7520

Under current law, the Secretary of Natural Resources and the members of the Natural Resources Board are appointed by the Governor with the advice and consent of the Senate. The Secretary serves at the pleasure of the Governor and the members of the board serve for staggered 6-year terms. The Secretary is the administrative head of the Department of Natural Resources (DNR), and the Board performs the regulatory, advisory and policy-making duties for DNR.

This proposal will remove the power of appointment of the Secretary from the Governor and return it to the Natural Resources Board. The Secretary would be appointed without the advice and consent of the Senate and serve at the pleasure of the board. This proposal allows the current Secretary of Natural Resources to continue to serve until he or she vacates his or her office or is removed from office by the Board.

Note: This proposal was introduced as 1999 Senate Bill 27.
