NEW VETERANS HOME (CBRF) AT SOUTHERN WISCONSIN CENTER -
OPERATIONAL FUNDING & POSITION AUTHORITY

CN9010

DVA - Homes & Facilities for Veterans

Provide budget authority of \$368,500 PR and \$44,100 SEG in
FY 02 and position authority of 28 FTEs and budget
authority of \$1,998,300 PR and \$49,200 SEG in FY 03 for the
purpose of funding the operation of the CBRF facilities at
the new veterans home at the Southern Wisconsin Center.

Authority to construct a new building at SWC to be used as
a CBRF was approved in the 1999-01 biennial budget. The
DVA has since received approval from the United States
Department of Veterans Affairs to fund up to 65% of the
cost to construct the facility. Much of the planning and
design work for the project has been completed and
construction is scheduled to begin this fall. Current
projections are that the facility will be completed in
October 2001. The funding and position authority requested
is needed to operate the new CBRF.

Sorry, yes, it's ok to eliminate the SEG funding if LFB has determined that it's not necessary for the positions involved.

All of the positions will be funded with PR moneys. Apparently DVA originally thought one position would be funded with SEG moneys.

John-

I have talked with Richard Megna at the LFB regarding this request. After talking with someone at DVA, Richard believes that there shouldn't be any SEG funding. Is this okay?

Thanks,
Ivy

I misstated the funding change and I apologize. Richard Megna says the PR funding should be increased by the amount of SEG in the original proposal, thus, 412,600 PR in FY01-02 and 2,047,500 PR in FY 012-03. Is this okay?
