Your request allotted money to “increase community-based HIV care and treatment services”; direct care for persons with HIV is provided under grants under s. 252.12 (2) (a) 2., stats. Your request also allocated money to “improve access to health, legal, social, and housing assistance for people with HIV/AIDS” and “provide critical support services for AIDS-impacted families”; these services are provided for persons with HIV under grants under s. 252.12 (2) (a) 8., stats. DAK:ys

This redraft changes the AIDS funding to be just for life care and early intervention services grants, rather than for both those grants and grants to local projects. The redraft also provides the grants to "state-designated HIV service organizations," rather than to "applying organizations." Lastly, the redraft builds the \$200,000 increase into the base by eliminating a repeal of the new language at the end of the biennium.
