John:

I increased, in the second fiscal year, the amount that is appropriated under s. 20.143 (1) (kj) instead of creating another appropriation from the same funding source for the amount of the increase. It did not seem to make sense to create another Indian gaming (same source) appropriation for part of a one-time grant. ~~Because the unencumbered balance reverts at the end of a fiscal year,~~ I placed the money in the second fiscal year ~~to avoid a possible reversion before the proceeds are paid or encumbered.~~ Okay? Since the appropriation is biennial, however, the amount shown for the second fiscal year is available in the first fiscal year.
