✓ 17. **Revise Regulations of Custom Service Slaughterers and Meat Inspection**

(requested by M. Lehman, motion request #79)

Amend the statutes so that custom service slaughterers/mobile slaughterers are excluded from meat inspection if the slaughterer is not involved with the direct sale of the meat.

RCT

Prohibit farmers/meat producers from selling meat that will be re-sold unless that meat is inspected.

Fiscal Impact: None

✓ 18. **Arsenic in Wood** (requested by Sykora, motion request #64)

Repeal the requirement that DATCP and Commerce submit to the Joint Committee on Finance by the December 2001, s. 13.10 meeting, a comprehensive plan repealing the purchase by any state agency of wood, or any product that contains wood that is treated with arsenic, inorganic arsenic or an arsenic copper combination such as chromated copper arsenate wood preservative fungicide by December 31, 2002. The motion also repeals the other reporting requirements that were to be included in the plan. This motion repeals motion 625 (Burke) that passed in JFC on an 11-5 vote.

RCT

This motion requires DATCP and DCOMM to examine scientific evidence to determine whether there is a legitimate concern that wood treated with copper, chromium and arsenic (CCA) is harmful to the environment and report their findings to the Legislature by June 30, 2002. If scientific evidence indicates that CCA treated lumber is harmful to the environment, require DATCP and DCOMM to create guidelines for appropriate and inappropriate use of CCA treated lumber to be phased in over time.

I was getting to that.... I did ask him about the fair amendment, it is too narrow. On page 2, line 2, the words "by exhibitors" should be stricken. The intent is to make the County or District Fair and Fair Board exempt from the campground permit requirements just before, during and after the County or District Fair.

Other groups use the fairgrounds throughout the Summer, the limiting scope was intended just for the County or District Fair and not other events held on those grounds.

This may or may not accomplish the goals set out by Rep. Powers, Vince.

Please show this to him and see what he says.
Thanks,
