**WESTBY FIRE DEPARTMENT GRANT**

Move to require the Department of Commerce to approve a grant of \$260,000 from the Wisconsin Community Development Block Grant during the 2001-03 biennium to the Westby Fire Department. Commerce would only be required to approve the grant should they be denied a FEMA fire grant.

The Wisconsin Community Development Block Grant for Public Facilities Program (CDBG-PF) provides grants to assist economically distressed smaller communities with public facility improvements. Units of local government including towns, villages, cities and counties are available for the annual federal grants. Cities with populations of 50,000 or more are not eligible for this grant.

CN  
4504

This motion would require the Department of Commerce to make a grant of \$260,000 to the Westby Fire Department for costs related to buying a new fire engine and constructing a new fire station in the city of Westby. The grant would be made available from the amounts appropriated for the current CDBG-PF. This motion would only go into effect if the Westby Fire Department does not receive a fire grant from the Federal Emergency Management Administration (FEMA).
