## 2001 ASSEMBLY BILL 14

January 16, 2001 - Introduced by Representatives SHERMAN, BERCEAU, ZIEGELBAUER, POWERS, MILLER, BOYLE, SYKORA and GRONEMUS, cosponsored by Senators JAUCH and PLACHE. Referred to Committee on Children and Families.

- 1 **AN ACT to amend** 49.155 (3m) (d) of the statutes; **relating to:** use of child care  
2 funds to provide care for a child by a licensed child care provider who resides  
3 with the child and who is not a parent of the child.

---

### *Analysis by the Legislative Reference Bureau*

Under current law, the department of workforce development is required to reimburse a day care center that has been licensed by the department of health and family services (DHFS), a family day care provider that has been certified by a county department of human services or social services (county department), or a day care program that has been established or contracted for by a school board, or distribute funds to a county department, for child care services provided to a person who is eligible for a child care subsidy under the Wisconsin works program. Current law, however, prohibits those funds from being used to provide child care for a child by a person who resides with the child, unless the county department determines that the care is necessary because of a special health condition of the child. This bill permits those funds to be used to provide child care for a child by a person who resides with the child if the person is licensed by DHFS to operate a day care center and is not a parent of the child.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

<b>Assumptions Used in Arriving at Fiscal Estimate</b>  Since the situation rectified by the bill is rare, it is calculated that it would affect no more than 10 cases per year at a median value of the subsidy of \$8,000 per year.	
<b>Long-Range Fiscal Implications</b> While this bill would affect only a small number of cases, it is important to note the increasing costs of the child care subsidy program as a whole.

Attached is a chart showing all of the Senate TANF changes and the impact on Chapter 20. The GPR increase goes towards child care subsidies and allows the state to draw down additional federal child care block grant funds. This in turn frees up additional TANF funds. Let me know if you have questions.
