" (the change the SDC proposed) has the effect of making museums eligible only for the program under S. 44.73. If you want museums to be eligible for other programs, this amendment will have to be redrafted after we discuss the details that such a draft would entail.
