TEMPORARY ASSISTANCE FOR NEEDY FAMILIES
W-2 Pay Period

CN5559

Motion:

    Move to specify that the participation period for a W-2 employment position must be from the 26th day of one month to the 25th day of the next month. In addition, require DWD to issue benefit payments on the first day of the month after the participation period ends, based on the number of days the individual participated during the participation period.

Note:

    Under the motion, the participation period for a W-2 employment position would be from the 26th day of one month to the 25th day of the next month. The participant would receive a benefit check on the first day of the subsequent month for the number of days the individual participated in the program during the pay period. There are not currently any statutory or regulatory provisions on the W-2 pay period. Under DWD's Wisconsin Works manual, the pay period currently runs from the 16th day of one month to the 15th day of the next, with payment on the 1st day of each month. If participation begins between the 1st and 15th day of the month, a prorated payment is issued in the first month and a full benefit payment is made in subsequent months. If participation begins between the 16th and last day of Month A, a prorated initial payment is provided in two parts: (a) the first partial payment is provided after the first day of the following month (Month B) to cover participation from the beginning date to the end of Month A; and (b) the second payment is issued on the first day of the third month (Month C) for participation from the first day through the 15th day of Month B. The first full payment would be provided on the first day of the fourth month.
