4. **Veterans Emergency Aid Test Pilot Program** (requested by Musser, motion request #103 (modified))

51522

This amendment adds a one-time pilot \$20,000 emergency aid program. These emergency funds will be used by "Families First" in Monroe County. Eligible

veterans must have used Tomah VA Medical Center or the Veterans Assistance Center at the Tomah VA. Applications must be approved by the Monroe County Veterans Service Office (CVSO). The CVSO has authority to deny requests.

This emergency aid program will serve veterans who have received services at the Tomah VA, but do not have the means to pay for temporary housing, food or transportation to return to their residence.

Fiscal Impact: \$20,000 ^{SEN} from the Veterans Trust Fund. Funding for this pilot will end on June 30, 2003.

Commandant Position for the Veterans Facility at King (requested by Hundertmark, motion request #134)

The current Commandant position at the veterans home in King oversees the veterans facilities at both Union Grove and King.

This amendment authorizes the Department to create a second Commandant position. The existing Commandant position would oversee the Union Grove facility. The new Commandant position would oversee the King facility.

Fiscal Impact: None. If the agency chooses to exercise this new authority, it must fund the new Commandant position from within its existing budget.

Subject: CHANGE NEEDED:RE: LRB Draft: 01b1522/1 Veterans emergency aid test pilot program

In light of your memo identifying a possible constitutional problem inmaking the appropriation to 'Families First', we would like that reference changed to 'The Monroe County Veteran's Service Office'. (Line 7, Page 2).

Additionally, we would like it explicit that the Monroe CVSO is the only authority that may disburse the funds, and that the funds can only be used for the purposes described.

We want to make sure the County does not find another use for the money.

Please resend the changes. Thanks.
