**Department of Public Instruction – Categorical Aids – Special Education Aids**

- Provide \$19,572,200 in 2001-2002 and \$40,358,000 in 2002-2003 for special education aids in order to maintain the current 35.7% reimbursement rate for aidable special education costs. Delete \$6,524,100 in 2001-2002 and \$13,452,700 in 2002-2003 for general school aids to adjust two-thirds funding. Change to Base: \$39,953,400.
- Identical to Alternative 2A of Paper 740, moved by Plache/Burke failed 8-8. (attached)

CN5011

education, health, mental health and social services; and (d) interagency personnel development. School-based improvement plans under federal law are designed to assist educational agencies in improving educational and transitional results for children with disabilities by reforming and improving their systems for providing educational, early intervention and transitional services, including systems for professional development, technical assistance and dissemination of knowledge about best practices.

29. The Governor's proposal would allow for consistency in the use of special education funding provided by federal and state government. However, given that the reimbursement rate of state special education funding has been declining, it could be argued that it would be better to limit state funding to the currently-authorized activities under statute, which generally allow for the provision of direct educational or related services, such as special education instruction and transportation, rather than expand the uses of such funding for activities which do not necessarily involve direct provision of services to students.

## ALTERNATIVES TO BASE

### A. Special Education Aids Funding Level

1. Approve the Governor's recommendation to provide \$10,000,000 in 2001-02 and \$15,000,000 in 2002-03 for special education aids. Delete \$3,333,300 in 2001-02 and \$5,000,000 in 2002-03 for general school aids to adjust two-thirds funding.

<u>Alternative A1</u>	<u>GPR</u>
2001-03 FUNDING (Change to Base)	\$16,666,700
<i>[Change to Bill</i>	<i>\$0]</i>

2. Provide \$19,572,200 in 2001-02 and \$40,358,000 in 2002-03 for special education aids in order to maintain the current 35.7% reimbursement rate for aidable special education costs. Delete \$6,524,100 in 2001-02 and \$13,452,700 in 2002-03 for general school aids to adjust two-thirds funding.

<u>Alternative A2</u>	<u>GPR</u>
2001-03 FUNDING (Change to Base)	\$39,953,400
<i>[Change to Bill</i>	<i>\$23,286,800]</i>

3. Take no action. To maintain two-thirds funding, general school aids would increase by \$3,333,300 in 2001-02 and \$5,000,000 in 2002-03 compared to the bill.

<u>Alternative A3</u>	<u>GPR</u>
2001-03 FUNDING (Change to Base)	\$0
<i>[Change to Bill</i>	<i>-\$16,666,700]</i>
