PUBLIC INSTRUCTION -- ADMINISTRATIVE AND OTHER FUNDING

Increase BadgerLink Funding with Universal Service Fund

Motion:

Move to provide \$73,500 SEG in 2001-02 and \$150,200 SEG in 2002-03 for BadgerLink from the segregated universal service fund (USF). This would replace \$73,500 PR in 2001-02 and \$150,200 PR in 2002-03 from charges to school districts that would be provided under the budget bill.

---

Note:

BadgerLink provides full-text database services through a statewide contract to all residents of the state. The Governor provided an increase in funding for BadgerLink of \$73,500 PR in 2001-02 and \$150,200 PR in 2002-03 in a new PR appropriation to continue the current level of services. While the base level funding of \$1,700,000 would continue to be funded by the USF, the increase under the Governor's proposal would be generated by requiring the State Superintendent to charge each school district a fee for use of BadgerLink for 2001-03. This motion would replace the PR funding provisions of the bill summarized under Public Instruction -- Administrative and Other Funding, #13.
