Subject: RE: DNR split

Adding the reductions to the LFB plan sounds workable (I believe DNR would have to come in to JFC before 7-1-02 with its plan to reallocate if it so chooses). Daryl

Subject: DNR split

Daryl,

I am working on a redraft of the DNR split. In the nonstatutory provisions of the sub, I have tried to indicate which agency would take on a DNR responsibility if the responsibility lasts past 6/30/2002. I do not know what to do about the across the board appropriation reductions, see p. 1376, line 15. Perhaps the best thing would be to add something to the language for the LFB plan to parcel out the appropriations to say that the plan would also include how to divide up that reduction. What do you think?
