Minority Undergraduate Grant Program -- Include First Year Students

Failed 8-8 Dems: yps  
Reps: No

Motion:

Move to expand the eligibility requirements for the minority undergraduate grant program to include first year students.

MJL

---

Note:

This motion would expand eligibility for minority undergraduate grants to first year students. Currently, awards under the minority undergraduate grant program are made to resident minority undergraduates, excluding first year students. The student must be enrolled at least half-time at an independent or a Wisconsin technical college institution. Awards are based on financial need with a maximum grant of \$2,500 per semester, which can be received for up to eight semesters. During the 1999-00 academic year, \$356,838 was awarded to 348 technical college students with an average award of \$1,025. A total of 290 students attending private colleges received \$333,736 with an average award of \$1,151.
