Summary The Joint Committee on Finance recommended providing \$25,000 annually for the aviation career education program, which would be sufficient to hire an additional ten program participants annually, and required DOT to offer the program in the City of Green Bay if there are interested and eligible participants for the program in Green Bay. Under the program, DOT hires socially and economically disadvantaged youth as limited-term employees to work in part-time jobs with participating aviation employers. Base funding for the program is \$138,300.

The amendment would eliminate the JFC provision to provide \$50,000 in additional funding over the biennium for the Aviation Career Education Program.

Fiscal Impact Saves \$50,000 SEG.
