**PUBLIC INSTRUCTION -- REVENUE LIMITS**

**Revenue Limit Adjustment for Integration Transfer Program**

b5892

CN2001

**Motion:**

Move to provide a recurring revenue limit adjustment in the 2001-02, 2002-03 and 2003-04 school years to school districts that implemented an integration transfer program between July 1, 1993, and the effective date of the bill. Specify that the adjustment in each year would be equal to one-third of the initial integration transfer aid program payment. Exclude the adjustment from the definition of partial school revenues for the purpose of determining the state's two-thirds funding goal.

PL

---

**Note:**

The Wausau School District would be eligible for a revenue limit adjustment under this motion. The District began an intradistrict transfer program in the 1993-94 school year and received an initial payment of \$579,800 under the program in 1994-95. Since the adjustment would be excluded from partial school revenues, the state's cost of two-thirds funding would remain unchanged.

note:

there are no GPR implications  
nor any impact on other districts.  
The Wausau School District would  
have the option of levying for  
these costs over a 3 year period.
