Income Augmentation Revenue

[LFB Paper #462]

Motion:

Move to prohibit the Department of Health and Family Services from contracting with any vendor to secure income augmentation revenues. Specify that this provision would take effect following termination of the current contract.

Additionally, provide \$43,800 FED in 2001-02 and \$49,700 FED in 2002-03 and 1.0 FED position, beginning October 1, 2001 for DHFS to conduct activities to secure income augmentation revenues.

Note:

This motion would prohibit DHFS from contracting with a vendor to secure income augmentation revenue and instead, provide \$43,800 FED in 2001-02 and \$49,700 FED in 2002-03 and 1.0 FED position, beginning October 1, 2001, to conduct activities to secure income augmentation revenue.

DHFS currently contracts with Maximus, Inc. to conduct activities to identify additional federal revenues available under Titles IV-E (federal foster care), XVIII (Medicare) and XIX (medical assistance). This revenue is referred to as income augmentation revenue.

Under the terms of the contract with Maximus, Maximus is entitled to 10% of all income augmentation revenues received by the state as payment for its services. It is uncertain whether DHFS would be able to continue to generate income augmentation revenues if it were unable to contract with an outside vendor for these services. The current contract with Maximus expires October 30, 2002.
