Requires that all IGT received by the state of Wisconsin after June 30, 2001 in excess of \$75 million in each fiscal year shall be retained and expended solely to increase Medicaid nursing home per diem payments and county and Municipal supplemental IGT payments in the next biennium.

21. Health Insurance Risk Sharing Pool (HIRSP): PJK

b1454

Direct the HIRSP Board of Governors to study alternative funding sources for the Health Insurance Risk Sharing program, and state that the recommendations of the Board shall be reported to the Joint Committee on Finance and the Senate and Assembly Health Committees by January 1, 2002.

22. Comprehensive Quality Assessment – Pilot Program:

Pathway Health Services - Create a pilot program of Comprehensive Quality Assessment (CQA). A CQA is a comprehensive assessment of the quality of care/services provided to residents in long term care settings (nursing homes) and clients of assisted living centers. The CQA is considered an "Alternative Survey Process" aimed at giving providers a more positive process to determine if they are providing quality care and services to residents/clients. (See attached)

Pilot this program in the following counties:

- a) Waukesha
- b) Brown
- c) Polk
- d) Grant

23. Cemetery Plots Deletion:

Delete JFC language created by motion #122 relating to conveyance of Cemetery plots. Under this motion, the person holding the rights of burial to a cemetery plot would be allowed to transfer that right to a member of his/her immediate family (spouse, child, sister, brother or parent). The person owning the rights to that plot would not need to have the permission of the cemetery authority or religious society to make such a transfer. This provision deletes this language

24. Legislative Council Study on Developmental Disabilities Non-Fiscal Items:

Include non-fiscal language from the Legislative Council Study Committee on Developmental Disabilities which includes:

- a. Requiring the Governor to include 4 legislative members, one from each caucus, to the Wisconsin Council on Developmental Disabilities
- b. Amending current CIP IB statute to include the Brain Injury Waiver program.
- c. Requires the Department to seek waivers of federal MA statutes and regulations that are necessary to implement the Children's Long-Term Support Redesign in pilot sites.
- d. Requiring DHFS to promulgate rules to require that the written plan of care for persons receiving personal care services be reviewed at least every 60 days.
- e. Requires the Department of Health and Family Services to develop a plan to administer and fund services for persons with developmental disabilities, and to submit that plan to the department of Administration as part of the department's budget request for the 2003-2005 biennium.

25. Supply Requirement for Nursing Home Medications:

Should the language in draft 1454/1 be placed in Section 9123 ("Nonstatutory provisions; DHFS" rather than in the initial applicability section (9323). Please redraft this item if you agree or let me know if I'm mistaken. Thank-you. Charlie
