Budget Amendments 2001 - 2003

Prepared by the Assembly Republican Caucus

3

Statement of Intent Put up two special signs on HWY 63 directing motorists to the Veteran's Memorial Cemetery in Clear Lake, WI

Legislator	Foti	Amendment	13
Legislator 2		Pass or Fail	Pass
Legislator 3		Spending Cut	
Legislator 4		Withdrawn	
Staff contact	Mike Heifetz	Package	

Agency Transportation

Summary This motion would add two veteran's signs on HWY 63 near the Veteran's Memorial Cemetery in Clear Lake. The two identification signs on HWY 63 would be used to direct people to the Clear Lake Veteran's Memorial Cemetery where veterans from as early as the Civil War have been layed to rest. The memorial was built solely by volunteer labor and donated financial support.

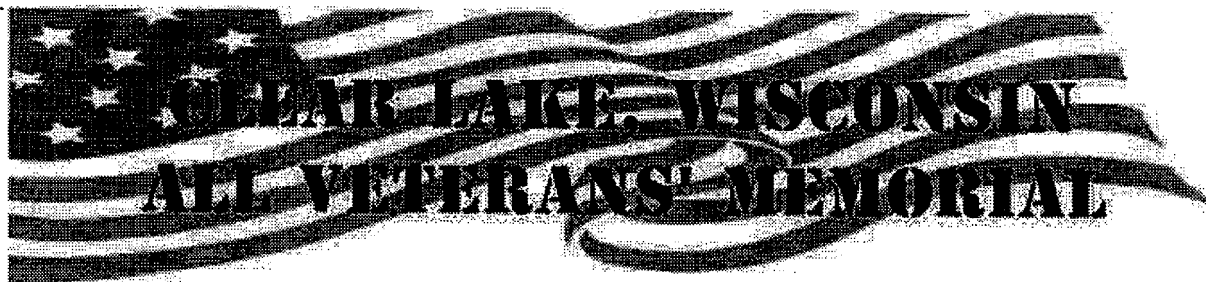

Fiscal Impact According to the DOT, two signs on Highway 63 would cost between \$2,500-\$3,000. The funds would come from the DOT's base budget.

WELCOME!

UPDATE:

Clear Lake All Veterans' Memorial received the designated title of **A Korean Commemorative Community** from our Department of Defense. Click [HERE](#) for details regarding upcoming events!

Purpose

Visit an all veterans' memorial set in the rolling peaceful country-side of Western Wisconsin. It commemorates all veterans with ties to the Clear Lake region. Authenticity of names and dates for each veteran is inscribed on one of five gray granite monuments. These in place form a circular guard to a black memorial on which are engraved the names of 62 local men who made the supreme sacrifice for our liberty.

Visitors are welcome at this unique all veterans' memorial. Most veterans' memorials restrict their purpose to one time period (Vietnam), one group (killed in action) or some other role. The Clear Lake All Veterans' Memorial does all of these functions, but it adds the dimension of inclusiveness. Starting with names before 1861, over 1700 veterans have been remembered on this memorial. The criteria for memorial admission is to have honorably served our nation in peace or wartime and have a connective tie to regional Clear Lake.

No rank or distinction is ordered on the memorial, but rather the names are non-alphabetically and non-chronologically inscribed. For example, a Civil War Anderson may be next to a Desert Storm Zale. The simplicity of this ranking allows additional names to be added at later dates and thus maintaining the memorial's continuity!

The Memorial's setting is in the GAR parade ground within the Clear Lake cemetery. Those Union visionaries had the foresight to lay out over 15,000 square feet of choice land area in the cemetery proper. A rectangular shape allows the Veterans' Memorial adequate space on which to be built.

A historic fact about the Clear Lake All Veterans' Memorial is that a Pearl Harbor victim is buried here. By noting this fact, Clear Lake Veterans' Memorial is one among the restricted few public cemeteries in the continental United States with that distinction. On December 7th, 1941 our nation was deliberately attacked by Japan. Over 2000 men and women were killed that day. This treacherous incident drew our nation into four long years of war against the axis powers of Japan, Germany, and Italy.

Construction

Three thousand, three hundred square feet of granite heritage stone blocks with donor names inscribed lead into the memorial proper. It was through the foresight of these donors that all necessary funds were raised to build this memorial. A black India granite tablet with 60 KIA's inscribed is the centerpiece of this edifice and it accentuates the solemnity of the memorial proper! Complimenting the KIA monument are 5 polished granite tablets on which are carved the names of over 1600 area men and women veterans with Clear Lake ties.

Supporting the Memorial proper are 2 American and 6 service flag poles. Because of the Memorial's geometric shape, the flag poles help define its shape. However, 15 stone seating benches provide additional perimeter definition for the memorial proper. A beautiful royal blue directory provides historic and written data as you enter the memorial. Names, dates, building facts, etc. are arranged for easy reader access. This knowledge will help prepare a visitor for what the Veterans' Memorial is all about.

Beyond the directory is a 15 feet high by 15 feet wide royal blue scrolled steel archway. This beautiful masterpiece defines the memorial entrance. Just beyond the archway is a beautifully restored Civil War monument. Although this is an all veterans' memorial, the Civil War monument has been placed in the memorial proper to give an historic perspective! Moving further into the memorial proper, one walks on the granite heritage stones which cover 3300 square feet of surface. These inscribed granites are one of the memorial's main features. Hundreds of donor names are engraved for posterity's sake. Future generations will have the opportunity to find the name(s) of a relative or friend, for inscribed on these heritage blocks is a piece of history for all to see and remember.

Directions

The memorial is accessible from U.S. Hwy 63 which passes through Clear Lake. Turn East on Veterans' Memorial Drive and it is 1/2 mile on the right. Visiting hours are 7 days a week and the memorial is lighted for evening viewing. During the winter snow season, the surface is not cleaned to prevent possible surface damage.

Donations

The entire memorial was built **without** any government grants or assistance. Community minded patriots stepped forward when called upon and took their turn at making our dream a reality. It was not uncommon to see 10 or more people, 70 or more years old, working on their hands and knees. It isn't hard to sell an idea when the community supports it!

Cash donations were enlisted from all over the United States and are still welcome.

If you wish to make a **tax deductible** contribution, send your check to:

Subject: RE: LRB Draft: 01b1282/1 Clear Lake All Veterans' Memorial

Cathlene,

The office has requested these minor changes:

On lines 5 and 6, change "Clear Lake All Veterans' Memorial" to "Clear Lake Veteran's Cemetery and Memorial".

Also, they would like the year changed to 2002 in line 6. Thanks again. Call with questions.
