Date

Under current law the department of health and family services (DHFS) is required to provide \$484,300 in each fiscal year to Milwaukee County for competency examinations. The grant money is appropriated from s. 20.435 (7) (bc), stats.

The Governor's budget changed the appropriation source for the grant to s. 20.435 (2) (bj), stats., and eliminated the designation of the annual grant amount. This amendment decreases the amounts in the schedule for s. 20.435 (2) (bj), stats., by \$484,300 in each fiscal year, and increases the amounts in the schedule for s. 20.435 (7) (bc), stats., by \$484,300 in each fiscal year. Should the decrease and increase amounts be different?
