Alzheimer's Disease--Safe return program and law enforcement training

Agency: DOJ

CN6501

Description: Provide \$30,000 GPR annually for the Safe Return Program, which provides identification bracelets that can be used to identify Alzheimer's patients who may wander away from their caregivers and ensure their safe return. Bracelets link to a nationwide toll-free telephone line with information about each patient.

Require that law enforcement officers receive at least one hour of training regarding Alzheimer's disease symptoms, recognizing Alzheimer's patients and dealing with them accordingly. Often Alzheimer's patients are inappropriately arrested and processed because they are thought to be intoxicated or mentally ill.

Fiscal Effect: \$60,000 GPR (\$30,000 GPR annually in 2002-02 and 2002-03)

Drafted in bill form as LRB 3255/1

(New provision)
