Patty, at first glance, I believe the date, as passed was 2010. After I drafted the amendment, it was apparently decided that the DOT could get it done earlier, so when the package was written and taken up, they came up with 2010.

I will double check and get back to you.

Thank you, Tim. I'm sure we'll have bigger problems than this before its over, but this one's solved.

I have confirmed that they want the year 2010.

Mark,

Greetings! I'm the drafter for the above amendment. Get back to me re whether you want "2010" instead of "2012".

Hang in there. Roll with the tide.

Peace, Tim
