This amendment increases the GPR funding for HIRSP. It does not increase the amounts in the schedule for s. 20.435 (4) (u) or (v). We would not change the amount for s. 20.435 (4) (v), which is a continuing appropriation that allows *all moneys received* (premiums and insurer assessments), except for those appropriated for administrative costs, to be used to pay benefits. It does not specify an amount that will be used to pay benefits. The amount in the schedule is just an estimate. I spoke with Rachel Carabell from the Fiscal Bureau about increasing the amount for s. 20.435 (4) (u), which *does* specify an amount, for administrative costs. She said that not even those administering HIRSP believe the amounts specified for administrative costs need to be increased and that you probably did not intend to increase any amounts other than the GPR amounts.
