Analysis by the Legislative Reference Bureau

Under this bill, a person who is required under federal law to register with the selective service system, but has not done so, may not be appointed to a position in the state classified service, to certain positions in the University of Wisconsin (UW) System available to students, or as a corps enrollee in the Wisconsin conservation corps. The bill first applies to original appointments made on the first day of the 13th month beginning after the bill's effective date.

The bill prohibits the board of regents of the UW System and the higher educational aids board from providing any state financial assistance to a person who is required to register with the selective service system and has not done so.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
