7. SUBSTANCE ABUSE SERVICES GRANTS [LFB Paper 517]

	Governor (Chg. to Base)	Jt. Finance (Chg. to Gov)	Net Change
GPR	\$0	\$2,000,000	\$2,000,000

Governor: Authorize DHFS to distribute substance abuse treatment grants to all counties, rather than Milwaukee County, exclusively. Under current law, DHFS distributes a \$5,000,000 GPR annual grant to Milwaukee County that the county uses to provide substance abuse treatment services to TANF-eligible individuals with family incomes equal to or less than 200% of the federal poverty level.

In addition, require that allocated but unexpended funds for these substance abuse treatment grants on June 30 of each year be transferred to the Wisconsin Works and other public administration and benefits appropriation in DWD. Current law states that at the end of the 1999-00 fiscal year, DHFS is required to transfer the difference between the \$5,000,000 appropriation and the amount expended and encumbered to DWD to help satisfy the TANF maintenance-of-effort requirement.

Joint Finance: Modify the Governor's provisions by specifying that the effective date of this change would be January 1, 2002.

Transfer \$1,000,000 GPR annually from DWD to DHFS for substance abuse services grants. Indicate that these funds be counted towards the state's TANF maintenance-of-effort requirement. Specify that no less than \$2,000,000 of the total annual grant funding be awarded to Milwaukee County or private, nonprofit organizations in Milwaukee County. In addition, specify that no more than \$4,000,000 of the total annual grant funding be awarded to counties and private, nonprofit organizations throughout the state. Require DHFS to distribute substance abuse services grants that are not earmarked specifically for services in Milwaukee County to counties and private, nonprofit organizations in counties, including Milwaukee County, based on the distribution of families with income at or below 200% of the federal poverty level.

8. COMMUNITY SUPPORT PROGRAM

GPR	\$2,000,000
-----	-------------

Joint Finance: Provide \$1,000,000 GPR annually to increase state funding for the community support program. This county-administered program provides community-based, individualized services, including coordinated care, treatment, rehabilitation and support services, to adults with severe and persistent mental illness. Currently, there are 112 community support programs in Wisconsin, of which 82 are MA certified.
