This amendment requires DHFS to seek a federal waiver to increase the maximum amount of the co-pay for BadgerCare. If the waiver is granted, DHFS must still continue to charge the co-pay according to a schedule, but the maximum amount that may be charged will be 5% of the individual's income. Is this your intent or do you want to require all individuals who are eligible for BadgerCare to pay a 5% co-pay regardless of income?

Please review the amendment carefully to ensure that it is consistent with your intent.

Carolyn-

I just received a call from Maggie in Rep. Grothman's office informing me that the intent of the amendment is to require all individuals to pay 5% of their income as the co-pay. As currently drafted, the amendment does NOT do this. Should I redraft the amendment per Maggie's instructions?

Please let me know as soon as possible.

Thanks,

Ivy
