My review of maps indicates that the signs should be erected on I 43 rather than I 894, and the attached draft includes this modification. Please advise if you believe that I 894 is in fact the correct freeway designation.

Please note that this amendment may be challenged as a private or local law. Under article 4, section 18, of the Wisconsin Constitution, legislation that is specific to any person, place, or thing must be enacted as single-subject legislation unless the subject matter relates to a state responsibility of statewide dimension and its enactment will have direct and immediate effect on a specific statewide concern or interest.

6/22/01 Telephone conference with Rep. Stone. Freeway should be I 894, not I 43. It is I 894 at 60<sup>th</sup> Street. Also, doesn't want June 30, 2003 date. Require installation within two months after passage of budget.

Aaron,

The 60<sup>th</sup> Street exit on I-43 is in the City of Greenfield. The sign, however, should still be for downtown Greendale. I don't know if you have to mention it in the draft, but in case you do, Greendale is a village not a city.

The attached draft changes the freeway reference in LRBb1291/1<sup>✓</sup> from "I 43" to "I 43/894" based upon my conversation with Representative Stone and my review of additional maps indicating that, at 60th Street, the freeway is both I 43 and I 894. Also in accordance with my conversation with Representative Stone, the attached draft is modified to require the department of transportation<sup>✓</sup> to erect the signs within two months of passage of the budget bill, rather than any time within the 2001-03 fiscal biennium.

Based upon communications from the Legislative Fiscal Bureau, the draft is also modified to reflect that the sign at I 43/894 and 60th Street will actually be erected in the city of Greenfield,<sup>✓</sup> although it will provide directional information to downtown Greendale.
