Agency Transportation

Summary The Joint Committee on Finance recommended requiring DOT to reconstruct the sidewalk on the south side of Plover Road (STH 54) between the railroad tracks and 36th Street in the City of Wisconsin Rapids and provided \$2,000 in 2001-02 in the state highway rehabilitation SEG appropriation to fund the reconstruction.

This amendment would eliminate the JFC provision to reconstruct the sidewalk in Wisconsin Rapids.

Fiscal Impact Saves \$2,000 SEG.

Peggy,

The sidewalk funding reduction should come from 20.395 (3) (cq), which is page 188 line 19 and should be taken out of 2001-02. Sorry, I should have given better instructions on this one from the start. The sidewalk is along STH 54, which is why it is a state highway rehabilitation project.
