Agency Commerce

Summary The amendment would provide \$386,600 in economic development funds to the City of Amery for the Apple River Project. The allocated funds would be used to purchase land with existing structures that have fallen into disrepair, for the purpose of demolition and environmental clean up. The funds would also be used to leverage state and federal environmental clean up funds.

Fiscal Impact The \$386,600 in funding for this will now come out of the Department of Commerce's Brownfield Grant program.
