description: Bait for Hunting Deer and Bear.

**other notes**

Description2: Use of Bait for Hunting Deer and Bear. Bait for deer and bear hunting would apply under the following circumstances: 1) the location of the bait is within sight of the hunter; 2) the bait is within the effective range of the weapon used by the hunter; and 3) the hunter has knowledge of the previous two requirements. The use of bait for hunting deer or bear is permitted subject of rules of the department.

1. I was unsure of the intent of the provision regarding the hunter having knowledge # of certain facts, which was in the draft I was provided. Please review to make sure that my redraft of the language achieves your intent.
2. I did not include any language concerning rules. Under current law, DNR may promulgate rules to administer this provision, but the rules may not conflict with the statutes. If the concept that needs to be conveyed is that the department may limit or restrict on this particular provision, this needs to be redrafted.
