Dear Ms. Tradewell:

Per my message on your voice mail, attached is the language we'd like to have for item #19 on the Assembly Republican Agriculture Package.

The WASI fund (in the UW budget) currently has \$1.8 million and \$250,000 of that is for agro-environmental research. We would like to transfer that money back to DATCP and use it for WISARD, Wisconsin Agriculture Research and Development (1997 AB 348) and give DATCP the oversight of these funds (1997 AA 1 to AB 348).

Please do not hesitate to contact me if you have any further questions.

Sincerely,

Charlene Rodriguez

Subject: ARC agriculture package item

John,

I am the agriculture drafter at the LRB. Item 19 in the Assembly Republican's agriculture package says to take funds from the agricultural stewardship initiative and give them to WISARD. I am in contact with the Republicans to figure out what WISARD is. But I hope you can help me with the funding issues. They tell me that the money that should be taken for this purpose is the \$250,000 that was being provided to the UW for "agro-environmental" research. Do you know whether the UW was provided that amount for that purpose? Was it provided for both fiscal years? Is the funding in s. 20.285 (1) (a)? If not, can you tell me which appropriation I need to reduce?

Thanks much,
Becky Tradewell
