Governor's Work-Based Learning Board--Local Youth Apprenticeship Grant

[LFB Paper #1031]

Motion:

Move to require the Governor's Work-Based Learning Board to make a one-time local youth apprenticeship training grant of \$64,125 to \$128,250 in 2001-02 to Wisconsin Plastics Valley consortium to implement and coordinate a local youth apprenticeship program.

Note:

The Governor's Work-Based Learning Board (GWBLB) awards local youth apprenticeship grants to local youth apprenticeship partnerships for implementation and coordination of local youth apprenticeship programs. Local youth apprenticeship partnerships are consortia that include one or more school districts, WTCS institutions, CESAs, other public agencies, workforce development boards, labor and employer groups. Local youth apprenticeship partnerships provide administrative, program and financial support to the local youth apprenticeship programs.

A local partnership can use grant moneys for any of the following implementation and coordination activities: (a) recruiting employers to provide on-the-job training and supervision for youth apprentices (including making training grants to employers) and providing technical assistance to those employers; (b) recruiting students to participate in the local youth apprenticeship program and monitoring the progress of youth apprentices participating in the program; (c) coordinating youth apprenticeship training activities within participating school districts and among participating school districts, postsecondary institutions and employers; (d) coordinating academic, vocational and occupational learning, school-based and work-based learning and secondary and postsecondary education for participants in the local youth apprenticeship program; (e) assisting employers in identifying and training workplace mentors and matching youth apprentices and mentors; and (f) any other implementation or coordination activity that the Board may direct or permit.

A total of \$3,150,000 GPR is annually appropriated for local youth apprenticeship grants. This motion would require the Governor's Work-Based Learning Board to make a one-time local youth apprenticeship training grant of between \$64,125 and \$128,250 to Wisconsin Plastics Valley consortium for implementing and operating a local youth apprenticeship program.
