Senator Moore

TEMPORARY ASSISTANCE FOR NEEDY FAMILIES

Time Limit Extensions

C15560

Motion:

Move to require DWD to promulgate rules regarding the procedures that W-2 agencies must follow for granting extensions to the 60-month participation limit.

KSR

---

Note:

Under current law, there is a 60-month lifetime limit for participation in the W-2 program. The time limit applies to the total number of months in which the individual has actively participated in the job opportunities and basic skills (JOBS) program under prior law, has received benefits under a subsidized W-2 employment position, or has received benefits in Wisconsin or any other state that were funded by federal TANF dollars. Participation in the JOBS program counts toward the 60-month time limit beginning on October 1, 1996. Therefore, participants will first be subject to the time limit beginning in October, 2001. W-2 agencies may extend the time limit only if it determines that unusual circumstances exist that warrant an extension of the participation period. Current law requires DWD to promulgate rules regarding the definition of "unusual circumstances." The motion would also require DWD to promulgate rules regarding the process W-2 agencies must follow for granting extensions to the 60-month participation limit.
