Subject: RE: CN 6001 waterways funding for museum in Racine and in Kenosha

I read this amendment as calling for:

- Earmarking \$500,000 in each year of this biennium from the waterways commission to be provided to the Kenosha Civil War Memorial (total=\$1,000,000 earmark)
- Earmarking \$500,000 in each year of this biennium and the next, from the waterways commission to be provided to the Racine Heritage Museum for the discovery place museum within the heritage museum (total=\$2,000,000 earmark)

In addition:

- Requiring the Building Commission to issue \$1,000,000 general fund supported borrowing to aid the Kenosha Civil War Memorial (total=\$1,000,000 BR)
- Requiring the Building Commission to issue \$1,000,000 general fund supported borrowing to aid in the construction of the Discovery Place museum within the heritage museum (total=\$1,000,000 BR)

Total = \$2,000,000 BR
\$2,000,000 Earmarking in this biennium from the waterways commission, if the earmarking for the next biennium is typically noted here, then it would be \$3,000,000 earmarking (\$2,000,000 was probably noted because that's the impact in this biennium for this part of the equation)

John,

As I read the drafting instructions the following amounts are to be provided:

\$500,000 for each year of this biennium to Kenosha for a total of \$1,000,000.

\$500,000 in each year of this biennium and each year of next biennium to Racine for a total of 4 years and \$2,000,000

This adds up to \$3,000,000, but at the bottom of the page it says only \$2,000,000.

Please advise.

It is possible that a Wisconsin court would find this legislation to be a "private or local bill" which, under Article IV, section 18, of the Wisconsin constitution, must be enacted as single-subject legislation. If this legislation is a "private or local bill", it cannot validly be enacted as part of the budget bill, which clearly encompasses more than one subject.
