12 self-sufficient and productive adults are statewide responsibilities of statewide
13 dimension. The legislature also finds and determines that the children of the city of
14 Milwaukee are disproportionately represented in the state's foster care system and
15 that, because those youth are so disproportionately represented, the state has a
16 specific concern in providing good substitute parental care for those children and in
17 helping those children grow up to be self-sufficient and productive adults. In
18 addition, the legislature finds and determines that the children's village model of
19 substitute care provided by SOS Children's Villages provides good substitute
20 parental care for children and helps children grow up to be self-sufficient and
21 productive adults by keeping together sibling groups that would otherwise be
22 separated, providing one foster home for a child until the child is reunified with his
23 or her family or achieves some other permanent placement, providing professionally
24 trained caregivers for children, especially children with special needs, and providing

1 not just a home but an entire community in which a child may grow. The legislature,
2 therefore, finds and determines that assisting SOS Children's Villages of Wisconsin
3 — Milwaukee Chapter in the construction of a children's village will have a direct
4 and immediate effect on that specific statewide concern and on those state
5 responsibilities of statewide dimension.

6 (b) The building commission may authorize up to \$550,000 in general fund
7 supported borrowing to aid in the construction of a children's village by SOS
8 Children's Villages of Wisconsin — Milwaukee Chapter at a location on the near
9 north side in the city of Milwaukee. The state funding commitment for construction
10 of the children's village shall be in the form of a grant to SOS Children's Villages of
11 Wisconsin — Milwaukee Chapter. Before approving any state funding commitment
12 for the children's village, the building commission shall determine that SOS
13 Children's Villages of Wisconsin — Milwaukee Chapter has secured additional
14 funding at least equal to \$3,270,000 from nonstate donations for the purpose of
15 constructing the children's village.

16 (c) If the building commission authorizes a grant to SOS Children's Villages of
17 Wisconsin — Milwaukee Chapter under par. (b) and if, for any reason, the facility
18 that is constructed with funds from the grant is not used as a children's village, the
19 state shall retain an ownership interest in the facility equal to the amount of the
20 state's grant.”.
