## TRANSPORTATION

## Location Signs for Little Chicago

CN 2016

## Motion:

Move to have the Department of Transportation install signs on Highway 29 and Highway 107 directing motorists to Little Chicago.

What they want is a sign that says Little Chicago near the exits motorists would take if they wanted to go to Little Chicago. Thus, they would need a total of four signs. One sign on Highway 29 east and one on Highway 29 west. They would also need one sign facing Highway 107 south and one facing Highway 107 north.

Prior to the widening of Highway 29 they used to have signs on 29 by the exits people would take to get to Little Chicago.

I would probably describe Little Chicago as an "unincorporated community." I don't believe it is an official place. It is in Marathon County, but I'm not sure what town I'd put it in. From my map, it looks like it is on the town line between Berlin and Hamburg.

Jon,

Can you tell me: 1. what "Little Chicago" is? Is it an area of a municipality, or some type of business?, and 2. in what municipality and county "Little Chicago" is located? Thanks. Aaron
